The soccer-mad gang from Brunswick Valley School featured in Robert Rayner's two previous books for this series is back, gathering every Saturday afternoon to play a friendly game against friends from a neighboring town. A well-meaning adult spots potential in some of the players and offers guidance, inspiring parents of the other side to get their own coach. As the games become more structured, they become more serious -- and less fun. It's up to the kids to find a way to reclaim the spirit of the sport. Just for Kicks is another comical installment in the series that includes Walker's Runners and Miss Little's Losers. [Fry Reading Level - 4.1

Barbara, a Playboy bunny, is delectable. Richard loves her. He abandons his life in London, a steady girlfriend, and a job, and

flies to Los Angeles in search of Barbara and the romanticized America he's seen only in the movies. Richard obsessively pursues Barbara through a series of misadventures that take him from photography sessions in the desert to encounters with men in gorilla suits and "surf Nazis." Eventually he succeeds in wooing her, and they marry, bathed in the neon lights of Las Vegas. But their happiness unravels, and Barbara skips out. Richard determines to win her back; then he, too, takes flight, as the happy ending he had envisioned for their lives fades to black in the film capital of the world. Brilliantly candid and comedic, Richard Rayner's ironic first book is a cult favorite—later filmed starring David Tennant, Julie Delpy and Johnny Depp—and a dazzling travelogue of love, loss, and all destinations in between. *Mathematics* OUP Oxford

Wie groß die Gefahr allerdings nicht nur für das Schiff, sondern für den ganzen blauen Planeten wird, ahnt allerdings noch niemand auf der Keiko ... »Fans von abgefahrenen Weltraum-Abenteuern werden dieses Buch lieben!« Publishers Weekly Weitere Abenteuer von Ichabod Drift und seiner Crew: Dark Run Dark Sky
