ELLEN MONICA

Introduction to Conflict Resolution Hachette UK
 "Wir waren zu mächtig, um Feinde zu sein. Wir waren dafür gemacht, Seite an Seite die Welt aus ihren Angeln zu reißen."
 Wenn die 17-jährige Emilia eines liebt, dann sind es Rätsel. Als sie bei einem Museumsbesuch das sagenumwobene Voynich-Manuskript lesen kann, spürt sie, dass sie einem unglaublichen Mysterium auf der Spur ist - denn das Dokument gilt als eines der größten, nie entschlüsselten Geheimnisse der Menschheit. Dann trifft sie auf den attraktiven, aber sehr verschlossenen Goldalchemisten Ben, und die Ereignisse überschlagen sich: Emilia ist eine Nachfahrin des uralten Silberordens! Schnell gerät sie ins Kreuzfeuer rivalisierender Geheimlogen, und ein Wettlauf gegen die Zeit beginnt ... Der grandiose Auftakt einer neuen mitreißenden Urban-Fantasy-Trilogie in der ewigen Stadt Rom

 Ao completar 25 anos de funcionamento, o PPGCOM/UFRGS

(Programa de Pós-Graduação em Comunicação da Universidade Federal do Rio Grande do Sul) reúne nesse livro textos de suas pesquisadoras e pesquisadores, fiel à sua vocação de partilha social e ampla discussão dos seus resultados de investigação. Leitoras e leitores encontrarão na obra cruzamentos da Comunicação com a política, com as corporalidades, com as teorias do imaginário, com a semiótica, com as perspectivas informacionais, com o pensamento ecológico, com estudos de fronteira, estudos de recepção, além de abordagens teóricas e práticas sobre o jornalismo impresso e o rádio.
Kinderschutz in der Demokratie – Eckpfeiler guter Fachpraxis
A Million Shades of Grey
 CRACKER IS ONE OF THE UNITED STATES ARMY'S MOST VALUABLE WEAPONS: a German shepherd trained to sniff out bombs, traps, and the enemy. The fate of entire platoons rests on her keen sense of smell. She's a Big Deal, and she likes it that way. Sometimes Cracker remembers when she was younger, and her previous owner would feed her hot dogs and let her sleep in his bed. That was nice, too. Rick Hanski is headed to Vietnam. There, he's going to whip the world and prove to his family and

his sergeant -- and everyone else who didn't think he was cut out for war -- wrong. But sometimes Rick can't help but wonder that maybe everyone else is right. Maybe he should have just stayed at home and worked in his dad's hardware store. When Cracker is paired with Rick, she isn't so sure about this new owner. He's going to have to prove himself to her before she's going to prove herself to him. They need to be friends before they can be a team, and they have to be a team if they want to get home alive. Told in part through the uncanny point of view of a German shepherd, Cracker! is an action-packed glimpse into the Vietnam War as seen through the eyes of a dog and her handler. It's an utterly unique powerhouse of a book by the Newbery Medal-winning author of Kira-Kira.

Geschlechtergerechtigkeit und MINT Brookings Institution Press

What difference does gender make to foreign diplomacy? What do we know about women's participation as decision-makers in international affairs? Is it fair to assume, as many observers do, that female elites will mirror the relatively pacifist preferences of women in the general public as well as the claims of progressive feminist movements? And, of particular importance to this book, what consequences follow from the appointment of "firsts" to these posts? Inspired by recent work in the field of feminist diplomatic history, this book offers the first comparative examination of women's presence in senior national security positions in the United States executive branch. Sylvia Bashevkin looks at four high-profile appointees in the United States since 1980: Jeane Kirkpatrick during the Reagan years, Madeleine Albright in the Clinton era, Condoleezza Rice during the George W. Bush presidency, and Hillary Rodham Clinton in the first Obama mandate. Bashevkin explores the extent to which each of these women was able to fully participate in a domain long dominated by men, focusing in particular on the extent to which each shaped foreign policy in meaningful ways. She looks particularly at two specific phenomena: first, the influence of female decision-makers, notably their ability to make measurable difference to the understanding and practice of national security policy; and second, leaders' actions with respect to matters of war and women's rights. The track records of these four women reveal not just a consistent willingness to pursue muscular, aggressive approaches to international relations, but also widely divergent views about feminism. *Women as Foreign Policy Leaders* shows how Kirkpatrick, Albright, Rice, and Clinton staked out their presence on the international scene and provided a crucial antidote to the silencing of women's voices in global politics.

Rethinking Contemporary Feminist Politics Rowman & Littlefield Winner of the 2017 Mac Jewell Enduring Contribution Award of the APSA's State Politics and Policy Section. *Politics in the American States*, Eleventh Edition, brings together the high-caliber research you expect from this trusted text, with comprehensive and comparative analysis of the 50 states. Fully updated for all major developments in the study of state-level politics, including capturing the results of the 2016 elections, editors Virginia Gray, Russell L. Hanson, and Thad Kousser bring insight and uncover the impact of key similarities and differences on the operation of the same basic political systems. Students will appreciate the book's glossary, the fully up-to-date tables and figures, and the maps showcasing comparative data.

[COVID-19 and extreme weather: Impacts on food security and migration attitudes in rural Guatemala](#) Simon and Schuster

"Aos 24 anos fui diagnosticada com câncer de mama. Aos 29 anos, com câncer de mama metastático, hoje tenho 34. Uma doença considerada incurável pela medicina. Uma doença. Sou Maria Paula Bandeira e me benefício dos Cuidados Paliativos há

anos e acredito que essa "bolha" deve ser estourada para que todos possam encará-los como necessários objetivando garantir o conforto, seja para mirar melhor qualidade de vida, seja para visar melhor qualidade de morte. De acordo com a Organização Mundial da Saúde (OMS), em conceito definido em 1990 e atualizado em 2002, "Cuidados Paliativos consistem na assistência promovida por uma equipe multidisciplinar, que objetiva a melhoria da qualidade de vida do paciente e seus familiares, diante de uma doença que ameaça a vida, por meio da prevenção e alívio do sofrimento, por meio de identificação precoce, avaliação impecável e tratamento de dor e demais sintomas físicos, sociais, psicológicos e espirituais". A Constituição da República Federativa do Brasil de 1988 consagrou com muita clareza diversos Direitos Fundamentais, dentre eles o direito à Vida, à Saúde e à Dignidade da Pessoa Humana. O olhar para a pessoa, em sua individualidade, com suas particularidades e prioridades, se contrapondo à visão da doença em si, é de extrema importância. Não somente pelos médicos e profissionais de saúde, mas pela sociedade como um todo. Muitas vezes o tratamento com intuito paliativo é confundido com Cuidados Paliativos. No "mundo" jurídico não é diferente, uma vez que existem aspectos que ainda precisam nele serem abordados para que se criem normativas que garantam Cuidados Paliativos para todos e temos observado que tem partido da judicialização. E é nisto que consiste o livro *Aspectos Jurídicos dos Cuidados Paliativos*, com coordenação de Luciana Dadalto, a quem admiro profundamente há anos. Cada operador do Direito pode cumprir com maestria o seu papel na história do outro, sem se colocar no lugar do outro, já que cada história é única". Trecho do prefácio de Maria Paula Bandeira "

Columbia Accident Investigation Board: (vol. 5 issued in 3 parts: appendices G.1-G.9; G.10-G.12; G.13). Vol. 1 dated August 2003; Vols. 2-6 dated October 2003 Pimenta Cultural Ever since Tin can remember he's wanted to be an elephant trainer. At twelve years old, he's the youngest - and in his eyes the best - elephant handler in his village. Tin can think of nothing he'd rather do that spend all day with his elephant, Lady, looking after her and playing together. But Tin's peaceful, idyllic life is changed dramatically when the Viet Cong attack his village and he finds himself held hostage by the terrifying soldiers who don't care if he lives or dies. Can Tin find the courage to escape from his captors and save not only his own life, but his precious elephants too?

Cuidados Paliativos Springer

'Warm, wise and practical' Cressida Cowell, MBE An invaluable reference for parents of sick or hospitalised children by an experienced and eminent psychologist. To many parents, it is hard to imagine a more upsetting reality than one where their child is hospitalised, severely sick, or terminally ill. In *When Your Child is Sick*, psychologist Joanna Breyer distils decades of experience working with sick children and their families into a comprehensive guide for navigating the uncharted and frightening terrain. She provides expert advice to guide them through the hospital setting, at-home care, and long-term outcomes. Breyer's actionable techniques and direct advice will help parents feel more in-control of a circumstance that has upended their life. She alerts parents to key personnel in the hospital, gives dialogue prompts to help parents ask for the help they need, addresses the needs of their other children at home, offers advice on how to best utilise friends and family who want to help, includes stories from other families who have been there, and teaches coping techniques to help both parents and children weather the stress of prolonged illness and even death. *When Your Child is Sick* is a valuable guide to managing the myriad practical and emotional complications of an impossible situation.

Kaleidra - Wer die Liebe entfesselt Verlag Barbara Budrich
 Women's Rights in the USA is a rigorous examination of the intersection of gender roles and public policy and the implications for feminist activists. The book places full information on state and federal statutes and court decisions in the context of the ebb and flow of debates that have engaged the public since the founding of the Republic. This fifth edition includes updates on all topics and expanded attention to same-sex marriage and lesbian issues, pay equity, conservative trends in courts, and women in elective politics. This text is a resource for the inquiry into women's rights politics and policies. It is a record of the changes in the major areas affecting gender roles and the status of women: constitutional law, political participation, reproduction, family law, education, work and pay, work and family, sexuality and economic status. It is more than a recital of laws, statutes and court decisions. The chapters focus on the development of the changes in debates over these issues and how the debates produce laws and provide the environment for their administration and interpretation. It also highlights the role, and impact, of feminists in the debates.

Gender Intl Food Policy Res Inst

A landmark publication in the social sciences, Linda Lindsey's *Gender* is the most comprehensive textbook to explore gender sociologically, as a critical and fundamental dimension of a person's identity, interactions, development, and role and status in society. Ranging in scope from the everyday lived experiences of individuals to the complex patterns and structures of gender that are produced by institutions in our global society, the book reveals how understandings of gender vary across time and place and shift along the intersecting lines of race, ethnicity, culture, sexuality, class and religion. Arriving at a time of enormous social change, the new, seventh edition extends its rigorous, theoretical approach to reflect on recent events and issues with insights that challenge conventional thought about the gender binary and the stereotypes that result. Recent and emerging topics that are investigated include the #MeToo and LGBTQ-rights movements, political misogyny in the Trump era, norms of masculinity, marriage and family formation, resurgent feminist activism and praxis, the gendered workplace, and profound consequences of neoliberal globalization. Enriching its sociological approach with interdisciplinary insight from feminist, biological, psychological, historical, and anthropological perspectives, the new edition of *Gender* provides a balanced and broad approach with readable, dynamic content that furthers student understanding, both of the importance of gender and how it shapes individual trajectories and social processes in the U.S. and across the globe.

Industrial and Labor Relations Review CQ Press

A Kirkus Reviews Best Middle Grade Book of 2019 A Japanese-American family, reeling from their ill treatment in the Japanese internment camps, gives up their American citizenship to move back to Hiroshima, unaware of the devastation wreaked by the atomic bomb in this piercing look at the aftermath of World War II by Newbery Medalist Cynthia Kadohata. World War II has ended, but while America has won the war, twelve-year-old Hanako feels lost. To her, the world, and her world, seems irrevocably broken. America, the only home she's ever known, imprisoned then rejected her and her family—and thousands of other innocent Americans—because of their Japanese heritage, because Japan had bombed Pearl Harbor, Hawaii. Japan, the country they've been forced to move to, the country they hope will be the family's saving grace, where they were supposed to start new and better lives, is in shambles because America dropped bombs

of their own—one on Hiroshima unlike any other in history. And Hanako's grandparents live in a small village just outside the ravaged city. The country is starving, the black markets run rampant, and countless orphans beg for food on the streets, but how can Hanako help them when there is not even enough food for her own brother? Hanako feels she could crack under the pressure, but just because something is broken doesn't mean it can't be fixed. Cracks can make room for gold, her grandfather explains when he tells her about the tradition of kintsukuroi—fixing broken objects with gold lacquer, making them stronger and more beautiful than ever. As she struggles to adjust to find her place in a new world, Hanako will find that the gold can come in many forms, and family may be hers.

A Seat at the Table Univ of California Press

Das packende Finale der Urban-Fantasy-Trilogie: Spannend bis zur letzten Seite Nachdem Emilia und Ben aus Kaleidra zurück sind, ist nichts mehr so, wie es einmal war. Die Hohepriesterin Ishtar ist wie vom Erdboden verschluckt, und die Crux greifen unter der Herrschaft der Quecks die Menschen an. Städte werden ins Chaos gestürzt, und auch Rom bleibt nicht unversehrt. Emilia und ihre Freunde versuchen händierend, einen Ausweg zu finden. Und dann ist da auch noch die Sache mit Emilias wahrer Herkunft, die sie nicht loslässt. Zusammen mit alten und neuen Verbündeten will sie der Sache auf den Grund gehen. Schließlich offenbart sich ihr ein gut gehütetes Geheimnis, das nicht nur das Schicksal aller Alchemisten, sondern auch die Zukunft der gesamten Menschheit verändern könnte ...

Semuanya Bermula dari AKD Begins Halo, piye kabare, Dab! Namaku Dedew, sekarang tinggal di kos'an cewek persis di belakang kampus, di kota Yogyakarta. Puri Cantika 11 namanya. Hm, nama sih boleh pakai kata "puri", tapi suasananya, bo... pasar! Ramai tuanaan! Nah, PC 11 ini tentu saja tetangga sama PC I. Penghuni PC I ini kira-kira ada tiga puluh cewek juga, kebanyakan mbak-mbak judes gitu deh, hihhi.... Ups ampun, Mbaak! Denger-denger gosip siy, coming soon, bakal dibangun PC III. Isinya tentu saja cewek angkatan baru yang lebih kinyis-kinyis dibanding kami hehe *gila, sudah kayak cineplex saja nih kos-kos'an... Nah, sudah kebayang kan gimana serunya kehidupan di kos'an kayak begini. -----

"Buku ini bener-bener bikin kangen zaman ngekos dulu.. Yang pernah jadi anak kos, rugi berat kalau enggak baca buku ini! Yang belum pernah ngekos? Jangan hanya ngebayangkan, baca dong buku ini. Bwahahaha!" —Arie Ardiansyah, Falcon Picture - Gradien Mediatama-

Women, Politics, and Power Oxford University Press

Eine beschauliche Kindheit im alten, ländlichen Amerika: Die Erzählung der US-Schriftstellerin ist wie ein Tagebuch in Ich-Form gefasst. Die mit fünf Jahren sehr verständige Katy erzählt von ihren Erfahrungen und Erlebnissen in der Kleinstadt nahe Philadelphia um 1910. Sie begleitet ihren Vater, den Landarzt, auf Krankenbesuche per Pferdewagen, erlebt das erste Automobil, die unheimliche Irrenanstalt, setzt sich mit dem Hausmädchen Peggy auseinander, zu deren Bruder - ein stummer Junge - sie ein besonderes Verständnis findet. Der Buchtitel verleitet wohl zu Vorstellungen, die nicht erfüllt werden. Der stumme Junge taucht als geheimnisvolle Figur da und dort auf. Aber im Wesentlichen geht es um die Erlebnisse Katys in jener beschaulichen Zeit im bäuerlichen Amerika anfangs des 20. Jahrhunderts. Die Fotos aus jener Zeit geben dem fiktiven Text einen authentischen Anschein. Ab 12 Jahren, ausgezeichnet, Ruedi W. Schweizer.

Cracker! Oxford University Press

Amy liebt Bücher und das Lesen. Doch dann wird ihr Lieblingsbuch aus der Schulbibliothek verbannt - angeblich ist es ungeeignet für Grundschüler, respektlos und unmoralisch. Die

sonst so zurückhaltende Amy ist empört: Es ist ein ganz tolles Buch! Und jeder sollte es ausleihen und lesen können! Als immer mehr Bücher aus den Regalen verschwinden, eröffnet Amy kurzerhand die G.S.B., die Geheime Schließfach-Bibliothek. Hier können ihre Mitschüler alle verbannten Bücher heimlich ausleihen. Schon bald boomt Amys Bibliothek, und gemeinsam schmieden die Kinder einen Plan, um sich gegen die Bücherverbannung zur Wehr zu setzen. Denn niemand soll ihnen vorschreiben, welche Bücher sie lesen dürfen!

Daniel is different Gradien Mediatama

This introductory course text explores the genealogy of the field of conflict resolution by examining three different epochs of the field, each one tied to the historical context and events of the day.

ILRReview Routledge

Gegenwärtig werden verstärkt tödliche Fälle von Kindesmisshandlung medial aufgegriffen und sensationsheischend aufbereitet. Hierbei kommt es oft zu Engführungen und Einseitigkeit. Im Handbuch setzen die Autor*innen neu an und fragen: Vor welchen Herausforderungen stehen wir aktuell in der Kinderschutzarbeit? Sie entfalten ein Konzept nachhaltiger demokratischer Kinderschutzarbeit auf Basis eines neuen Grundverständnisses und eines umfassenden Konzepts der Prozessgestaltung für eine solidarische Kooperation der beteiligten Akteur*innen.

Journal of Public Policy & Marketing : JPP&M CQ Press

"Top agricultural scientists from around the world have taken up the challenge of sustainable agriculture, with the specific focus on integrating agronomic, climatological, biophysical and socio-economic perspectives and processes. Every chapter (of the

Handbook) contributes to addressing the growing food-security challenges facing the world."Foreword by Jeffrey Sachs, Director of the Earth Institute at Columbia UniversityClimate effects on agriculture are of increasing concern in both the scientific and policy communities because of the growing population and the greater uncertainty in the weather during growing seasons. Changes in production are directly linked to variations in temperature and precipitation during the growing season and often to the offseason changes in weather because of soil water storage to replenish the soil profile. This is not an isolated problem but one of worldwide interest because each country has concerns about their food security.The Agricultural Model Intercomparison and Improvement Project (AgMIP) was developed to evaluate agricultural models and intercompare their ability to predict climate impacts. In sub-Saharan Africa and South Asia, South America and East Asia, AgMIP regional research teams (RRTs) are conducting integrated assessments to improve understanding of agricultural impacts of climate change (including biophysical and economic impacts) at national and regional scales. Other AgMIP initiatives include global gridded modeling, data and information technology (IT) tool development, simulation of crop pests and diseases, site-based crop-climate sensitivity studies, and aggregation and scaling.

Politics In The American States: A Comparative Analysis Routledge

Rethinking Contemporary Feminist Politics puts forward a timely analysis of contemporary feminism. Critically engaging with both narratives of feminist decline and re-emergence, it draws on poststructuralist political theory to assess current forms of activism in the UK and present a provocative account of recent developments in feminist politics.
