In *The Mikado to Matilda: British Musicals on the New York Stage*, Thomas Hischak provides an overview of British musicals that made their way to Broadway, covering their entire history up to the present day. This is the first book to look at the British musical theatre with reference to those London musicals that were also produced in New York City. The book covers 110 British musicals, ranging from 1750 to the present day, including the popular Gilbert and Sullivan comic operettas during the Victorian era, the Andrew Lloyd Webber mega-musicals of the late twentieth century, and today's biggest hits such as *Matilda*. Each London musical is discussed first as a success in England and then how it fared in America. The plots, songs, songwriters, performers, and producers for both the West End and the Broadway (or Off Broadway) production are identified and described. The discussion is sometimes critical, evaluating the musicals and why they were or were not a success in New York.

*Orchestral "Pops" Music* Houghton Mifflin Harcourt

[Shady Grove Music Fair], Robert Stigwood in association with MCA, Inc., by arrangement with David Land presents music by Andrew Lloyd Webber, lyrics by Tim Rice, a rock opera "Jesus Christ Superstar," original concert presentation from the cast

album, Mark Pressell, musical director Mark Pressell, including Patrick Jude, Robert Corff, Edie Walker, David Ramsey, Greg Evigan, Fred Croft, Jim Turner, Reggie Mack, Eddie Rameau featuring a full piece orchestra with Stan Lebowsky conducting. Andrew Lloyd Webber Yale University Press

A portrait of the talented singer/songwriter traces the evolution of a musical prodigy, from her early years to become one of the most important female musical voices of contemporary music, revealing how she has combined her talent on the piano with inspiration from some of the most tragic incidents of her life to create musical art. Original.

The Oxford Handbook of the British Musical Rowman & Littlefield Publishers

In this second edition of *Orchestral "Pops" Music: A Handbook*, Lucy Manning brings forward to the present her remarkable compendium of information about this form of orchestral music. Since the appearance of the first edition in 2008, this work has proven critical to successful "pops" concert programming. With changes in publishers and agents, the discontinuation of the publication of certain original material or, worst of all, presses going out of business, music directors, orchestra conductors, and professional instrumentalists face formidable challenges in tracking down accurate information about this vast repertoire. This revised handbook alleviates the time-consuming task of researching these changes by offering a list of works for orchestral "pops" concerts that is comprehensive, informative, and current. Manning's emphasis on clarity and accuracy gives users an indispensable tool for gathering vital information on the style, instrumentation, and availability of the repertoire listed, as

well as notes on its performance. The user-friendly appendices include expanded instrumentation choices, easy-to-find durations, and handy title cross-references. In addition to corrections and updates, this new edition of *Orchestral "Pops" Music: A Handbook* is the ideal tool for working conductors and orchestral librarians, as well as music program directors at colleges, conservatories, and orchestras.

Creating Artistry Through Choral Excellence Rizzoli Publications

The 'Pump Boys' sell high octane on Highway 57 in Grand Ole Opry country and the 'Dinettes', Prudie and Rhetta Cupp, run the Double Cupp diner next door. Together they fashion an evening of country western songs that received unanimous raves on and off Broadway. With heartbreak and hilarity, they perform on guitars, piano, bass and, yes, kitchen utensils.

"One more dawn! One more day! One day more!" Did Les Misérables make you miserable? Or did it inspire you? When Sarah Whitfield was a teenager, her Dad frequently embarrassed her with his love of this musical above all others. So, after he was diagnosed with late stage cancer, Whitfield set out to find out why this musical meant so much to him and to its worldwide following. In this new book, she asked her Dad and 350 other people how they felt about this musical, exploring people's personal connections with the show. In the middle of some of the hardest moments in family life, Whitfield explores how the musical might help us deal with some of our most difficult experiences and give us hope for when 'tomorrow comes'.
