Foundation  
Based on the highly  
popular and successful  
book, How to Hear God's  
Voice, this exciting new  
book emphasizes the 4  
Keys to Hearing God's  
Voice. "When I learned to  
hear God's voice after 11  
years as a believer  
without it, every part of  
me was radically  
transformed. Thousands  
have told me they have  
had this same  
metamorphosis, and I  
believe that this will

become your testimony  
also," writes co-author,  
Mark Virkler. The keys  
that are examined,  
discussed in detail, and  
can be immediately  
applied to your life are:  
How to recognize God's  
voice as spontaneous  
thoughts. Learning how to  
become still before the  
Lord. Looking for vision as  
you pray. Realizing the  
importance of two-way  
journaling. Filled with  
insights from years of  
hearing from God, 4 Keys

to Hearing God's Voice also includes visual aids that enhance the teaching and learning experience. Very reader-friendly, you will find that the concepts and principles are easily adapted to your personal circumstances and lifestyle. Designed to bring even more depth to your relationship with God, this book is part of an integrated package that includes a DVD and seminar guide for either individual or group study. Either as a stand-alone book or as part of a package, you are sure to

gain valuable encouragement and motivation to seek intimate communication with God, your heavenly Father.

The gospel was never intended to restrain women from pursuing God or to prevent them from fulfilling their divine destiny. In his revised and updated book, which includes testimonials, Lee Grady boldly proclaims the truth of the gospel: that men and women are appointed by God and empowered by Him. In *10 Lies the Church Tells Women*, readers will discover: Why Jesus went

out of His way to minister to and disciple women. Why so many Christian women suffer abusive marriages, and why many pastors don't do anything about the problem. How "the Proverbs 31 woman" has been misinterpreted to deny women opportunities in the workplace.

What can we learn from

the Scriptures about how to trust God no matter what, and believe in something that is not yet seen? As a young man with only weeks to live, Yonggi Cho was healed of terminal illness, saw the resurrected Jesus, and quickly began sharing God's hope with others. Those listeners became the world's largest church. In *Faith*, Pastor Cho and Dr. Wayne Goodall share how to understand and grow in your faith. Walk with the Holy Spirit and produce the fruit of the

Spirit. Overcome mistakes and continue to depend on Christ in times of discouragement. Believe for and trust God's supernatural power. Use every situation to accomplish tremendous things for God's kingdom. For our lives to work, we need faith—the kind of faith that gives birth to hope and chooses to believe in every circumstance. God will answer prayer, heal, and perform signs and wonders as we walk daily by faith. You can trust God as your source,

security, and assurance.

Many of Dr. Cho's books talk about life in the fourth dimension -- a realm that is more real than the physical world in

which we live. He points out that the world we know was fashioned in the invisible fourth dimensions -- the spiritual realm -- and the things we see are only temporary; whereas, spiritual things are eternal. In light of this, he wants each of us to gain entrance to the fourth dimension, the place where the God of might and miracles lives and moves.
