**Ty and Eden: A Red Team Wedding Novella** Yale University Press  
 WATCH ME...The first book in New York Times and USA Today best-selling author Cynthia Eden's sexy new romantic suspense series...DARK OBSESSION. He was hired to protect her. Watching gorgeous Gwen Hawthorne wasn't a hard job—but it certainly was tempting. Chance Valentine had tried to keep his distance from the sexy socialite for years, but when her father hired him to keep watch on her—as a twenty-four, seven bodyguard—Chance knew his control was about to be pushed to the limit. He'd never wanted another woman the way he desired her. Hot. Intense. Consuming. Being so close to Gwen, Chance knew that

he wouldn't be able to resist her. So he gave into his need, her need, and he took them both to the edge of a dark and consuming desire. But Chance soon realizes that he isn't the only one watching Gwen. Someone else is out there, a stalker who won't rest until Gwen is destroyed. Every day, every moment...Gwen is in danger. And Chance knows that if he can't unmask the stalker, then he may just lose the only woman he has ever loved. WATCH ME. Author's Note: WATCH ME is a complete, stand-alone story. All of the books in the Dark Obsession series are stand-alone titles. Dark Obsession Series: WATCH ME - Book 1 WANT ME - Book 2 NEED ME - Book 3 BEWARE OF ME - Book 4 Tommy Adderley (1940-1993) Penguin Weddings are the spice of life... After reuniting with his bio dad, Cord Ryker, Ty Holt is all too aware of how easily life can change—for better or worse. He convinces

Eden Miller to pin down their wedding plans and set a date, pronto! And family drama's the hot sauce... When a woman from Cord's past makes a startling accusation, the team discovers an unexpected new clue in the mystery they're unraveling. Eden's mom, stepdad, dad, and stepmom, out for the nuptials, worry their daughter has fallen into the grasp of an insidious crime lord—a concern that Ty can't, in all honesty, put to rest.

### **A Memoir** Vintage

I brought them to the wilderness because we couldn't cope with our reality. The plan was to make a new life that didn't include heartache. No people. No technology. No interference. Just us. A chance to piece together what was broken. But the wilderness is untamed and harsh. Brutal and unforgiving. It doesn't give a damn about your feelings. Tragedy lives there too. No escaping the truths that won't let

you go. All you can do is survive where love, no matter how beastly, is the only thing you can truly count on. Confusing. Wrong. Twisted. Beautiful. Sick. Love is wild. And we're going to set it free. **WARNING:** *The Wild* is an extremely taboo story. Most will find that the themes in this book will make you incredibly uncomfortable or maybe even offend you. This book is only for the brave, the open-minded, and the ones who crave love in even the most dismal of situations. Extreme sexual themes and violence in certain scenes, which could trigger emotional distress, are found in this story. If you are sensitive to heavy taboo themes, then this story is not for you. Seriously, you've been warned. Don't say I didn't try. You're probably going to cringe many, many, many times. Even if you're on the fence, it's probably not a good idea to proceed. However, if you're intrigued and fearless and kind of sort of trust me, then carry on. This book is for you.

**Notes from a Writer's Eden** Elaine Levine

Stephen Lacey is quite possibly the most neurotic human being on the planet. A bundle of depression, anxiety and hives, he wonders whether he's cut out to be a father. In fact, he's not even sure he likes children. *Henry Loves Jazz* is a fly-on-the-wall account of what happens when Henry, his first-born child, comes home: the sleepless nights, exploding eco-nappies, celebrity chef cookbooks, black jellybeans and giant Mexican tarantulas. *Henry Loves Jazz* is not just about those first months of coping with a baby at forty-three, but the author's journey from a childless existence to the dagdom of parenthood. Along the way, he questions everything he knows about his own upbringing and his relationship with his parents and his long-suffering wife. He also discovers a love so deep, he can't see the bottom.

**Eden Summer** Red Trumpet Press

When nineteen-year-old Priscilla Payne's guardian realizes that her ward is in desperate need of strict discipline if she is to have any hope of ever marrying well, she brings the recalcitrant girl to an academy for young ladies run by Doctor Charles Preston. Within moments of her arrival at his door, Priscilla is pulled over the stern doctor's knee for a painful, embarrassing spanking on her bare bottom. That shameful chastisement is only the beginning, however, and soon enough she has been stripped naked for an intimate, incredibly humiliating examination in front of Doctor Preston's medical students. Though he typically approaches the correction and treatment of his charges with a purely professional

mindset, this spirited young woman's helpless response to his dominant touch ignites a fire within Doctor Preston that cannot be ignored, and he wastes no time in asking her guardian for Priscilla's hand. After she is informed that she will be married to Doctor Preston and that during the engagement she will be confined to the nursery and treated the way she has been acting—like a spoiled, naughty little girl—Priscilla decides to feign obedience as she plots her escape. Yet despite her plans, with each passing day she finds more and more pleasure in the handsome doctor's arms. When her wedding day arrives, will Priscilla decide that it is time to take her place as the lady of the house, or will she choose to remain as Doctor Preston's little bride forever? **Publisher's Note:** *Doctor Preston's Little Bride* is an erotic romance novel that includes spankings, sexual scenes, age play, medical play, elements of BDSM, and more. If such material offends you, please don't buy this book.

**Brutal Bully (Bad Bullies Book One)**

Melbourne Univ. Publishing  
Twenty-four-year-old Juliana once loved being a little, until the cruelty of the man she had called daddy broke her heart and she decided to never be little again. But when she fails to take care of herself and becomes ill, a worried friend brings her to Dr. Robert O'Connor, claiming that he will understand what she needs. Juliana is embarrassed and nervous, but to her surprise, Robert gives her a teddy bear and tells her a fairy tale to help her relax. Though the exam is intimate and thorough, Juliana feels safe the whole time and hopes afterwards that she'll see more of the handsome doctor. From the moment Robert heard about Juliana's past, he wanted nothing more than to take away her pain and make sure she never has to worry about anyone hurting her again. He is thrilled when he asks her out and she shyly agrees. Though Juliana claims she doesn't want to be a little anymore, he longs to prove to her that age play with him is nothing to fear. Robert is a patient man, and before long Juliana is calling him "daddy", playing with her dolls, and coloring. He delights in taking care of her every need, dressing her in footie pajamas, and brushing her hair. Even when Juliana is disobedient and Robert has to put his baby girl over his knee and spank her bare bottom, it is always followed by plenty of loving hugs and cuddles. Soon Juliana is eating more and sleeping better, and feels healthier than she has in a long time. But when the man who once mistreated her skips bail and threatens to hurt her if she continues to

see her new daddy, she becomes terrified. Will she ever be free to relax in her daddy's arms, knowing he will keep his little girl safe from everything and love her no matter what? **Publisher's Note:** *Learning to be Little Again* is a stand-alone sequel to *Little Samantha's Choice*. It is an erotic romance novel that contains spankings, age play, medical play, anal play, sexual scenes, elements of BDSM, and more. If such material offends you, please don't buy this book.

Often covered in mud and scrapes, Shalev cultivates both nomadic plants and "house dwellers," using his own quirky techniques. He extolls the virtues of the lemon tree, rescues a precious variety of purple snapdragon from the Jerusalem-Tel Aviv highway, and does battle with a saboteur mole rat. He even gives us his superior private recipe for curing olives. Informed by Shalev's literary sensibility, his sometime riotous humor, and his deep curiosity about the land, *My Wild Garden* abounds with appreciation for the joy of living, quite literally, on Earth. Our borrowed time on any particular patch of it is enhanced, the author reminds us, by our honest, respectful dealings with all manner of beings who inhabit it with us.
