Robert Ludlum's (TM) *The Bourne Deception* Grand Central Publishing

Jason Bourne is one of the most popular and compelling characters in modern fiction. Originally created by bestselling author Robert Ludlum, now New York Times bestselling writer Eric Van Lustbader carries on Ludlum's legacy with a new novel about the rogue secret agent who has lost his memory . . . Jason Bourne has been pursued by powerful governments--and escaped. Hunted by the most skilled assassins in the world--and outsmarted them. Targeted by terrorists--and defeated their plans for global chaos. But now, Bourne wants only one thing: retribution. **THE BOURNE RETRIBUTION** Bourne's friend Eli Yadin, head of Mossad, learns that Ouyang Jidan, a senior member of China's Politburo, and a major Mexican drug lord may have been trafficking in something far more deadly than drugs. Yadin needs Bourne to investigate. Bourne agrees, but only because he has a personal agenda: Ouyang Jidan is the man who ordered Rebeka--one of the only people Bourne has ever truly cared about--

murdered. Bourne is determined to avenge her death, but in the process he becomes enmeshed in a monstrous world-wide scheme involving the Chinese, Mexicans, and Russians. Bourne's increasingly desperate search for Ouyang takes him from Tel Aviv to Shanghai, Mexico City, and, ultimately, a village on China's coast where a clever trap has been laid for him. Bourne finds himself pursued on all sides and unsure whom he can trust. As he moves closer to Ouyang, closer to avenging the woman he loved, he also moves ever closer to his own death . . .

**Robert Ludlum's The Cassandra Compact** Penguin

#1 NEW YORK TIMES BESTSELLER His memory is a blank. His bullet-ridden body was fished from the Mediterranean Sea. His face has been altered by plastic surgery. A frame of microfilm has been surgically implanted in his hip. Even his name is a mystery. Marked for death, he is racing for survival through a bizarre world of murderous conspirators--led by Carlos, the world's most dangerous assassin. Who is Jason Bourne? The answer may kill him. **BONUS:** This edition includes an excerpt from Robert Ludlum's *The Bourne Supremacy*.

**Robert Ludlum's The Bourne Sacrifice** G.P. Putnam's Sons

In the much-anticipated sequel to the "magnificent fantasy epic" (NPR) *Grace of Kings*, Emperor Kuni Garu is faced with the

invasion of an invincible army in his kingdom and must quickly find a way to defeat the intruders. Kuni Garu, now known as Emperor Ragin, runs the archipelago kingdom of Dara, but struggles to maintain progress while serving the demands of the people and his vision. Then an unexpected invading force from the Lyucu empire in the far distant west comes to the shores of Dara—and chaos results. But Emperor Kuni cannot go and lead his kingdom against the threat himself with his recently healed empire fraying at the seams, so he sends the only people he trusts to be Dara's savvy and cunning hopes against the invincible invaders: his children, now grown and ready to make their mark on history.

**Robert Ludlum's (TM) The Bourne Objective** Grand Central Publishing

Jason Bourne is back in this "rollicking roller coaster ride of spy games" as a riddle leaves Bourne with less than four days to prevent a cataclysmic international war" (BookReporter.com). On the eve of Russian general Boris Karpov's wedding, Jason Bourne receives an enigmatic message from his old friend and fellow spymaster. In Moscow, what should be a joyous occasion turns bloody and lethal. Now Bourne is the only one who can decipher Karpov's cryptogram. He discovers that Karpov has betrayed his sovereign to warn Bourne of a crippling disaster about to be visited on the world. Bourne has only four days to discover the nature of the disaster and stop it. The trail Karpov has been following leads Bourne to Cairo and the doorstep of Ivan Borz, the elusive international arms dealer infamous for hiding behind a never-ending series of false identities, a man Bourne has been hunting ever since he abducted former Treadstone director Soraya Moore and her two-year-old daughter and brutally murdered Soraya's husband. Bourne must travel to war-torn Syria and then Cyprus as he chases the astonishing truth. The clock is ticking, and Bourne has less than four days to solve Karpov's riddle--and hunt down Borz--if he hopes to prevent a cataclysmic international war . . .

**Robert Ludlum's (TM) The Bourne Sanction** Hachette UK  
America's most enduring hero, Jason Bourne, returns in a propulsive, fresh story for the Bourne canon that tests old skills--and uncovers new ones. After the death of his lover in a mass shooting, secret agent Jason Bourne is convinced that there is more to her murder than it seems. Worse, he believes that Treadstone--the agency that made him who he is, that trained him--is behind the killing. Bourne goes rogue, leaving Treadstone behind and taking on a new mission to infiltrate and expose an anarchist group, Medusa. But when a congresswoman is assassinated in New York, Bourne is framed for the crime, and he finds himself alone and on the run, hunted by both Treadstone and the tech cabal that had hired him. In his quest to stay one step ahead of his enemies, Bourne teams up with a journalist, Abby Laurent, to figure out who was behind the frame-up, and to learn as much as he can about the ever-growing threat of the mysterious Medusa group. As more and more enemies begin to hunt Bourne, it's a race against the clock to discover who led him into a trap...and what their next move may be.

**Robert Ludlum's the Treadstone Resurrection** St. Martin's Griffin  
Presents a brief biography of the warrior and tribal chief of the Sioux Indians and surveys the history, culture, religion, and daily life of the Plains Indians, relations between Indians and white settlers, and the displacement of tribes onto reservations.

**Robert Ludlum's The Hades Factor** Grand Central Publishing  
Did J. Edgar Hoover die a natural death? Or was he murdered? When a group of high-minded and high-placed intellectuals known as Inver Brass detect a monstrous threat to the country in Hoover's unethical use of his scandal-ridden private files, they decide to do away with him—quietly, efficiently, with no hint of

impropriety. Then bestselling thriller writer Peter Chancellor stumbles onto information that makes his previous books look like harmless fairy tales. Now Chancellor and Inver Brass are on a deadly collision course, spiraling across the globe in an ever-widening arc of violence and terror. All roads lead to a showdown that will rip the nation's capital apart—leaving only one damning document to survive. Praise for Robert Ludlum and *The Chancellor Manuscript* “[The Chancellor Manuscript] exerts a riveting appeal, as it seems to justify our worst nightmares of what really goes on in the so-called intelligence community in Washington.”—The New York Times Book Review “Ludlum stuffs more surprises into his novels than any other six-pack of thriller writers combined.”—The New York Times “Powerhouse momentum . . . as shrill as the siren on the prowler car.”—Kirkus Reviews “A complex scenario of inventive double-crossing.”—Chicago Sun-Times

**Robert Ludlum's (TM) The Bourne Betrayal** Bantam

When his part in the settlement of a hostage crisis is revealed, congressman Evan Kendrick becomes the pawn of those who wish to make him president and the target of terrorists seeking revenge.

**Robert Ludlum's (TM) The Bourne Dominion** Bantam

Jason Bourne and a former ally join forces to take down a murderous tech giant in the latest electrifying entry in Robert Ludlum's New York Times bestselling series. Abby Laurent is an investigative reporter. The last time she worked with Jason Bourne she almost lost her life, but now she's deep into the biggest story of her career. If she can prove her case, she'll rock governments from DC to Europe. Obviously with that much on the line there are a lot of people who are willing to take her off the board. She has only one option--find Bourne and convince him to help her.

**Kindred Intentions** Puffin Books

" Kids are dying miseriously at a Swiss boarding school, and Alex Rider, reluctant teen superspy, is going undercover to find out why. But the mystery he uncovers is more nefarious than he ever expected, and now the clock is ticking on Alex's mission. Is his luck about to run out?" from the back cover.

**Jason Bourne Book #3** Penguin

Already devastated by loss, Bourne is shattered by a report that his last friend in the world, Martin Lindros has gone missing. A CI deputy director, Lindros was in Ethiopia tracking suspicious shipments of yellowcake uranium and atomic bomb weaponry. His last lifeline to humanity, Bourne will not let Lindros go. Despite his hatred for CI, Bourne sets out to rescue his friend and finish the job: dismantling a terrorist network determined to build nuclear armaments by cutting off their source of money. But Bourne doesn't realize that these men, Islamic supremacists, are leaders of an incredibly dangerous, technologically savvy group with ties from Africa, across the Middle East, and into Eastern Europe and Russia. They have predicted Bourne's every move, and are counting on his unwitting help in their plans to destroy America.

**The Chancellor Manuscript** Bantam

After Bourne is ambushed and nearly killed while in Indonesia, he fakes his death to take on a new identity and mission- to find out who is trying to assassinate him. In the process, Bourne begins to question who he really is and what he would become if he no longer carried the Bourne identity. Across the globe, an American passenger airliner is shot down over Egypt--apparently by an Iranian missile--leaving the world wondering if it was an accident or an act of aggression. A massive global team lead by Soraya Moore is assembled to investigate the attack before the situation escalates. When Bourne's search for his would-be assassin intersects with Soraya's search for the group behind the airplane

bombing, Bourne is thrust into a race to prevent a new world war. But it may already be too late.

*The 4-hour Workweek* Rita Carla F. Monticelli

The fate of the free world is in one man's hands...A superb thriller from the No.1 bestselling author. After three years deep undercover, US agent Harry Latham has penetrated the fortress-like mountain hideaway of the Brotherhood of the Watch, a neo-Nazi organisation born after the fall of the Third Reich. Then, on the eve of his most spectacular success, Harry disappears. Drew Latham is frantic to discover his older brother's fate. But when he receives word that Harry has surfaced, serious doubts arise. Has Harry's cover been blown? And if so, why has the Brotherhood of the Watch let him live? The search for the truth about Harry plunges Drew into a labyrinth of deceit and death...

Jason Bourne returns to Georgetown University and the mild world of his alter ego, David Webb, hoping for normalcy. But after so many adrenaline-soaked years of risking his life, Bourne finds himself chafing under the quiet life of a linguistics professor. Aware of his frustrations, his academic mentor, Professor Specter, asks for help investigating the murder of a former student by a previously unknown Muslim extremist sect. The young man died carrying information about the group's terrorist activities, including an immediate plan to attack the United States. The organization, the Black Legion, and its lethal plot have also popped up on the radar of Central Intelligence, where new director Veronica Hart is struggling to assert her authority. Sensing an opportunity to take control of CI by showing Hart's incompetence, National Security Agency operatives plan to accomplish what CI never could--hunt down and kill Bourne. In Europe, Bourne's investigation into the Black Legion turns into one of the deadliest and most tangled operations of his double life--the pursuit of the leader of a murderous terrorist group with roots in the darkest days of World War II--all while an assassin as brilliant and damaged as himself is getting closer by the minute .

**The Bourne Identity** Bantam

Jason Bourne is searching for an elusive cadre of terrorists planning to destroy America's most strategic natural resources--and needs the help of his longtime friend, General Boris Karpov. Karpov, the newly appointed head of Russia's most feared spy agency, FSB-2, is one of the most determined, honorable, and justice-hungry men that Bourne knows. But Karpov has made a deal with the devil. In order to remain the head of FSB-2, he must hunt down and kill Bourne. Now, these two trusted friends are on a deadly collision course. From the Colombian highlands to Munich, Cadiz, and Damascus, the clock is counting down to a disaster that will cripple America's economic and military future. Only Bourne and Karpov have a chance to avert the catastrophe--but if they destroy each other first, that chance will be gone forever. THE BOURNE DOMINION Jason Bourne is one of the most compelling and best loved characters created by internationally bestselling novelist Robert Ludlum. The hero of eight novels, including *The Bourne Identity* and *The Bourne Supremacy*, Bourne has also been featured in three blockbuster movies starring Matt Damon. Now, New York Times bestselling author Eric Van Lustbader presents a new story about the rogue secret

agent who has lost his memory.

*THE SCARLATTI INHERITANCE* Penguin

24 hours. 2 people. 1 target. It was 10 a.m. when undercover agent Amelia Jennings arrived at the law firm Goldberg & Associates for a job interview. Her mission was to investigate a series of murders involving some well-known lawyers in the City. Her target, an elusive hired killer who had been of interest to the police for months. But her plan is doomed to fall apart before it even starts. In less than twenty-four hours Amelia will be the prey in a man hunt and her destiny will become entwined with Mike Connor's. Their intentions, apparently similar, may prove to be opposite, but the affinity binding them goes beyond what they think they know about each other. One day to survive. One day to let go of the past.

*Escape 9-5, Live Anywhere, and Join the New Rich* St. Martin's Griffin

The first novel in an explosive new series inspired by Robert Ludlum's Bourne universe, *The Treadstone Resurrection* introduces an unforgettable hero and the shadowy world that forged him... Treadstone made Jason Bourne an unstoppable force, but he's not the only one. Operation Treadstone has nearly ruined Adam Hayes. The top-secret CIA Black Ops program trained him to be an all but invincible assassin, but it also cost him his family and any chance at a normal life. Which is why he was determined to get out. Working as a carpenter in rural Washington state, Adam thinks he has left Treadstone in the past, until he receives a mysterious email from a former colleague, and soon after is attacked by an unknown hit team at his job site. Adam must regain the skills that Treadstone taught him--lightning reflexes and a cold conscience--in order to discover who the would-be killers are and why they have come after him now. Are his pursuers enemies from a long-ago mission? Rival intelligence agents? Or, perhaps, forces inside Treadstone? His search will unearth secrets in the highest levels of government and pull him back into the shadowy world he worked so hard to forget.

*Robert Ludlum's The Treadstone Exile* Weidenfeld & Nicolson

An edition expanded with more than 100 pages of new content offers a blueprint for a better life, whether one's dream is escaping the rat race, experiencing high-end world travel, earning a monthly five-figure income with zero management or just living more and working less.

*The Bourne Legacy* Bantam

"Twenty years ago, top agents from the CIA and KGB banded together to bring down the Matarese Circle, an international cabal of power brokers and assassins whose sole objective was to achieve worldwide economic domination. Now the bloody Matarese dynasty is back--and the only man with the power to stop it may have already run out of time. CIA case officer Cameron Pryce is hot on the trail of the new Matarese alliance. His only chance to terminate its ruthless activities is to follow the trail of blood money and stone-cold killers right to the heart of its deadly conspiracy. From the Hamptons to London's Belgrave Square, Matarese assassins have already struck with brutal efficiency, eliminating all who stand in their way. Their chain of violence is impossible to stop--until Pryce gets a rare break. One of the Matarese's victims survives long enough to whisper dying words that will blow the case wide open: the top secret code name for legendary retired CIA agent Brandon Scofield--the only man who has ever infiltrated the Matarese inner circle and lived to tell about it"--
