**Warfare & Sin City** Simon and Schuster

In the spirit of her bestselling series, *Pillow Thoughts*, Courtney Peppernell returns with a new, empowering collection of poetry and prose. From heartbreak to dreaming of and finding a new love to healing the heart to ultimately finding peace, the themes in this book are universal but also uniquely individual to readers. Just as moving and endearing as Peppernell's previous books, *I Hope You Stay* is a reminder of the resilience and hope needed after heartache and pain. The book is divided into five sections, with poems ranging from free verse to short form. These words are a light in the deepest hours of the night: Hold on. The sun is coming.

**A Novel** Simon and Schuster

Shy student Penny Taylor always follows the rules. At least, that's how it appears to her classmates. But she has one illicit secret - she's fallen hard for her professor. And she's pretty sure he's fallen for her too. Everyone loves Professor Hunter. He's tall, dark, and handsome. And completely unobtainable. But it's the secrets hiding behind his deep brown eyes that allures Penny. Secrets darker than she could ever imagine. James Hunter gave up his billionaire lifestyle in NYC last year to become a professor. The

easiest new rule to follow: don't fraternize with the students. It's easy to follow because he's become quite the recluse in his new town - the only way he knows how to keep his secrets buried. But he never expected to be teaching such a beautiful student. He has to resist her. He needs to walk away. Penny deserves better than a man with his demons. But she's daring him to cross the line. And he's never been one to resist temptation.

Four sisters desperately seeking the blueprints to life—the modern-day retelling of Louisa May Alcott's *Little Women* like only Anna Todd (*After*, *Imagines*) could do. The Spring Girls—Meg, Jo, Beth, and Amy—are a force of nature on the New Orleans military base where they live. As different as they are, with their father on tour in Iraq and their mother hiding something, their fears are very much the same. Struggling to build lives they can be proud of and that will lift them out of their humble station in life, one year will determine all that their futures can become. The oldest, Meg, will be an officer's wife and enter military society like so many of the women she admires. If her passion—and her reputation—don't derail her. Beth, the workhorse of the family, is afraid to leave the house, is afraid she'll never figure out who she really is. Jo just wants out. Wishing she could skip to graduation, she dreams of a life in New York City and a career in journalism where she can impact the world. Nothing can stop her—not even love. And Amy, the youngest, is watching all her sisters, learning from how they handle themselves. For better or worse. With plenty of sass, romance, and drama, *The Spring Girls* revisits Louisa May Alcott's classic *Little Women*, and brings its themes of love, war, class, adolescence, and family into the language of the twenty-first century.

EVE OF WARFARE Lycans, vampires, and cherubs... oh my. All Evangeline Hollis wants is to stay out of trouble long enough to lose the Mark of Cain, which drafted her into hunting demons for God. A former agnostic, she's still recovering from being the latest

point of contention between the two men in her life--Cain and Abel. Now she's working for a cherub who thinks putting her undercover as a housewife is the best way to ferret out a rogue vampire hiding in an idyllic Orange County, California residential community. Eve knows when she's being used as a pawn in the celestial political game. Now, she just has to figure out who's the greater threat: the vampire she's hunting, the cherub yanking her chain, or the two brothers vying to play the role of her spouse--'til death do them part. Which in her line of work, could happen any minute... EVE OF SIN CITY Sin City--Las Vegas--is home to humans and Infernals of all sorts: the good, the bad, and the ugly. If you ask Evangeline Hollis, "good" is in short supply, "ugly" might be amusing, but "bad" is most definitely her business. Eve is a Mark, a heavenly bounty hunter, and Las Vegas is her territory.
