**Driving Test Success Anytime** The Stationery Office

The official guide which explains the standards required to pass today's practical driving test. Most people fail their driving test because they are not prepared. 'The Official DSA Guide to Learning to Drive' will help the learner and anyone helping someone learn to drive by explaining the standard required for each key skill examined within the driving test. This new edition will help the person sitting in the passenger seat understand what the learner needs to practise and the potential hazards they may encounter.

The aim is to make sure that the learner is capable of driving safely and confidently, without prompting from an instructor, before they take their test.

**The official theory test for drivers of large vehicles** Kogan Page Publishers

A theory test book that includes all the official questions for car learner drivers from the Driving Standards Agency (DSA) databank, with answers at the back of the book. Special features include an easy-to-use self-study aid for learner drivers and questions grouped under 14 key topic headings.
