MARQUISE MIDDLETON

A New Comedy Concord Theatricals
 A revealing and heartfelt memoir of a Pulitzer Prize-winning artist finding joy and inspiration after tragedy. In his critically acclaimed *Rewrites*, Neil Simon talked about his beginnings—his early years of working in television, his first real love, his first play, his first brush with failure, and, most moving of all, his first great loss. Simon's same willingness to open his heart to the reader permeates *The Play Goes On*. This second act takes the reader from the mid-1970s to the present, a period in which Simon wrote some of his most popular and critically acclaimed plays, including the Brighton Beach trilogy and

Lost in Yonkers, for which he won the Pulitzer Prize. Simon experienced enormous professional success during this time, but in his personal life he struggled to find that same sense of happiness and satisfaction. After the death of his first wife, he and his two young daughters left New York for Hollywood. There he remarried, and when that foundered he remarried again. Told with his characteristic humor and unflinching sense of irony, *The Play Goes On* is rich with stories of how Simon's art came to imitate his life. Simon's forty-plus plays make up a body of work that is a long-running memoir in its own right, yet here, in a deeper and more personal book than his first volume, Simon offers a revealing look at an artist in crisis but still able and willing to laugh at himself.
A Comedy in Three Acts Concord

Theatricals

A coming of age tale that focuses on brothers Arty and Jay, left in the care of their Grandma Kurnitz and Aunt Bella in Yonkers, New York. Their desperate father, Eddie, works as a traveling salesman to pay off debts incurred following the death of his wife. Grandma is a severe, frightfully intimidating immigrant who terrified her children as they were growing up, damaging each of them to varying degrees. Bella is a sweet but mentally slow and highly excitable woman who longs to marry an usher at the local movie house so she can escape the oppressive household and create a life and family of her own. Her brother Louie is a small-time, tough-talking hoodlum who is on the run, while her sister Gert suffers from a breathing problem with causes more psychological than physical problems.

Missing much of the sentimentality of the plays comprising Simon's earlier Eugene trilogy, *Lost in Yonkers* climaxes with a dramatic confrontation between embittered mother and lonely daughter that creates a permanent fissure in this highly dysfunctional family.

Broadway Bound Concord Theatricals
This elegiac memory play delightfully recalls the last time the Hines family gathered at their retreat in the Poconos. The summer of 1953 brings romantic entanglements that coalesce one idyllic afternoon; Burt Hines, mid-50's and convalescing from a second heart attack, eagerly anticipates the arrival of the ex-wife he still loves. Daughter Josie has just broken her engagement to a Harvard law student and pines for his buddy Ray, an aspiring writer with whom she once had a brief fling. Clemma, the black housekeeper at the center of the action casts a astute eye on the complications while facing with her own unresolved past.

Alan is a swinging single who uses his New York apartment as a harem of sorts for his legion of lady friends. Buddy, his kid brother, wants to break free of his overprotective parents and moves in with Alan, hoping to emulate him in the sex department. Alan teaches Buddy his tricks of the trade and it isn't long before Buddy is stealing women away from Alan.

Neil Simon Scenes Samuel French, Inc.
America's premier funny man and the Tony Award-winning composer of *A Chorus Line*; collaborated on this hit musical; a funny, romantic show about an established composer and his relationship with an aspiring young female lyricist, not unlike Carole Bayer Sager. Professionally, their relationship works beautifully, but ultimately leads to conflict on the home front. Of course, there's a happy ending.

Scenes from the Works of America's Foremost Playwright St. Martin's Griffin
First Published in 1997. The 16 essays and interviews in this volume explore the background and works of Neil Simon, the most successful playwright in American history. Several of the entries trace Simon's Jewish heritage and its influence on his plays. Although Simon is best known as a writer of a remarkable series of hit Broadway comedies, the contributors to this book have identified a number of "serious" recurring themes in his work, suggesting that a reassessment of the playwright as a dramatist is appropriate. Three interviews with Simon and his longtime producer yield valuable

facts about the playwright that will, along with the critical essays, aid the scholar seeking new insights into contemporary American drama in general and Neil Simon in particular.

Plays by Neil Simon LA Theatre Works
At a large, tastefully-appointed Sneden's Landing townhouse, the Deputy Mayor of New York has just shot himself. Though only a flesh wound, four couples are about to experience a severe attack of Farce. Gathering for their tenth wedding anniversary, the host lies bleeding in the other room, and his wife is nowhere in sight. His lawyer, Ken, and wife, Chris, must get "the story" straight before the other guests arrive. As the confusions and mis-communications mount, the evening spins off into classic farcical hilarity.

I Ought to be in Pictures Simon and Schuster
Koprince (English, U. of North Dakota at Grand Forks) seeks to grant the prolific and popular playwright a measure of the serious literary attention that has passed his work by. She analyzes 16 of Simon's comedies beginning with his first Broadway effort, *Blow your horn* (1961) and ending with *Laughter on the 23rd floor* (1993). Koprince emphasizes Simon's versatility, craftsmanship, and willingness to experiment with the comedic form as well as the fundamentally serious nature of his plays. Small format: 5.25x7.25".

An Autobiography Samuel French, Inc.
"Barefoot in the Park, The Odd Couple, Plaza Suite, The Goodbye Girl, The Out-of-Towners, The Sunshine Boys" -- Neil Simon's plays and movies have kept many millions of people laughing for almost four decades. Today he is recognized not only as the most successful American playwright of all time, but also as one of the greatest. More than the humor, however, it is the humanity of Neil Simon's vision that has made him America's most beloved playwright and earned him such enduring success. Now, in "Rewrites," he has written a funny, deeply touching memoir, filled with details and anecdotes of the writing life and rich with the personal experiences that underlie his work. Since "Come Blow Your Horn" first opened on Broadway in 1960, few seasons

have passed without the appearance of another of his laughter-filled plays, and indeed on numerous occasions two or more of his works have been running simultaneously. But his success was something Neil Simon never took for granted, nor was the talent to create laughter something that he ever treated carelessly: it took too long for him to achieve the kind of acceptance -- both popular and critical -- that he craved, and the path he followed frequently was pitted with hard decisions. All of Neil Simon's plays are to some extent a reflection of his life, sometimes autobiographical, other times based on the experiences of those close to him. What the reader of this warm, nostalgic memoir discovers, however, is that the plays, although grounded in Neil Simon's own experience, provide only a glimpse into the mind and soul of this very private man. In "Rewrites," he tells of the painful discord he endured at home as a child, of his struggles to develop his talent as a writer, and of his insecurities when dealing with what proved to be his first great success -- falling in love. Supporting players in the anecdote-filled memoir include Sid Caesar, Jerry Lewis, Walter Matthau, Robert Redford, Gwen Verdon, Bob Fosse, Maureen Stapleton, George C. Scott, Peter Sellers, and Mike Nichols. But always at center stage is his first love, his wife Joan, whose death in the early seventies devastated him, and whose love and inspiration illuminate this remarkable and revealing self-portrait. "Rewrites" is rich in laughter and emotion, and filled with the memories of a sometimes sweet, sometimes bittersweet life.

A Critical Study Concord Theatricals
A strong, bitter comedy about women scorned in Minnesota and the really, really nice gangsters—Norwegian hit men—they hire to whack their ex-boyfriends. Olive is a transplant from Texas and Betty is a transplant from Kentucky, but neither of them was prepared for the Norwegian men they would fall in love with there: the practical, warm, thoughtful, destructive, evil, jilting kind. If you're a hit man in Minnesota, 83% of your clients want to take out their ex (oofda!). Betty has referred Olive to Gus and Tor, a partnership in the whacking business. What Tor doesn't know is that Gus has been sleeping with the clients. What Olive doesn't know is that Gus is Betty's own ex, and she has already put out a hit on him with a Swiss firm. Can Betty call off the job in time to let Gus do his? Should she?

Fools Concord Theatricals

Neil Simon (1927–2018) began as a writer for some of the leading comedians of the day—including Jackie Gleason, Red Buttons, Phil Silvers, and Jerry Lewis—and he wrote for fabled television programs alongside a group of writers that included Mel Brooks, Woody Allen, Larry Gelbart, Michael Stewart, and Sid Caesar. After television, Simon embarked on a playwriting career. In the next four decades he saw twenty-eight of his plays and five musicals produced on Broadway. Thirteen of those plays and three of the musicals ran for more than five hundred performances. He was even more widely known for his screenplays—some twenty-five in all. Yet, despite this success, it was not until his BB Trilogy—Brighton Beach

Memoirs, Biloxi Blues, and Broadway Bound—that critics and scholars began to take Simon seriously as a literary figure. This change in perspective culminated in 1991 when his play *Lost in Yonkers* won the Pulitzer Prize for Drama. In the twenty-two interviews included in *Conversations with Neil Simon*, Simon talks candidly about what it was like to write commercially successful plays that were dismissed by critics and scholars. He also speaks at length about the differences between writing for television, for the stage, and for film. He speaks openly and often revealingly about his relationships with, among many others, Mike Nichols, Walter Matthau, Sid Caesar, and Jack Lemmon. Above all, these interviews reveal Neil Simon as a writer who thought long and intelligently about creating for stage, film, and television, and about dealing with serious subjects in a comic mode. In so doing, *Conversations with Neil Simon* compels us to recognize Neil Simon's genius.

The Dinner Party Samuel French, Inc. Full Length, Comic Drama / 3m, 4f / Comb. Ints/Ext. Here is part one of Neil Simon's autobiographical trilogy: a portrait of the writer as a young teen in 1937 living with his family in a crowded, lower middle-class Brooklyn walk-up. Eugene Jerome, standing in for the author, is the narrator and central character. Dreaming of baseball and girls, Eugene must cope with the mundane existence of his family life in Brooklyn: formidable mother, overworked father, and his worldly older brother Stanley. Throw into the mix his widowed Aunt Blanche, her two young (but rapidly aging) daughters and Grandpa the Socialist and you have a recipe for hilarity, served up Simon-style. This bittersweet memoir evocatively captures the life of a struggling Jewish household where, as his father states "if you didn't have a problem, you wouldn't be living here." "Brings a fresh glow to Broadway...In many respects his funniest, richest and consequently the most affecting of his plays."-New York Daily News "Simultaneously poignant and funny. The characters are fully dimensional, believable... An outstanding show...the best seen on Broadway in too long a time."-Variety "Hilarious comedy...His finest play...A delightful and enriching experience."-CBS-TV
