TYRESE COOPER

Heather Has Two Mommies Harlequin
 Das Leben von Mordermittler Levi Abrams ist aus den Fugen geraten - nach einer Schießerei ist er immer noch seelisch angeschlagen, und die Beziehung mit seinem Freund kriselt. Das Letzte, was er jetzt gebrauchen kann, ist ein Serienmörder, der auf den Straßen von Las Vegas sein Unwesen treibt. Und da ist auch noch der Kopfgeldjäger Dominic Russo, der ihm mit seinem Charme auf die Nerven geht und dem er ständig unfreiwillig über den Weg läuft. Dominic schätzt sein unkompliziertes Leben, und das bedeutet: kein Umgang mit Cops - vor allem nicht mit kratzbürstigen, verklemmten Detectives. Dann stolpert er

jedoch durch Zufall über das jüngste Opfer der grausamen Pik-Sieben. Der Mörder ist gnadenlos und den Ermittlern immer zwei Schritte voraus. Schlimmer noch, er hat ein gefährliches persönliches Interesse an den beiden entwickelt. Gezwungen, einander zu vertrauen, versuchen sie, ihn zu stellen. Doch im Gegensatz zu Levi und Dominic hält die Pik-Sieben alle Trumpfkarten in der Hand ... »Kill Game« ist der erste Band der fünfteiligen Thriller-Serie von Cordelia Kingsbridge. Die Bücher enthalten explizite homoerotische Szenen sollten in der richtigen Reihenfolge gelesen werden.
Kill Game Can't Hide from MeRunning into your ex is hard enough without a dangerous stalker in the mix. Charles Hunter's team is on a mission to extract an unidentified ATF agent from an undercover job gone wrong. All they've got to go on is the rendezvous location -- until Charles

recognizes the ex he hasn't seen in years. Their "simple rescue mission" is about to get a lot more complicated. For ngel Medina, adjusting to life after his cartel nightmare is hard enough without confronting memories of a failed relationship. All he wants is a fresh start. But when a violent stalker lashes out from the shadows, ngel realizes his nightmare is far from over. As the stalker's obsession escalates and bodies start dropping, Charles and ngel are thrown together in a desperate search for the culprit. Tempers flare and old passions reignite, drawing them back into the same turbulent relationship that once ended in disaster. But the stalker isn't letting go -- and the next strike might hit straight through the heart. Where Death Meets the Devil Jack Reardon, former SAS soldier and current Australian Meta-State asset, has seen some messy battles. But "messy" takes on

a whole new meaning when he finds himself tied to a chair in a torture shack, his cover blown wide open, all thanks to notorious killer-for-hire Ethan Blade. Blade is everything Jack doesn't believe in: remorseless, detached, lawless. Yet, Jack's only chance to survive is to strike a bargain with the devil and join forces with Blade. As they trek across a hostile desert, Jack learns that Blade is much more than a dead-eyed killer--and harder to resist than he should be. A year later, Jack is home and finally getting his life on track. Then Ethan Blade reappears and throws it all into chaos once more. It's impossible to trust the assassin, especially when his presence casts doubts on Jack's loyalty to his country, but Jack cannot ignore what Blade's return means: the mess that brought them together is far from over, and Ethan might just bring back the piece of Jack's soul he thought he'd lost forever.

Love and Treachery on the High Seas
Candlewick Press (MA)

K. M. Szpara's *Docile* is a science fiction parable about love and sex, wealth and debt, abuse and power, a challenging tour de force that at turns seduces and startles. There is no consent under capitalism. To be a *Docile* is to be kept, body and soul, for the uses of the owner of your contract. To be a *Docile* is to forget, to disappear, to hide inside your body from the horrors of your service. To be a *Docile* is to sell yourself to pay your parents' debts and buy your children's future. Elisha Wilder's family has been ruined by debt, handed down to them from previous generations. His mother never recovered from the *Dociline* she took during her term as a *Docile*, so when Elisha decides to try and erase the family's debt himself, he swears he will never take the drug that took his mother from him. Too bad his contract has been purchased by Alexander Bishop III, whose ultra-rich family is the brains (and money) behind *Dociline* and the entire Office of Debt Resolution. When Elisha refuses *Dociline*, Alex refuses to believe that his family's crowning achievement could have any negative side effects—and is determined to turn Elisha into the perfect *Docile* without it. Content warning: *Docile* contains forthright depictions and discussions of rape and sexual abuse.
