No one did—not even Tairren, who was one of MARRISA's dearest friends. Overtaken by MARRISA's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... Before fables became twisted truth and distorted tales. Things deemed too dangerous were sealed, and bound for all eternity. Or so it was believed. Whispers from an ancient realm threaten the peace, drawing a lone adventurer into The Depths of Acheron. He seeks something from within this sealed domain, and those banished want something in return. Something belonging to them. The time has come for the forgotten to be unveiled, and for the sealed to be unbound. Only then will the world know true fear. Each book in The Forgotten Legacies series reads as stand alone, and donates a percent of royalties to The DMWS: an independent charity supporting those who put themselves in harm's way to serve our country, including Armed Forces personnel, Reservists, Veterans and their families, and the police.
