## MAYA BUCKLEY

The Golden Prime Ballantine Books  
 Applying Social Cognition to Consumer-Focused Strategy, a book in the Advertising and Consumer Psychology series sponsored by the Society for Consumer Psychology, focuses on the most important recent developments at the interface of social cognition and marketing, and develops integrative theoretical frameworks with rich practical implications. More specifically, the chapters offer a novel and thought-provoking perspective on consumer-focused strategy--or the effects of marketing stimuli and activities on an integrated system of consumer processes and responses. Divided into four parts, this

book: \*offers new perspectives on consumer information processing, selective or one sided information processing, and attribution theory; \*discusses how asking questions in focus groups, surveys, and experiments leads consumers to create opinions that would not have occurred to them otherwise; \*advances a new approach for modeling uncertainty and a new framework for thinking about uncertainty; \*summarizes recent developments concerning the Implicit Association Test and their implications for branding strategy; \*develops a new approach for analyzing the effects of intention on behavior and unplanned purchase behaviors; \*discusses the devaluation effect and shows both how implementation intentions can be used to increase new product consumption and also how promotion versus prevention regulatory focus influences consumer

preferences; and \*focuses on consumer information processing and persuasion. The text is intended for advanced graduate students, academics, and practitioners who embrace cutting-edge paradigms and methodologies in social-cognitive consumer research.

 The Prime Minister is the fifth of the "Palliser" series of novels. When neither the Whigs nor the Tories are able to form a government on their own, a fragile compromise coalition government is formed, with Plantagenet Palliser, the wealthy and hard-working Duke of Omnium, installed as Prime Minister. The Duchess, formerly Lady Glencora Palliser, attempts to support her husband by hosting lavish parties at Gatherum Castle in Barsetshire, a family residence barely used until now. Palliser, initially unsure

that he is fit to lead, then grows to enjoy the high office and finally becomes increasingly distressed when his government proves to be too weak and divided to accomplish anything. His own inflexible nature does not help... Anthony Trollope (1815 - 1882) was one of the most successful, prolific and respected English novelists of the Victorian era. Some of his best-loved works, collectively known as the Chronicles of Barsetshire, revolve around the imaginary county of Barsetshire. He also wrote perceptive novels on political, social, and gender issues, and on other topical matters. Trollope's literary reputation dipped somewhat during the last years of his life, but he regained the esteem of critics by the mid-twentieth century.

*Prime Minister, Don't Run Away* WestBow Press

Imagine being ripped from a life of bad decisions and transposed on an alien world without any memory of your past. Our hero vanished in front of fellow investigators to discover a renovated body, the heart of a leopard, and insight that penetrates the soul. On Terradon Prime, he crawls from a pond and encounters a feral race of inhabitants, adopting the title, the Mandagral. Meanwhile, on Earth, his forgotten life spins out of control under the investigation of his disappearance. The secret's out! Three hurdles stand between him and his future: finding his lost identity, his alter ego, and two all-too-familiar antagonists. Disoriented and resentful, yet fearlessly, he begins his journey of self-discovery with the help of an oracle, who shares a kindred spirit. Will his mysterious guide help him to recover his memory without reproducing the same heartbreaking chain of tragic events that mislead him the first time? On top of all his challengers, he must resolve three intimate relationships. The mysterious and complex race against time is on.

*Prime the Pump: Genesis* WestBow Press

No one sets fire to the page like Susan Sizemore! In her sensual new vampire romance, an unsuspecting mortal is embraced in darkness and passion.... He appears out of the dark desert night -- a huge, dangerous stranger who sparks desire and fear in her like she's never known. Josephine Elliot knows only that her captor's name is Marcus Cage, and that he's on the run. But who is chasing him, and why? Is Marcus protecting her by taking her hostage...or is he planning to use her to buy his own freedom? And why, above all, is she so inexorably drawn to him, body and soul? Marcus is overwhelmed by his thirst for Josephine

and instantly recognizes her as his soul mate. Desperate to evade enemies intent on destroying him and his kind, Marcus has no choice but to take Jo on the run. But when she unwittingly betrays him to his enemies, both are thrust into mortal danger. Can their newfound love survive her deceit and spare them a dark fate? Or will their insatiable desire burn for eternity?

*Prime the Pump: Exodus* Penguin

"Modern eyes" often read right past important ancient cultural clues without realizing they have missed the point for that passage of Scripture. *Prime the Pump: Genesis* intends to relate ancient culture and practices to the biblical text in order to appreciate Scripture more, appreciate God more, and love Him better.

**The Complete Directory to Prime Time Network and Cable TV Shows, 1946-Present** AuthorHouse

My Years as Prime Minister is Jean Chrétien's own story, told with insight and humour, of his ten years at 24 Sussex Drive as Canada's twentieth prime minister. By the time he left office, Jean Chrétien had been in politics for forty years - and his experience is evident on every page of his important, engaging memoir. Chrétien loves to tell a good tale - and he does so here in the same honest, plain-spoken style of *Straight from the Heart*, his earlier bestselling account of his years as a Cabinet minister. He gives us a self-portrait of a working prime minister - the passionate Canadian renowned for finishing every speech with *Vive le Canada!* Chrétien knows how government works, and his political instincts are sharp. Through the decade 1993 to 2003 we watch as he wins three majority elections as leader of the Liberal Party of Canada. Finding the country in a dreadful state, dangerously in debt and bitterly divided, he describes how his government wiped out the deficit in just four years, helped to defeat the separatists in the cliffhanger Quebec referendum, passed the Clarity Act, and set out to fulfill the economic and social promises his party made in its famous Red Books. He reveals how and why he kept the country out of the war in Iraq - a defining moment for many Canadians; led Team Canada on whirlwind trade missions around the world; and participated in a host of major international summits. Along with his astute comments on politics and government, he gives candid portraits of a broad cast of characters. Over a beer, Tony Blair confides his hesitation about taking Britain into the Iraq War; in the corridors of the United Nations, Bill Clinton offers to speak to Quebecers on behalf of

Canadian unity; while at home, Chrétien reveals the events leading up to the departure of his finance minister, Paul Martin. He recounts the dramatic night in which his quick-thinking wife, Aline, saved him from an assassination attempt at 24 Sussex Drive; and, with lively humour, he describes how he and Clinton successfully escaped from their own bodyguards - to the consternation of all. Even in the highest office in the land, Jean Chrétien never lost his connection with ordinary Canadians. He is as warm and funny in his recollections as in person, at once combative and cool-headed, a man full of vitality and charm. Above all, from start to finish, his love for his country and his passion to keep it united run clear and deep.

**Applying Social Cognition to Consumer-Focused Strategy** Routledge New York Times bestselling author Susan Sizemore draws you into a dazzling world of seductive vampires and unquenchable cravings . . . Tobias Strahan leads the elite vampire squad known as the Dark Angels, protecting the city's paranormal denizens. It's the perfect job for an übermacho Prime . . . until clan heiress Flare Reynard stirs an obsession in him that refuses to fade. Flare's mother—desperate for a grandchild—has made Tobias an intriguing proposition, and it's soon clear to Tobias that Flare is nothing like the spoiled princess he'd assumed her to be. She's smart as hell, wickedly funny, and loyal, and Tobias knows deep within that she is his bondmate—the bondmate every Prime searches for. Flare has every intention of

providing her clan with children—but on her own terms. That means a donor and a clinic, not a wild tumble with the most potent Prime of them all. Flare knows it's a mistake to get close to a warrior like Tobias, since their searing connection puts her heart, his loved ones, their entire world at risk. But logic is no match for fierce, instinctive desire. . . .

**Social Cognition** Prabhat Prakashan A New York Times Sports and Fitness Bestseller An eye-opening exploration of how the human body can best recover and adapt to sports and fitness training. In recent years recovery has become a sports and fitness buzzword. Anyone who works out or competes at any level is bombarded with the latest recovery products and services: from drinks and shakes to compression sleeves, foam rollers, electrical muscle stimulators, and sleep trackers. In *Good to Go*, acclaimed *FiveThirtyEight* science writer Christie Aschwanden takes readers on an entertaining and enlightening tour through this strange world. She investigates whether drinking Gatorade or beer after training helps or hinders performance; she examines the latest trends among athletes, from NFL star Tom Brady's infrared pajamas to gymnast Simone Biles' pneumatic compression boots to swimmer Michael Phelps's "cupping" ritual; and she tests some of the most controversial methods herself, including cryochambers, float tanks, and infrared saunas. At a time when the latest recovery products and services promise so much, *Good to Go* seeks answers to the fundamental question: Do any of them actually help the body recover and achieve peak performance?

**Palliser novels. The Prime Minister II** Partridge Publishing Singapore Humane, witty, wise and full of practical advice: India Knight's guide to ageing is the book every woman has been waiting for. 'Our mothers' fifty is not our fifty. We have no map, no blueprint, no nothing. We have no sense of what is and isn't age-appropriate, or even of whether age-appropriateness is still relevant. We're supposed to be grown-up, but we seldom feel it.' Part guide, part memoir, part manual, in *In Your Prime* India Knight seeks to provide proper, weighty answers to the questions women are asking themselves now. Covering a wide range of subjects from clothes and cosmetics, being a parent to older children, having older parents and what that entails, and of course, the menopause, *In Your Prime* is the definitive, much-needed guide to approaching middle age with confidence and panache. India Knight is the author of

three previous novels: *My Life on a Plate*, *Don't You Want Me* and *Comfort and Joy*. Her non-fiction books include *The Shops*, the bestselling diet book *Neris and India's Idiot-Proof Diet*, the accompanying bestselling cookbook *Neris and India's Idiot-Proof Diet Cookbook* and *The Thrift Book*. India is a columnist for the *Sunday Times* and lives in London with her three children.

**Crave the Night** Simon and Schuster Most books about continuous and process improvement are written in a textbook format with straightforward information and plenty of graphs and charts to convey the points being made. Sometimes, even the best step-by-step instructions can escape even the most adamant of followers for an improvement method in determining exactly how to apply what they've learned. Taking a different approach, *Focus and Leverage* is presented in an engaging business-novel format and is a sequel to the authors' bestselling book, *Epiphanized*, Second Edition. The primary characters remain the same, but this time the storyline features two different industries: Maintenance, Repair, and Overhaul (MRO) and Healthcare (hospital) environments. This book expands and highlights the two improvement methods first introduced in the appendix section of *Epiphanized*: the Interference Diagram (ID)/Intermediate Objectives (IO) map (ID/IO Simplified Strategy) and Multiple-Drum-Buffer-Rope (M-DBR). Both of these innovative methods are the result of some much-focused thinking that allows for multiple improvement methods, and steps, to be combined into a single thinking process tool. This groundbreaking new method is designed to save time and money and allows faster and better results to be achieved. The two storylines move the reader through the necessary system analysis, problem identification, and solution implementation. The novel format aids in presenting several realistic situational discussions as well as a multitude of graphs and figures to explain the step-by-step process for success. The storyline of this book weaves some well-known and some not-so-well-known thinking tools into the problem-solving sphere to provide you with an understanding of how to first discover and then overcome issues not readily known or expected at the start of any project. **Christ's New Address** Simon and Schuster I Thirst for You Simon and Schuster **Good to Go: What the Athlete in All of Us Can Learn from the Strange Science of Recovery** Guilford Press Perfect for fans of *Moneyball* and *The Book*

of Basketball, this vivid, thoroughly entertaining, and well-researched book explores the NBA's surge in popularity in the 1970s and 1980s and its transformation into a global cultural institution. Far beyond simply being a sports league, the NBA has become an entertainment and pop culture juggernaut. From all kinds of team logo merchandise to officially branded video games and players crossing over into reality television, film, fashion lines, and more, there is an inseparable line between sports and entertainment. But only four decades ago, this would have been unthinkable. Featuring writing that leaps off the page with energy and wit, journalist and basketball fan Pete Croatto takes us behind the scenes to the meetings that lead to the monumental American Basketball Association-National Basketball Association merger in 1976, revolutionizing the NBA's image. He pays homage to legendary talents including Julius "Dr. J" Erving, Magic Johnson, and Michael Jordan and reveals how two polar-opposite rookies, Larry Bird and Magic Johnson, led game attendance to skyrocket and racial lines to dissolve. Croatto also dives into CBS's personality-driven coverage of key players, as well as other cable television efforts, which launched NBA players into unprecedented celebrity status. Essential reading whether you're a casual or longtime fan, *From Hang Time to Prime Time* is an enthralling and entertaining celebration of basketball history.

*Primal Instincts* CRC Press

In her steamy vampire romances, acclaimed author Susan Sizemore pits vampires against mortals, destiny against desire....By popular demand, all three novels are now available in this paperback collectible. *I Burn for You* Battling the dark hollows of his soul, vampire Alec Reynard undergoes secret medical treatments that allow him to bear daylight. Living a double life as a bodyguard, he must also battle his powerful attraction to Domini Lancer, a mere mortal -- and, unbelievably, his soul mate. When danger threatens, he kidnaps Domini to protect her but wonders: will she accept the darkness within him -- or is she a vampire slayer who's cleverly infiltrated his clan? *I Thirst for You* Josephine Elliot knows only that the stranger who appeared out of the dark desert night and took her captive is named Marcus Cage and that he's on the run. A vampire, Marcus is overwhelmed by his

thirst for Josephine and instantly recognizes her as his soul mate -- but when she unwittingly betrays him, both are thrust into mortal danger. Can their newfound love survive or is their insatiable desire doomed? *I Hunger for You* Mia Luchese, who comes from a long line of vampire hunters, doesn't know that Colin Foxe broke off their blistering affair because he's a vampire. After she's attacked by evil vamps and Colin rescues her, their real identities must be revealed for them to get to the bottom of the attack. But even a generations-old enmity that should rip them apart cannot break the bond that has their souls hungering for an eternity of ecstasy in each other's arms....
