When a miserable orphan unknowingly disrupts the balance of power between the magical realms of wishes and curses, he

must join forces with the Wishworks Factory to reclaim his errant wish and set things right again. \$100,000 ad/promo.

**The Rise and Fall of the World's First Social Network** Lulu.com

FROM THE BESTSELLING AUTHOR OF LAST ORDERS AND MOTHERING SUNDAY, and reissued for the first time in Scribner,

comes a novel called 'Profound and powerful . . . an unputdownable read' by Scotland on Sunday. On an autumn day in 2006, on the Isle of Wight, Jack Luxton – former Devon farmer, now proprietor of a seaside caravan park – receives the news that his brother Tom, not seen for years, has been killed in Iraq. For

Jack and his wife Ellie this will have a potentially catastrophic impact and compel Jack to make a crucial journey: to receive his brother's remains, but also to return to the land of his past and confront his most secret, troubling memories. Praise for *Mothering Sunday*: 'Bathed in light; and even when tragedy strikes, it blazes irresistibly... Swift's small fiction feels like a masterpiece' Guardian 'Alive with sensuousness and sensuality ... wonderfully accomplished, it is an

achievement' Sunday Times 'From start to finish Swift's is a novel of stylish brilliance and quiet narrative verve. The archly modulated, precise prose (a hybrid of Henry Green and Kazuo Ishiguro) is a glory to read. Now 66, Swift is a writer at the very top of his game' Evening Standard 'Mothering Sunday is a powerful, philosophical and exquisitely observed novel about the lives we lead, and the parallel lives - the parallel stories - we can never know ... It may just be Swift's best novel

yet' Observer  
*Wish You Were Here*  
Candlewick Press (MA)  
A snarky, fact-filled look at the people and places that made the indie/punk scene what it is today The American underground music scene is exploding everywhere—not just in New York City and L.A. (although we've got those cities covered too!): In Washington, D.C. . . . Ian MacKaye and Fugazi inspired the straightedge culture, which had kids everywhere drawing black X's on their hands in magic marker. In Omaha,

Nebraska . . . A young Conor Oberst, aka Bright Eyes, started writing and performing gut-wrenching love songs at the tender age of thirteen. On Long Island, New York . . . Taking Back Sunday and Brand New battled for emo supremacy and the fragile hearts of a million teenage girls. From the coauthor of the cult-worthy *Everybody Hurts: An Essential Guide to Emo Culture* comes *Wish You Were Here*—a combination travel guide and tortured history covering everything from

what constitutes proper rock critic etiquette in Minneapolis to why pop-punk bands in Chicago have so much suburban angst, to how freegans in the Bay Area can feed themselves on a budget that would make frugal Rachael Ray's face blush. [Wish You Were Here](#) Ballantine Books Kissing the wrong guy days before her wedding leads Allison to become a runaway bride. But can it also lead to happily ever after? Allison Denman is supposed to get married in five days, but

everything is all wrong. The huge wedding. The frothy dress. And the groom. Still, kissing the groom's brother, Daniel, in an unguarded moment is decidedly not the right thing to do. How could she have made such a mistake? It seems Allison's life is nothing but mistakes at this point. Daniel's adventures—chronicled through a collection of postcards—have always appealed to Allison's well-hidden desire for something more. But how can betraying her fiancé's

trust lead to a true happily ever after? Can Allison find her way out of this mess? Recognizing she doesn't have all the answers won't be easy because she's used to being in control. To find her way again, she will have to believe that God has a plan for her—one outside her carefully defined comfort zone—and find the strength to let Him lead.

An Essential Guide to Your

Favorite Music Scenes—from Punk to Indie and Everything in Between Simon and Schuster  
“This amusing, sad, and heartfelt look at [Adams's] life is a true gift.”—New York Post It all started when Douglas Adams demolished planet Earth in order to make way for an intergalactic expressway—and then invited everyone to thumb a ride on a comical cosmic road trip in *The Hitchhiker's Guide to the Galaxy*. Adams made the universe a much funnier

place to inhabit and forever changed the way we think about towels, extraterrestrial poetry, and especially the number 42. And then, too soon, he was gone. In *Wish You Were Here*, Nick Webb, a longtime friend of the author, reveals the many sides, quirks, and contradictions of Douglas Adams. A summation as celebration, it is a look back at a life well worth the vicarious reliving, as studded with anecdote, droll comic incident, and heartfelt insight as its subject's own

unforgettable tales of cosmic wanderlust. Praise for *Wish You Were Here* “Webb’s tale brims with affection and humour; every page is a delight.”—The Daily Mail “It’s perhaps the ultimate credit to Webb that he can be just as funny as Adams in his writing. With many of the same veins of humour that Adams had running throughout this biography, it’s as if the great hitchhiker has never really left.”—The Leeds Guide  
*Wish You Were Here*  
Simon and Schuster

‘In this moment I am perfect. I am free to be whoever I want, and all I want to be is a woman in a red spotty dress, speeding into her future in a shiny red car.’ Raw, sharply funny and heartfelt, *Wish You Were Here* is a girl’s own adventure with bite, a hilarious rollercoaster ride that will make you itch to escape the everyday and hit the road with this irresponsible and irresistible adventurer. Reeling from the devastating collapse of her marriage to the man

she thought was the love of her life, after a late night enjoying smashing all her china a little too much, Sheridan Jobbins decides she needs to do something drastic to save her sanity. Her solution is to buy a hot red car and drive across America. Hopelessly unprepared and heartbroken, she sets out on the road trip of a lifetime determined to find herself – and ironically finds love instead. But not before she has a whole bunch of crazy adventures and wrong turns along the

way. Every woman with a heart and a sense of humour will want jump on board this unforgettable ride - and it's the best antidote for anyone who's ever had her heart broken and thought she might not survive.'

Wish You Were Here Grand Central Publishing A hilarious, compulsively readable novel from the Number One bestseller - Catherine Alliot When Flora, James and their two

teenage daughters are offered the holiday of a lifetime in a chateau in the South of France in return for one simple good deed, they jump at the chance to escape the confines of Clapham, the weight of the mortgage and anxieties over their future for a blissful break. But Flora didn't anticipate a mysterious guest and a whole heap of family baggage coming along too. And with James developing a schoolboy crush on a famous singer and Flora distracted by ghosts from her past,

their dream holiday suddenly takes some very unexpected turns . . .'A breezy, comic, summery romp that will appeal to fans of Jilly Cooper' Sunday Mirror'A thoroughly engaging, entertaining read' Daily Mail'While you'll probably be glad that you're not on this holiday with the Murray-Browns, make sure to take them on yours.' Heat

 Harper Collins  
 "You know when you're looking at someone and you can't help but smile

at how oblivious they are to their own charm? That's what was happening to me, and it was making me feel...happy. Euphoric. Something indescribable. It was like we already knew each other, like we had met in a previous life. Memories that didn't exist began exploding in my mind like fireworks."--  
**Wish You Were Here**  
 Ballantine Books  
 Charming, witty, and fresh, this poignant novel is a love letter to summer vacation, dysfunctional families, first love, and

the family vacation from hell.  
*A Murdered Girl, a Brother's Quest and the Hunt for a Serial Killer*  
 Little, Brown Books for Young Readers  
 Jackson Watt's senior year should have been a blast. Then Jax's best friend Brady runs away without telling anyone. His mom gets remarried, which means a new family, a new house, and a new role as well-adjusted stepbrother. Not until a life-changing road trip to Graceland does Jax learn to accept the past

year—and what it means to grow up.

### **Wish You Were Here**

McGill-Queen's Press - MQUP

For fans of the Netflix hit original series *Dead to Me* comes “a captivating thriller” (Megan Miranda, *New York Times* bestselling author) about what happens when the death of a husband and father isn't the tragedy everyone believes. Emma Walsh's looks-great-on-the-outside marriage is at the breaking point, and she's finally worked up the courage to confront

her husband James about his drinking—his alcoholic rages, his blackouts, the uncertainty and fear his behavior has created for her and their two kids. But James never shows up to meet her as planned, and all her righteous words go unsaid. And unsaid they remain, because the next time Emma sees James, his body is crumpled amidst the wreckage of his flashy car, smashed to its final resting place halfway through the back wall of their suburban house's roomy garage. In the aftermath of the fatal

crash, she and her teenage children, Kelsey and Hunter, begin to imagine life without the looming, volcanic presence of their husband and father. Buoyed by the support of her two closest friends, Emma struggles to deal with her grief, complicated by the knowledge that James's legacy as an upstanding business owner and family man shines only because so many people were so willing, for so long, to keep his secrets—secrets that twist into new and unexpected

shapes as the mysterious details of his last day of life begin to come to light. Wish You Were Here Rowman & Littlefield Beth Allen has moved on... It's been eight years since she and Jack Thornfield met on an exotic holiday and sparked up a seriously promising romance. But then he disappeared without a trace, and Beth's life got dreadfully busy, demanding, and altogether complicated. Then Jack and Beth run into each other again...while she's

applying for an exciting new job in London-at his company. For necessity's sake, but against her better judgment, she takes the job, and from that moment on, complicated doesn't even begin to describe it... WHAT READERS SAY: "A holiday fling that will last longer than your tan!" "A wonderful funny, sexy, romantic read." "This book is gorgeous, simply gorgeous...jump-off-the-page characters, masses of humour, sexual tension you could cut with a penknife, heart-wringing

romance-you literally won't be able to put it down." "I would highly recommend this to anyone who enjoys enveloping themselves in a great big squashy marshmallow duvet with a whopping box of chocolates-this is the literary equivalent." "Another lovely romantic tale from Phillipa Ashley that will leave you feeling all warm and cosy." Wish You Were Here (and I Wasn't) Ballantine Books Wish You Were Here: Travels Through Loss and Hope is the story of Amy

Welborn's trip to the island of Sicily with three of her children five months after her husband's sudden death from a heart attack. Her journey through city and countryside, small town and ancient ruins, opens unexpected doors of memory and reflection, a pilgrimage of the heart and an exploration of the soul. It is an observant and wry memoir and travelogue, intensely personal yet speaking to universal experiences of love and loss. Along the narrow roads and hairpin

turns, the narrative reveals the beauty of the ordinary and the commonplace and asks stark questions about how we fill the empty places that a loved one leaves behind. It is a meditation on the possibility of faith, one that is unflinching, uncompromising, and altogether unsentimental when confronted by the ultimate test of belief. This book is not only a well-told memoir, but a testimony to the truth that love is stronger than death. Wish You Were Gone Wish

You Were Here A Novel  
As compelling as Michelle McNamara's *I'll Be Gone in the Dark* or James Ellroy's *My Dark Places*, this is the story of a brother's lifelong determination to find the truth about his sister's death, a police force that was ignoring the cases of missing and murdered women, and, to the surprise of everyone involved, a previously undiscovered serial killer. In the fall of 1978 teenager Theresa Allore went missing near Sherbrooke, Quebec. She

wasn't seen again until the spring thaw revealed her body in a creek only a few kilometers away. Shrugging off her death as a result of 1970s drug culture, police didn't investigate. Patricia Pearson started dating Theresa's brother John during the aftermath of Theresa's death. Though the two teens would go their separate ways, the family's grief, obsession with justice and desire for the truth never left Patricia. Little did she know, the shockwaves of Theresa's death would

return to her life repeatedly over the next forty years. In 2001, John had just moved to Chapel Hill, North Carolina, with his wife and young children, when the cops came to the door. They had determined that a young girl had been murdered and buried in the basement. John wondered: If these cops could look for this young girl, why had nobody even tried to find out what happened to Theresa? Unable to rest without closure, he reached out to Patricia, by now an

accomplished crime journalist and author, and together they found answers far bigger and more alarming than they could have imagined--and a legacy of violence that refused to end.

A Novel Hachette UK

A delightful holiday Toot and Puddle plush and book set. It's Christmas time in Woodcock Pocket! Bring home Toot and Puddle's holiday spirit with this essential Christmas gift. This lovable set includes the best-selling I'll Be Home for Christmas re-sized

book, a Toot plush toy, and Puddle plush toy perfect for little hands. Pink Floyd Simon and Schuster #1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *The Book of Two Ways* comes “a powerfully evocative story of resilience and the triumph of the human spirit” (Taylor Jenkins Reid, author of *Malibu Rising*) Rights sold to Netflix for adaptation as a feature film • Named One of the Best Books of the Year by *She Reads* Diana

O’Toole is perfectly on track. She will be married by thirty, done having kids by thirty-five, and move out to the New York City suburbs, all while climbing the professional ladder in the cutthroat art auction world. She’s an associate specialist at Sotheby’s now, but her boss has hinted at a promotion if she can close a deal with a high-profile client. She’s not engaged just yet, but she knows her boyfriend, Finn, a surgical resident, is about to propose on their romantic getaway to the

Galápagos—days before her thirtieth birthday. Right on time. But then a virus that felt worlds away has appeared in the city, and on the eve of their departure, Finn breaks the news: It’s all hands on deck at the hospital. He has to stay behind. You should still go, he assures her, since it would be a shame for all of their nonrefundable trip to go to waste. And so, reluctantly, she goes. Almost immediately, Diana’s dream vacation goes awry. Her luggage is lost, the Wi-Fi is nearly

nonexistent, and the hotel they'd booked is shut down due to the pandemic. In fact, the whole island is now under quarantine, and she is stranded until the borders reopen. Completely isolated, she must venture beyond her comfort zone. Slowly, she carves out a connection with a local family when a teenager with a secret opens up to Diana, despite her father's suspicion of outsiders. In the Galápagos Islands, where Darwin's theory of evolution by natural

selection was formed, Diana finds herself examining her relationships, her choices, and herself—and wondering if when she goes home, she too will have evolved into someone completely different. *A Novel* Sourcebooks, Inc. "Leavitt has crafted an irresistible portrait of midlife ennui and the magic of breaking free." —People "With or Without You is a moving novel about twists of fate, the shifting terrain of love, and coming into your

own. With tenderness and incisive insight, Leavitt spotlights a woman's unexpected journey towards her art." —Madeline Miller, author of *Circe* A Best Book of the Month: Bustle \* PopSugar New York Times bestselling author Caroline Leavitt writes novels that expertly explore the struggles and conflicts that people face in their search for happiness. For the characters in *With or Without You*, it seems at first that such happiness can come only at

someone else's expense. Stella is a nurse who has long suppressed her own needs and desires to nurture the dreams of her partner, Simon, the bass player for a rock band that has started to lose its edge. But when Stella gets unexpectedly ill and falls into a coma just as Simon is preparing to fly with his band to Los Angeles for a gig that could revive his career, Simon must learn the meaning of sacrifice, while Stella's best friend, Libby, a doctor who treats Stella, must also make a

difficult choice as the coma wears on. When Stella at last awakes from her two-month sleep, she emerges into a striking new reality where Simon and Libby have formed an intense bond, and where she discovers that she has acquired a startling artistic talent of her own: the ability to draw portraits of people in which she captures their innermost feelings and desires. Stella's whole identity, but also her role in her relationships, has been scrambled, and she has the chance to form a

new life, one she hadn't even realized she wanted. A story of love, loyalty, loss, and resilience, *With or Without You* is a page-turner that asks the question, What do we owe the other people in our lives, and when does the cost become too great? **Wish You Were Here** Reaktion Books Paris: *Wish You Were Here!* is the ultimate postcard from the most romantic and glamorous city in the world. Filled with writings, facts, and trivia about this most sought-after destination

for lovers, writers, artists, fashionistas, and travelers, Paris captures the best of the City of Lights. Exquisitely illustrated with vintage and fine art, Paris offers up the following treasures and pleasures: - Excerpts from FICTION and TRAVEL WRITING from the likes of David Sedaris, Victor Hugo, Mark Twain, Ernest Hemingway, Gertrude Stein, Colette, and many others - FOOD customs--how, what, and when to eat--regarding cheeses, breads, meats, wine, coffee, chocolate, street

food, and markets, including where to find the best of everything - MONUMENTS and famous DESTINATIONS including Cafe Flore, Shakespeare & co., La Coupole, and more - Parisian MUSEUMS--everything from the must-see to the hidden treasures - POETRY from famous Parisian bards including Baudelaire, Apollinaire, and Mallarme - GOSSIP and interesting TIDBITS about Paris's most famous inhabitants and visitors throughout history, including Brigitte

Bardot, Catherine Deneuve, Coco Chanel, Macel Marceau, Marie Antoinette, Pablo Picasso, and Napoleon - ARCHITECTURE--the styles that dominate and why - City HISTORY from Gaul to Gaultier - AMERICANS in Paris, including Josephine Baker, F. Scott Fitzgerald, Ezra Pound, James Baldwin, and Nina Simone - Parisian POPULAR CULTURE including fashion, jazz, and cinema - The best of Paris SHOPPING, from flea markets to Avenue Montaigne
