Iron John A Book AboutIron John: A Book About Men is a book by American poet Robert Bly, and an exegesis of Iron John, a parable belonging to the Grimms' Fairy Tales (1812) by German folklorists Brothers Grimm about a boy maturing into adulthood with help of the wild man.. Published in 1990 by Addison-Wesley, the book is Bly's best-known work, having spent 62 weeks on The New York Times Best Seller list and went on ...Iron John: A Book About Men - WikipediaIron John is the first book I've read that's specifically aimed at for fathers of boys. It is a wonderfully written, and very poignant tome about the critical journey that all men must become aware of if they are to be successful in their world. I think the most vital part of the book is the "Iron John story" that is in the BACK of the book.Amazon.com: Iron John: A Book about Men (9780306824265 ...Iron John (1990) Robert Bly Robert Bly is a well-respected American poet.
