a Supernatural

Lifestyle Many

Christians believe in

miracles, but they are
not accessing the
supernatural as a
normal way of life. Is
this you? Are you ready
to experience the
miraculous lifestyle
that Jesus made
available to you
because of the Cross?
In Supernatural Power

of a Transformed Mind, Pastor Bill Johnson delivers powerful and practical teaching, revealing how you were designed to bring heaven to Earth and how it all starts with your thought life. You will learn how to:

- Enjoy complete forgiveness from sin and let go of guilt
- Access the open heaven over your life and start living as God's dwelling place
- Position yourself for future breakthrough by studying and remembering God's miracles

Your access to a lifestyle of signs, wonders, and miracles starts by changing the way you think. When your mind is transformed, heaven becomes more than a place you go to one day—becomes the supernatural power

that you release wherever you go today! "This book is needed in this hour as a wake-up call to the 'greater things than these shall you do' promise of Jesus." – Randy Clark

The Power Of Your Mind Christ Embassy International

We've all gone through times in our lives when we feel like we need a fresh breeze to breathe new life into us. But what is that energy-giving, life-breathing force that inspires and empowers us? How do we put the wind in our sails again, so we can get unstuck, reset our compass, and redirect our course? In *Fresh Air*, New York Times bestselling author Chris Hodges reveals how breath—the breath of God—is the essence of life as it's meant to be.

Fueled by the breath of God, we are not only refreshed in spirit ourselves; we have the power to create a life-giving environment of freedom and joyful purpose around us. Bold and encouraging, Fresh Air offers "breathing lessons" for those who long for a cool breeze to resuscitate their spirit, bring them closer to God, and make them enthusiastic, contagious life-breathers to those around them.

This book is a classic exposition of the Christian life. It provides Bible-based

answers to a lot of questions, and provides explanations needed to live a constantly victorious life. Joshua brought the children of Israel into a land flowing with milk and honey; yet the Bible says they did not enter the rest of God. *Change Your Thinking, Change Your Life* Crossway NEW YORK TIMES BESTSELLER The "paradigm-influencing" book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism in America. Jesus and John Wayne is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the

Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with “a spiritual badass.” As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today’s evangelicals might not be theologically astute, but they know their VeggieTales, they’ve read John Eldredge’s *Wild at Heart*, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music,

clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of “Christian America.” Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the “moral majority” backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in

fact represented the fulfillment, rather than the betrayal, of white evangelicals' most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, Jesus and John Wayne shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans. Winning the War in Your Mind Christ Embassy International From the author of Out

of a Far Country, which details his dramatic conversion from an agnostic gay man who put his identity in his sexuality to a Bible professor who now puts his identity in Christ alone, comes a gospel-centered discussion of sex, desire, and relationships. Dr. Christopher Yuan explores the concept of holy sexuality--chastity in singleness or faithfulness in marriage--in a practical and relevant manner, equipping readers with an accessible yet robust theology of sexuality. Whether you want to share Christ with a loved one who identifies as gay or you're wrestling with questions of identity yourself, this book will help you better understand sexuality in

light of God's grand story and realize that holy sexuality is actually good news for all.

Let's face it. Church
isn't working. We hear
sermons about the
abundant life Jesus
promised, but how
many of us are actually

living it? How many of
our churches are
thriving? How many
people in our
congregations are
experiencing God's
blessings? Maybe it's
time to call it quits.
Quit church? Well, not
exactly. Drawing from
his experience
coaching hundreds of
churches toward true
growth, Chris Sonksen
calls on us to quit our
casual, cultural
commitment to church
as we know it. No more
half-hearted attempts
to win the favor of God
and other people by
doing the right thing.
No more doing things
out of a sense of duty.
Instead, Sonksen
reveals the spiritual
habits that release the
blessings of God, both
on each individual and
on the church. He
explains why we
struggle to put these

practices into action and gives practical solutions to move us forward into health, growth, and maturity.

None of These Diseases LoveWorld Publishing

We live in a society that has largely abandoned moral standards and Christian principles. Unkept campaign promises, false advertising, exaggerated tax

exemptions, employee theft--compromise has become a way of life. Such moral concession has even invaded the church. Faced with an opportunity to proclaim Christ to unbelievers, we feel intimidated and keep silent. Or we water down God's Word on ethical issues at work or in our community to avoid rejection. Too often we prefer hypocrisy to integrity. But God longs for His people to be different--to maintain a commitment to His standards, no matter what the cost. Is consistent obedience to God--integrity--attainable in this world of sin and self? By the grace and power of God, yes! One of the nation's most respected pastors points the way to

persevering character in Christ. Drawing from scriptural examples of godly men who modeled integrity during severe testing, MacArthur makes a compelling case for the impact a man or woman of integrity can have in our world. A helpful study guide for individuals or groups is included.

God Turns Pressure into Power Destiny

Pastor Jamin Goggin and theology professor Kyle Strobel invite readers on a journey to uncover Jesus' seemingly contradictory way to power: weakness. Why do so many rock-star pastors implode under the spotlight? Why do modern-day churches become so entangled in growing their brand that they lose sight of their true purpose? Because, according to Jamin Goggin and Kyle Strobel, Christians have succumbed to the temptations of power and forgotten Jesus' seemingly contradictory path to power—first giving it up. In *The Way of the Dragon* or *The Way of the Lamb*, Goggin and Strobel paint a richly biblical vision of power through weakness.

They invite readers to join them on an adventure around the world, seeking out great sages of the faith with uncommon wisdom to offer those traveling the path of Christian life. As readers eavesdrop on the authors' conversations with people such as J. I. Packer, Dallas Willard, Marva Dawn, John Perkins, Jean Vanier, James Houston, and Eugene Peterson, they begin to piece together the new-old reality of following Jesus today. In the end, *The Way of the Dragon* or *The Way of the Lamb* offers a compelling vision of the way of Jesus that will challenge both

individual believers and the church as a whole.

Walk in divine excellence and transform your world through the power of a renewed mind Thomas Nelson

Words have played a vital role since the beginning of time. In the book of Genesis, God created the world and everything in it with His words. Today, as believers, we have the same God-like ability to speak those things which be not as though they were. Through *God's Word*, Kenneth Copeland reveals the Bible secret of words and the vital importance of using the tongue to create rather than destroy.
