*The Hidden Christ of the Old Testament* Penguin  
 This book will allow you to experience, as you read, what it was like for this woman of God, as she graciously started ministry at just 18 1/2 years old. Elder, Evangelist, Della Clark, has been called, chosen, and appointed by God to go into all the world to preach the Gospel of Jesus Christ. She is equipped and anointed to finish the work that He has called her to do. This book is a great read, and as you peel back each page, you will begin to see, that, on her journey, she has made full proof of the ministry by the power of the Holy Spirit. Elder, Evangelist, Della Clark, boldly confesses with conviction that "No devil in hell can stop it" because her work and call into the ministry is ordained by God. And I thank Christ Jesus our Lord, who hath enabled me, for that, he counted me faithful, putting me into the ministry; 1 Timothy 1:12 KJV Authors note... Keep pressing on as you are courageous and free and never held back by fear, intimidation, or defeat. The battle belongs to the Lord, and He has the final victory...  
*Goals^ in Christ* Thomas Nelson  
 In its two-thousand-year history, the Catholic Church remains an unchanging yet developing entity. Since the church's infancy, Catholic theologians have referenced the "deposit of faith," which in early years referred to the written or orally revealed doctrines that formed the backbone of church teaching. Through the centuries, the definition came to be understood as the word of God, delivered through Jesus Christ and passed on to his apostles. Still, the deposit included both oral and written traditions and provided moral direction. The Second Vatican Council brought about many changes in the church, and once again, bishops and theologians addressed the deposit of faith. This invaluable concept came to be seen, not as mere dogma, but the expression of faith embodied in the words and deeds of Christ. The deposit is relevant to all elements of Catholic life: prayer, sacraments, and moral living. While the deposit has always addressed divine revelation, the post-Vatican II definition directs the faithful to think holistically. Hubert M. Sanders Jr.'s *Deposit of Faith* is intricate Catholic theology for the lay reader. It encourages Catholics to reach beyond dogma and written instructions to embrace the fullness of the Christian experience in all aspects of life.

 SUB TITLE: Beneath the Surface of the Old Testament

**The Mystery of the Gospel** Wm. B. Eerdmans Publishing  
 If you're not aware of the hidden truths that are buried throughout the Old Testament, you're not going to understand the Bible! The Mystery of the Gospel seeks to unveil what is concealed beneath the surface of the Old Testament and was later revealed in the New Testament. Many Christians think the Old Testament is about Israel and the New Testament is about Jesus. This is not true! Jesus is the primary and central character in both the Old and New Testaments! Through pictures, types, and shadows, the undercurrent of the entire Old Testament is that it points forward to Jesus. What did Jesus, His apostles, and the New Testament writers teach about the Old Testament? (Hint: they all taught that it was about Jesus.) Journey with us as we explore the Old Testament for the hidden gems of Christ buried within! Come, let us discover together *The Mystery of the Gospel. The Christian treasury (and missionary review)*. Wipf and Stock Publishers  
 Does social justice promote Christian unity? With reference to paragraph 12 of Unitatis Redintegratio--Vatican II's declaration on ecumenism--this book argues that an emphasis on justice and unity without proper consideration of social context actually risks obscuring a clear public declaration of Christ, by having Christians uncritically accept the presumptions that underpin the sociopolitical status quo. This constitutes a failure in Christian interpretation, the crux of which is a failure in ecclesiology. Matthew John Paul Tan suggests the beginnings of a corrective with reference to works by Pope Benedict XVI, theologians such as Graham Ward, and postmodern theorists like Michel Foucault. Ultimately, Tan invites the reader to begin considering how answering this seemingly simple question will implicate not only theology, but also philosophy and political theory, as well as considering the need for the church to engage in a bolder confessional politics in place of the politics of the public square often favored by Christian and non-Christian commentators.  
*The Holy Secret* Createspace Independent Publishing Platform  
*Simplicity in Prayer: Workbook and Journal and Simplicity in Prayer Revised*; are designed to build, strengthen and fortify the Believer in prayer. Purchased as a combo pack, it will make for a memorable and life changing experience; while at the same time gaining useful information for building and/or repairing a fundamentally sound foundation in prayer. Whether you are building or restructuring your prayer life, the combo pack of the book, the workbook and journal, coupled with your desire for relationship with the Lord, will be very useful and profitable to your journey in prayer.

Not to be ignored is the warning in Matthew 6:34 that says each has sufficient evils thereof. This book is about the exigencies to bath each weekday in prayer in order to download the day's blessings, pursue destiny, and avoid wickedness. We shall look at names connotations of weekdays and will appreciate better the need for the timeless Christian disciple of Prayer in overcoming adversities and the adversary.

**Rooted in Christ** Author House

When God gave us the Holy Scriptures He concealed beneath the surface a vast wealth of spiritual truths for His people. In the tabernacle, it's furniture, and its service, God has hidden an inexhaustible mine of precious spiritual truths. For years many of us have passed over this hidden wealth, unconscious of its existence. But all the time it has been there awaiting our discovery. Elder Jones has listed the significance of 17 Bible numbers and gives us the meanings of the materials of the tabernacle, such as gold, silver, brass, blue, purple, scarlet, fine linen, shittim wood, oil, salt, leaven and much more. Learn about the furniture of the tabernacle - the ark, the golden cherubim above the mercy seat, the table of shewbread, the candlestick, the altar of incense, and the duties of the priests. As we attempt to walk in the midst of the truths of this ancient sanctuary may the Spirit of our God open our eyes and hearts to see Christ revealed therein. May we behold His divine perfection, His glorious attributes, His divine love, and the all-sufficiency of His matchless grace. From the author of: *That Ye May Marvel or The Significance of Bible Numbers and A Verse by Verse Commentary on Revelation*. \*\*\*\*\* "It was therefore necessary that the patterns of things in the heavens should be purified with these; but the heavenly things themselves with better sacrifices than these. For Christ is not entered into the holy places made with hands, which are the figures of the true; but into heaven itself, now to appear in the presence of God for us..." (Hebrews 9:23-24).

*Created on Purpose for Purpose* Shadow Mountain

On the heels of her mother's death, Hope Logan reluctantly returned to her grandparents' home place in search of a journal that revealed explosive crimes and atrocities of the past that had haunted her grandma for nearly sixty-five years. Bitterness, unforgiveness, and anger consumed her as she set out to solve the mystery that surrounded her grandma's life. The dark evil secret that was contained in the journal only deepened her resentment of God. Because of her quest, she came in contact with many strong believers, especially a handsome young pastor and three senior citizens. In that small town in the foothills of the mountains of North Carolina, Hope's bitterness, unforgiveness, and anger slowly began to fade in the light of the strong faith of

the young pastor and three senior citizens. She discovered the true meaning of faith and hope in Christ in the midst of adversity. Carolyn Digh Griffin, a native North Carolinian, resides in Waxhaw, North Carolina, with her husband, Hoyle. She is retired from Union County Public Schools where she was an Administrative Assistant to the Assistant Superintendent. She has two daughters and four grandchildren who also reside in the Old North State.

*Sophia* New Leaf Publishing Group

This is not just a book just to be READ - it is a book to be SAID! "Death and life are in the power of the tongue, and they who indulge in it shall eat the fruit of it [for death or life]." Proverbs 18:21 If I could hand you a key that is guaranteed to change your life and circumstances; a principle that places the supernatural power of God on tap for every situation in your life and ministry, would you want to know what it is? Sometimes people shroud the simplicity of the gospel in a mess of religious rhetoric and theological confusion. Thankfully the Scriptures make plain and simple how we are to engage with God and receive and release His transforming power consistently in our everyday lives. In this practical Spirit-filled series of books, pastor and Bible teacher, David Lee Martin, unpacks the amazing truth concerning the power of the words that you speak, and shows clearly how you can apply this truth to change your world, and the world of those around you. This Edition: COLOSSIANS The book of Colossians is a book of putting off the old, and putting on the new. The truths you are about to declare will uproot all that hinders you in your walk with God and with others, and firmly establish your present and true identity in Christ. Take the words on the following pages, salt them with your own thanksgiving, and let God's love and grace touch the very depths of your being. The Benefits of Applying the Word As with several of my other books, this one is intended to be applied. It's words and message are impotent if they are not vigorously acted upon. The 'His Word My Word' series of books take eternal truth and shape it for application right here and now! This series of books will train your tongue by planting the Word in your heart, and harnessing your testimony (the confession of your mouth) with the law of liberty - the perfect Word of our Father. Just a few the benefits you can expect as you act on what you read, and become a doer of the work include: -It renews the mind, building into your consciousness and expectation new truths to live by. -It moulds your vocabulary, harnessing your tongue to speak only those things God (and you) desire for your life. -It conforms your thoughts and words to His thoughts and Words. -It gives expression to the mind of Christ in any and all situations. -It raises our perspective from earthly to heavenly, from below circumstances to above them. -It banishes wrong thinking and emotions, replacing them with God's own thoughts - our emotions will always follow our thinking, and our thinking will follow the deposit in our heart, and the words of our mouths. -It gives you an actionable principle you can apply to combat any adversity you face with confidence. -It establishes Godly boundaries in your life. -It overcomes the devil's plans and purposes because you are never in agreement with him, and they cannot be established. -It develops new pictures of ourselves, ones that are shaped by God's unchanging love for us. -It equips us with the necessary weapons for the Holy Spirit to bring to our remembrance what is needed to overcome, any time our mind, body or spirit come under attack. -It brings every thought into captivity and conformity to Christ, resulting in increased spiritual authority in the spirit realm and in relationships and ministry. -It is health to our flesh and strength to our bones. There are many more wonderful benefits that flow from disciplining ourselves to speak the Word only, but I am sure that you already agree, any

investment we need to make putting this into practice is far outweighed by the promised returns. It is truly life changing, and a spiritual principle that will stand the test of time and every challenge that is thrown at it.

[Publish Your Book in Kindle Amazon Under 60 Minutes](#). Robinson While numerous studies have celebrated Thomas Merton's witness as an interfaith pioneer, poet, and peacemaker, there have been few systematic treatments of his Christology as such, and no sustained exploration to date of his relationship to the Russian Sophia" tradition. This book looks to Thomas Merton as a "classic" theologian of the Christian tradition from East to West, and offers an interpretation of his mature Christology, with special attention to his remarkable prose poem of 1962, *Hagia Sophia*. Bringing Merton's mystical-prophetic Vision fully into dialogue with contemporary Christology, Russian sophiology, and Zen, as well as figures such as John Henry Newman and Abraham Joshua Heschel, the author carefully but boldly builds the case that Sophia, the same theological eros that animated Merton's religious imagination in a period of tremendous fragmentation and violence, might infuse new vitality into our own. A study of uncommon depth and scope, inspired throughout by Merton's extraordinary catholicity. Christopher Pramuk, PhD, is assistant professor of theology at Xavier University in Cincinnati, Ohio. He is the author of two books and numerous essays, and the recipient of the Catholic Theological Society of America's 2009 Catherine Mowry LaCugna Award. "[Dimensions of Baptist Spirituality](#) Createspace Independent Pub The sect was said to harbour dark designs to overthrow the government. Its teachers used a dead language that was impenetrable to all but the innermost circle of believers. Its priests preached love and kindness, but helped local warlords acquire firearms. They encouraged believers to cast aside their earthly allegiances and swear loyalty to a foreign god-emperor, before seeking paradise in terrible martyrdoms. The cult was in open revolt, led, it was said, by a boy sorcerer. Farmers claiming to have the blessing of an alien god had bested trained samurai in combat and proclaimed that fires in the sky would soon bring about the end of the world. The Shogun called old soldiers out of retirement for one last battle before peace could be declared in Japan. For there to be an end to war, he said, the Christians would have to die. This is a true story.

**Encounter** Springer Nature

"It was the best of church, it was the worst of church..." [not Charles Dickens] In some ways, the church has a horrendous track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experience of His love. He doesn't appear to have a plan B. We are it! I call this book, 'i, church' because more than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires it to be." [Bruce Collins, legend and appreciator of good

coffee]

[Manifesting Your God Purpose](#) The Hidden Christ Beneath the Surface of the Old Testament

This book is an interdisciplinary collection of essays that explores the variety of ways in which the interface between understanding the figure of Christ, the place of the cross, and the contours of lived experience, was articulated through the long nineteenth century. Collectively, the chapters respond to the theological turn in postmodern thought by asking vital questions about the way in which representations of Christ shape understandings of personhood and of the divine.

[7days Without Prayer Makes One Weak](#) Klaus Nurnberger

Do you know that you were well thought out in the mind of God? Do you know you were not a by-chance product? Do you know you have a God purpose? Created On Purpose For Purpose holds the keys that will unlock all the answers and equip you to walk out your God purpose! Everyone has a sense that they were born for a purpose. But there is something more than just a purpose. The God purpose was designed specifically for you, and it's your responsibility to live out this assignment! From her own experience in discovering her God purpose, author Lisa Singh has outlined the steps to take to discover your God purpose. This easy-to-read guide will instruct you to explore why God designed a special purpose for you and how you can come to understand it. Once you know your place in the world, you can begin to live your purpose and thereby bless not only yourself, but the world you live in. Realize who you are and learn practical applications for victorious, fulfilling living. Whether studying alone or in a small Bible study, you'll find the tools you need to find your God purpose and start living your life the way it was intended to be lived—on purpose!

[The Surprising Truth Behind the Birth of Christ](#) Sea of Theosophy

Book 2 has more content regarding how to position yourself to ascend into heaven. Addressing the varied reasons we ascend along with cultivating the lifestyle of heaven ascending. Many practice exercises as well as prayers included. Angels, The Cloud of Witnesses, intercession and The Fathers throne are among the subjects covered.

[Hope Returns](#) Shadow Mountain

From pastor and New York Times bestselling author Timothy Keller comes the perfect gift for the Christmas holiday—a profoundly moving and intellectually provocative examination of the nativity story Even people who are not practicing Christians think they are familiar with the story of the nativity. Every Christmas displays of Baby Jesus resting in a manger decorate lawns and churchyards, and songs about shepherds and angels fill the air. Yet despite the abundance of these Christian references in popular culture, how many of us have examined the hard edges of this biblical story? In his new book Timothy Keller takes readers on an illuminating journey into the surprising background of the nativity. By understanding the message of hope and salvation within the Bible's account of Jesus' birth, readers will experience the redeeming power of God's grace in a deeper and more meaningful way.

[Peacegiver](#) Tate Publishing

I suspect that if you are reading this book, then you either just finished your book or you are contemplating self-publishing books as a full-time or part-time income or just to publish your book and brag to your friends about it later. In any case, this book is written for you and it comes from my heart, and from my many trial and errors over the last two years and still am doing today. I hope I will not let you down with the content of this book and that you will find it useful.
