"This helpful text represents another brick in the wall for social workers and social work students seeking to make sense of personalisation/person-centred support, personal budgets and the changing role of social work in the future ... This book will help all concerned with social work make better sense of what this should look like - if it is to support social justice, inclusion and equality." Professor Peter Beresford OBE, Brunel University and Chair, Shaping Our Lives "This informative text bases the Personalisation discussion on real life examples and perspectives, providing a balanced account of the opportunities and obstacles faced by all stakeholders engaged in this agenda The final chapter on managing change provides the reader with an opportunity to step forward in time and consider how Personalisation might be located within the historical timeline of delivering social care and whether concepts of co-production, empowerment and citizenship can in fact become central to this agenda. A book to get you 'thinking' and 'doing'." Ali Gardner,

Senior Lecturer, Manchester Metropolitan University, UK "The authors have written a timely and highly topical book on the impact that Personalisation has and will have upon the world of Social Work. They do so in a very accessible way through highlighting the benefits of the model to all concerned, but crucially they explore some of the many concerns. In particular they address the anxieties expressed by qualified social workers upon their future role. ... I shall certainly draw upon the text for my own teaching and learning and will encourage students and practitioners to do the same." Paul Hollingdale, Course Leader, University of Huddersfield, UK Personalisation remains a huge talking point in the world of social care. This timely book addresses the tensions, opportunities and challenges faced by social workers attempting to implement personal funding and support. Written by three academics with extensive first hand experience of supporting people in personalised ways, the book highlights the ethical dilemmas and complexities of frontline practice and is grounded in a pragmatic and creative approach to personalisation. The authors offer an honest representation of positive aspects of personalisation and examine areas that cause concern. The book also: Contains scenarios based on realistic examples of supporting service users and carers Recognises the

political, social, cultural and individual factors that interplay in personalisation Provides a balance between an academic understanding of personalisation and application in practice Presents a vision for what the future would look like with fully implemented personalisation in adult social care

Ellis Island Bloomsbury Publishing USA

Logan St. James is a smoldering, sexy beast. Sure, he can be a little broody at times—but Ellie Hammond's willing to overlook that. Because, have you seen him?? Sexy. As. Hell. And Ellie's perky enough for both of them. For years, she's had a crush on the intense, protective royal security guard—but she doesn't think he ever saw her, not really. To Logan, Ellie was just part of the job—a relative of the royal family he'd sworn to protect. Now, at 22 years old and fresh out of college, she's determined to put aside her X-rated dreams of pat-downs and pillow talk, and find a real life happily ever after. The Queen of Wessco encourages Ellie to follow in her sister's footsteps and settle down with a prince of her own. Or a duke, a marquis...a viscount would also do nicely. But in the pursuit of a fairy tale ending, Ellie learns that the sweetest crushes can be the hardest to let go. *** Logan St. James grew up on the wrong side of the tracks, in a family on the wrong side of the law. But these days, he covers his tattoos and scars with a respectable suit. He's handsome, loyal, brave, skilled with his hands and...other body parts. Any woman would be proud to bring him home to her family. But there's only one woman he wants. For years he's watched over her, protected her, held her hair back when she was sick, taught her how to throw a punch, and spot a liar. He dreams of her. Would lay down his life for her. But beautiful Ellie Hammond's off-limits. Everybody knows the bodyguard rules: Never lose focus, never let them out of your sight, and never, ever fall in love.

iUniverse

Caleb Sawyer expects his senior year at Baxter High to go just as he planned. He's a member of the football team, is active in his church, has a great job, and loves hanging out with his friends at the local diner. But then he crosses paths with Ellie Thompson, the mysterious new girl in town. Ellie has a fiery personality and a tragic past. Caleb's obsession with her leads them both on adventures full of opportunities and challenges. As their connection grows, Caleb must wrestle with his fears and doubts. Practicing what you preach is not always easy, and when the unthinkable happens, Caleb wonders if there is any future for him and Ellie. With the support of his parents and friends, and the unexpected help of a kindly old widow, Caleb's faith finally comes full circle. But is there any end to the treacherous road that is his and Ellie's relationship? Is there a future and a hope for them?

Mary Ellis; Or, Life and Its Mistakes Fulton Books, Inc.

A basic introduction to the purposes and history of this great part of American immigration history.

The Prose Works of Mrs. Ellis Capstone

For about a decade, one of the most influential forces in US anti-immigrant politics was the Minuteman Project. The armed volunteers made headlines patrolling the southern border. What drove their ethno-nationalist politics? Jennifer L. Johnson spent hundreds of hours observing and interviewing Minutemen, hoping to answer that question. She reached surprising conclusions. While the public face of border politics is hypermasculine—men in uniforms, fatigues, and suits—older women were central to the Minutemen. Women mobilized support and took part in border missions. These women compel us to look beyond ideological commitments and material benefits in seeking to understand the appeal of right-wing politics. Johnson argues that the women of the Minutemen were motivated in part by the gendered experience of aging in America. In a society that makes old women irrelevant, aging white women found their place through

anti-immigrant activism, which wedded native politics to their concern for the safety of their families. Grandmothers on Guard emphasizes another side of nationalism: the yearning for inclusion. The nation the Minutemen imagined was not only a space of exclusion but also one in which these women could belong.

Ellie Random House

From one of the UK's best-loved novelists and the No.1 Sunday Times bestselling author of 'Stolen'. Ellie is a sweet-natured brunette, generous of heart with a sparkling smile and an accent which reveals her East End background. Bonny is beautiful and spoilt, with cascades of blonde hair, the brightest pair of blue eyes and a mouth like Cupid's bow. The two girls meet in London at the end of the war when, seduced by two American airmen, they pool their wits and resources and set off to make a living on the stage. Set against the hardship and austerity of post-war Britain, and the glamour and ruthlessness of life in variety theatre, their story is one of sacrifice and burning ambition. But most of all of a powerful friendship that lasts against all odds.

Disposal of Ellis Island (New York Harbor) Ellie's New Home Prepare to be swept off your feet by The Royally Series

Collection- three sexy, swoony, modern royal romances that will capture your heart, and satisfy your desire for a breathtaking happily ever after. Royally Screwed- By order of the Queen, Crown Prince Nicholas Pembroke has five months to choose a suitable bride. Then one snowy night, in New York City, he meets spirited and beautiful waitress, Olivia Hammond. Their whirlwind romance makes Nicholas question everything—who he is and who he wants to be—a King...or the man who gets to love Olivia forever. Royally Matched- Responsibility has never been Prince Henry Pembroke's strong suit. So when an unexpected heap of it is dropped in his regal lap, he reacts accordingly—by secretly signing up for a reality TV dating show. Henry plans on partying his worries away. What he doesn't plan on...is Lady Sarah Von Titebottum...the quiet, stunning, shy, librarian hiding behind a book. As Henry and Sarah grow closer, old words take on new meanings for the irresponsible royal. Words like Duty, Honor and most of all—Love. Royally Endowed- For years, broody royal bodyguard Logan St. James has watched over—and wanted—perfect, perky, beautiful Ellie Hammond, the younger sister of Princess Olivia. But he's bound by loyalty to the crown and, of course, the golden bodyguard rule: Never lose focus, never let them out of your sight, and never, ever fall in love. But Logan and Ellie are about to learn that when it comes to passion and pleasure, rules were definitely made to be broken. Royally Raised— This sweetest of short stories focuses on Henry and Sarah, 20 years after the conclusion of Royally Matched.

Spy Church Publishing, Inc.

We are Homo liturgicus—liturgical beings. But what is liturgy? What does it mean to do liturgy? How is liturgy related to the agency of God in the world? In this profound work, William Daniel discloses liturgy as the inner movement of the triune God, into which creation is gathered by and through Christ who is Liturgy. Christ the Liturgy is a work of historical and liturgical theology that articulates how we make manifest both our true selves and God through bodily comportment and particular movements. Daniel explores the participatory nature of liturgy: how we encounter our natural nature in measure with our involvement in the agency of Christ, which in turn is inseparable from the comportment and movements of others, the spatial realities of our environment, and the grammatical structure and language used to account for each. All are interwoven and affect our capacity to know and experience ourselves as bearers of divine agency—as beings known by God. Christ-centered at every turn and grounded in scripture, Daniel's work situates human agency

within the Agency of God—the Liturgy who is, a participatory ontology materialized through dispositions of faith.

My Journey Through Ellis Island Sunstone Press

Ellie's New Path is a sequel to Ellie's Path. When a true love dies, you feel that you have died with them. But life does go on.

Become Ellie and experience her new grasp on life with her new neighbors and friends.

The Sweetest Memory Gareth Stevens Publishing LLLP

What does it mean to inhabit the life of liturgy? What does it mean to be inhabited by Christ? This book offers a way to rethink what we do when we pray, so that we do not so much call on God for help but join in a conversation. Readers will learn how to think about God through certain habits and practices: how posture effects our perceptions of God and Christ, how feasting on Christ in the Eucharist shapes our understanding of the body—both our individual bodies and the body of the Church. The author also offers tools for forming a deliberate rule of life to ground readers in the transcendent life of liturgy. Readers will recognize the inseparability of the tables of their homes and the Eucharistic Table, relating daily life with Eucharistic life. Dr. Daniel connects the language of the Book of Common Prayer with the everyday realities of ordinary life, compelling the worshiper to discern how daily practices correspond with or fight against her participation in the Eucharistic economy.

Christ the Liturgy Angelico Press

When Ellie's father moves the family from England to Upper Canada, then travels alone to find land, Ellie finds it difficult to adjust to pioneer life with another family.

Grandmothers on Guard McGraw-Hill Education (UK)

First published in 1979, Havelock Ellis is a biography of the philosopher of sex. Havelock Ellis trained first as a doctor but soon broke out of conventional medicine to shock Victorian England with his encyclopaedic seven-volume work, *Studies in the Psychology of Sex*. One of the last representatives of the days when man could attempt to embrace a universal view, he wrote more than fifty books covering such diverse subjects as medicine, eugenics, love, literature, criminal law, and above all, sex. These were strewn with findings on many major problems which still trouble us today and some of his solutions remain highly contemporary. His influence permeated many areas of social thinking, and his works played a considerable part in changing attitudes towards homosexuality, the relation between the sexes and sexual patterns of behaviour. The present biography reassesses the main themes of Ellis' work and throws new light on many aspects of his life from a wide variety of published and unpublished sources. It also provides a new account of his relationship with Freud from unpublished sources and an evaluation of their inter-related work. This book will be of interest to students of philosophy and psychology.

Sir Ellis Clarke Monsoon Books

This is a true story of mercy, healing, and deliverance. Ellis Shortridge was born and raised in Grundy, Virginia, in 1917.

When Ellis was just a young man, he came to know Jesus, and his whole life was changed. As he read his Bible, he claimed all the promises. Ellis knew and believed God could do anything. He was called to a ministry of healing and deliverance, and God used him in a great way. At that time, there was not a Pentecostal Church anywhere in the county where Ellis lived. After holding meetings in people's homes, God blessed Ellis and his two brothers, Hassel and Ed, to build the first church there. God supplied all the land and material to build it. Today it has grown to become a large church and is still doing work for God.

Ellie's New Home Page Publishing Inc

Smart. Funny. Fearless. "It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade

New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

The Royally Series Collection Publishamerica Incorporated

Enjoy this heartwarming, sweet and wholesome romance from New York Times bestselling author, Melissa Storm . . . Can she emerge from the wreckage of her past to discover who she's truly meant to be? Ellie was lucky to survive what should have been a fatal accident. Unfortunately, she woke up with no memories of her past or what her life was before. Recovery is slow, but each night she dreams of the same nameless, faceless man. It's clear she loved him once, but she has no idea who he was or why he abandoned her in her hour of need. And as Ellie's memories slowly continue resurface, she is horrified by the type of person she was before and questions how anyone could have ever loved her as she was. Will she treat the accident as a second chance to right the mistakes of her past while forging a new future? Or will she risk everything that's left in an attempt to reunite with the man that only her heart remembers? Join Ellie and Liz at this healing Anchorage horse ranch in an unforgettable tale of new beginnings, second chances, and finding where you belong from a New York Times bestselling author. *** Keywords: clean & wholesome romance, clean and wholesome, inspirational women's fiction, contemporary women's fiction, sweet romance, christian romance, fiction for women, clean fiction, opposites attract romance, book club recommendations, animal fiction, wholesome new adult fiction, women's saga, alaskan fiction, winter sports fiction, romance set in Alaska Perfect for readers of Fern Michaels, Debbie Macomber, Cathryn Brown, Katie Winters, Rachel Hanna, Grace Meyers, Jessie Gussman, Sage Parker, Susan Mallery, Hanna Hart, Carolyn Brown, Natalie Dean, Meredith Summers, B.E. Ellie; or, Nothing perfect here. By **K.M.W.** Taylor & Francis ELLIE'S ALBATROSS follows Ellie Price; a chronically-ill former marathon runner, who sets out on a life-affirming journey to uncover the secrets to her healing— after suffering an unexpected and devastating loss. She is faced with two choices: succumb to the grief, or find a way to bring meaning to her life again. Award winning author Ron Prasad delivers an inspiring story about rediscovering love, hope, and inner strength— to ultimately, bring light to the darkness. This novel was written as a fictionalized love letter to the author's wife who herself, suffers from illness— and invites readers to stand up and cheer on this most resilient of female protagonists; one of whom, perhaps, they can see themselves in.

I Am Albert Ellis Emma Chase, LLC

50 Movie Music Moments comprises a wide-ranging collection of analyses of some of the most fascinating uses of music in modern Hollywood cinema. Considering narrative strategies, filmmaking techniques, functions of film music, audience engagement and conditioning, cultural implications, and intertextuality, the case studies gathered here introduce music as a crucial element of film. In 50 examples drawn from popular and critically acclaimed Hollywood films from the late 1950s to the present, the collection showcases the many dimensions of film music and its role in cinematic storytelling. Each example includes an analysis addressing the film's context and providing a close reading of how music, narrative, and visual elements of the scene interact. Case studies exploring the role of music in film include Amadeus, Gladiator, Baby Driver, The Dark Knight, Philadelphia, Schindler's List, and Black Panther. This invaluable collection offers an ideal resource to support undergraduate and graduate courses in film music history, film scoring, and filmmaking, as well as readers with a general interest in music in film.

Booktalks, Bookwalks, and Read-Alouds Taylor & Francis

Dr. Albert Ellis is one of the greatest psychologists in the world and an eminent personality from the United States. He became immortal in the history of psychology with his Rational Emotive Behaviour Therapy or REBT, which he founded in 1955. Today REBT has gained recognition and is widely followed everywhere. In the present world full of stress and strife, we all are in pursuit of peace and happiness. Based on rational and humanistic life-philosophy, REBT has helped people from all walks of life in uplifting their lives and is hence extremely popular all over the

world. This autobiographical novel gives the reader an insight into his thoughts, and his dauntless and resolute personality. Dr. Ellis lived actively and zealously till his death. He overcame several hurdles and shortcomings in his long life of 93 years only because of REBT. 'My life is my message' he said. REBT and Ellis' life were synonymous, which is proved by his life-journey. The novel unravels his emotions and puts forth his revolutionary views about sexuality in a forthright but sensitive way. It motivates the reader to introspect on his own life-philosophy, thereby enabling him to tide over his emotional problems and make life more meaningful. Readers have found the original Marathi novel, first published in 2009, to be a self-help guide. It enjoys a wide readership and is popular among psychiatrists, psychologists, counsellors, students and celebrities as well. and has thus been a consistent best-seller till date.

Ellie Finds a New Home Russell Sage Foundation

Ellie begins her life with loving parents and a stable home. Tragedy strikes when she is seven years old with the death of her mother. Her father's death one year later plunges Ellie into a nightmare of abuse and frequent moves. Her ever-changing caregivers have one thing in common—a sinister force who has made Ellie the target of his obsession. He torments Ellie until he breaks the essence of her, leaving a terrified shell where a happy child should be. Ellie endures the remaining years of her childhood and adolescence isolated emotionally, longing for love. Though broken in spirit and beaten down, she eventually finds the courage to break free. After some time as a homeless runaway, Ellie finds her way in making a life for herself. Ultimately, this is a story that will inspire and give hope to anyone who has faced challenges in life.
