**Path of the Novice Mystic** John Wiley & Sons

In this book I will show you simple and creative ways of looking at the sales process. Ideas, supported by real life examples, are shared on how to simplify the motivation and management of your sales team. As many companies attempt to control a sales team I suggest ways to remove duties that inhibit the selling process. We will review improvement techniques to strengthen relations and ultimately revenues from channels to market and customers. The book lays out productivity measurements as well as a very successful and growth based compensation plan. The real message in this book is the need to simplify the sales process, open the door for more selling time which then is proven to increase sales revenues to beat the company plan year after year.

*Path of the Novice Mystic* provides a unique look into the world of secular mysticism. Dr. Paul Dunion suggests that

peace comes when we accept the world's inherent uncertainties and begin to approach life with elevated curiosity and enthusiasm. Dunion guides you toward maintaining a heightened level of mindfulness in everyday life. He shows how the simple act of being fully present and cultivating a soul practice opens the gates to unity-the essence of the novice secular mystic and the key to finding depth and meaning in life. With this unique blend of psychology, philosophy, and spirituality, *Path of the Novice Mystic* is sure to open the heart and mind to a more enriching way of life.
