*Concepts,
Theories, and
Changing
Trends*

Manohar
Publishers
This revised
edition
examines a
fairly wide
range of
issues on
political

theory,
identified at
the beginning
of the new
millennium.
Elabo-rating
the nature
and
significance of

political theory, the book delves into the concept of ideology, nature and different views on politics and approaches to the study of politics. It is designed to cater to the needs of various Indian universities and competitive examinations including the Civil Services examination. O.P. Gauba Routledge College textbook. *Political Ideologies* An Introduction to Political Theory O.P.

Gauba Examines a fairly wide range of issues concerning the ever-expanding field of political theory, in a multidisciplinary (historical-sociological-economic-philosophical-juristic) perspective. It elaborates the nature and significance of political theory, concept of ideology with a concise and critical discussion of major political ideologies, nature of politics and various

approaches to its study including empirical, normative, behavioural, post-behavioural as well as interdisciplinary approach. It elucidates the concepts of the state and sovereignty with reference to the challenges of imperialism, colonialism, neo-colonialism, impact of globalization, grounds and limits of political obligation, various dimensions of law (including rule of law),

power (along with authority and legitimacy) citizenship (including democratic citizenship), human rights, liberty (including freedom as emancipation), equality (including equality of opportunity), justice (including social justice) and the common good. Then it dwells on various models and theories of democracy (including participatory and deliberative

democracy), indicating the significance of multiculturalism. Finally it gives a critical account of the theories of social change and development with special reference to the problems of underdevelopment, sustainable development and political development. An Introduction to Political Theory The second edition of Industrial Relations, Trade Unions, and Labour Legislation is an up-to-date

interactive text, primarily related to issues in India. The book does, however, incorporate developments and practices in other countries, particularly UK and USA. Primarily designed for the students of management, economics, labour and social welfare, social work, commerce and similar disciplines this book will also be of interest to professionals in the field of labour

relations and management. A *Multidisciplinary Introduction, Critique, and Synthesis* Rowman & Littlefield This collection of essays raises and answers important questions on political theory - What is its relevance in our times? What is it meant to do? How is it different from other forms of enquiries? The author explores deeper issues in the philosophy of

social science-individualism, ethnocentrism, teleology, social ontology, and the object-like presence of social meanings. *Political Theory and the Modern State* Oxford University Press, USA Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the

leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an

additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

Contemporary Perspectives

John Wiley & Sons

In this provocative and engaging new book, Randy Barnett outlines a powerful and original theory of liberty structured by the liberal conception of justice and the rule of law.

Drawing on insights from philosophy, political

theory, economics, and law, he shows how this new conception of liberty can confront, and solve, the central societal problems of knowledge, interest, and power. - ;What is liberty, as opposed to license, and why is it so important? When people pursue happiness, peace, and prosperity whilst living in society, they confront pervasive problems of knowledge, interest, and

power. These problems are dealt with by ensuring the liberty of the people to pursue their own ends, but addressing these problems also requires that liberty be structured by certain rights and procedures associated with the classical liberal conception of justice and the rule of law. In this controversial new work, Barnett examines the serious social problems that are addressed

by liberty and the background or 'natural' rights and 'rule of law' procedures that distinguish liberty from license. He goes on to outline the constitutional framework that is needed to protect this structure of liberty. This is the only discussion of the liberal conception of justice and the rule of law to draw upon insights from philosophy, economics, political theory, and law to

describe comprehensively the vital social functions performed by adherence to these concepts. And, although the book is intended to challenge specialists, its clear and accessible prose ensure that it will be of immense value to both scholars and students working in a range of academic disciplines. - Hobbes: A Very Short Introduction CQ Press Includes a short

biographical introduction to each person, followed by excerpts from their writings. Themes and Thinkers Macmillan Examines a fairly wide range of issues concerning the ever-expanding field of political theory, in a multidisciplinary (historical-sociological-economic-philosophical-juristic) perspective. It elaborates the nature and significance of political theory, concept of

ideology with a concise and critical discussion of major political ideologies, nature of politics and various approaches to its study including empirical, normative, behavioural, post-behavioural as well as interdisciplinary approach. It elucidates the concepts of the state and sovereignty with reference to the challenges of imperialism, colonialism, neo-colonialism, impact of

globalization, grounds and limits of political obligation, various dimensions of law (including rule of law), power (along with authority and legitimacy) citizenship (including democratic citizenship), human rights, liberty (including freedom as emancipation), equality (including equality of opportunity), justice (including social justice) and the common good. Then it

dwells on various models and theories of democracy (including participatory and deliberative democracy), indicating the significance of multiculturalism. Finally it gives a critical account of the theories of social change and development with special reference to the problems of underdevelopment, sustainable development and political development
Justice and the Rule of

<p>Law Waveland Press Social and Political Philosophy introduces some of the most important topics in contemporary political philosophy and questions whether these can be accommodated within the framework of liberal theory. It consists of specially written essays by prominent figures in social and political philosophy. Each essay carefully considers both</p>	<p>the theoretical and practical problems of a major topic. Traditional perspectives are balanced with new challenges. Topics include: * Moral Methodology * Libertarianism * Socialism * Lesbian and Gay Perspectives * Feminism * Racial and Multicultural Perspectives * Rationality * Welfare Liberalism * Environmentalism * Virtue Ethics and Community * Just War Theory and Pacifism * Civil</p>	<p>Disobedience. Western Political Thought Oxford University Press Political Theory is about the description, observation, analysis and inquiry into the issues of political science. Divided into 15 chapters, the book captures all relevant aspects of political science and analyses them in the light of examples from India and the rest of the world. Through a</p>

thorough examination of various political institutions, the role of different social groups and the evolution of our politics, this book will help students understand the basic concepts and notions of political theory, and illustrate how these concepts apply to political systems across the world.

Contemporary Indian Foreign Policy OUP
India
'A very

excellent book ... A masterpiece of balanced exposition.' Sir Harold Nicolson, Daily Telegraph
Social and Political Philosophy Routledge
Joseph S. Roucek brings together theories from the major political movements of the twentieth century and guides readers through the waves of political change with approaches to Marxism, Communism, Colonialism, the Welfare

State, and more. Joseph S. Roucek was a political theorist and author. He wrote or co-authored several books on education and politics including *The Czechs and Slovaks in America*, *Behind the Iron Curtain*, *America's Ethnic Politics*, and *Slow Learner*.

Challenge to the Nation-State Pearson
Education
India
Essays on Plato, Aristotle, Augustine, Aquinas, Machiavelli,

Luther, Hobbes, Locke, Hume, Rousseau, Burke, Paine, Hegel, Mill, Marx, communism, anarchism and modern political ideas. Authors include Max Charlesworth, H J McCloskey, C A J Coady and Normal Marshall. With a chronological map, reading list, glossary and an index. First published in 1986. The author lectures in political studies at Monash University. Theories of

Political
Protest and
Social
Movements S. Chand Publishing
This volume offers an incisive overview of central issues and controversies in political thought and analysis. It includes major discussions of the idea of the modern state, contemporary theories of the state, problems of power and legitimation, new forms of democratic ideal, citizenship and social movements,

the direction of public policy and the fate of sovereignty in the modern global system. While analysing these topics, the author critically assesses the thought of many of those who have contributed decisively to political discussion. Among those whose works are discussed are classic figures such as Hobbes, Locke, Mill and Marx, as well as contemporary writers such as Habermas,

Offe and Giddens. Political Theory and the Modern State is an ideal resource for students seeking an introduction to modern politics and political sociology. It is also an original statement about the many competing perspectives in political thought today. *Political Thinkers* New Delhi : Sterling Publishers Indian Political Thought: Themes and Thinkers covers all

major Indian political thinkers from the ancient, through medieval to the modern times. Thus, this book provides an overview of the evolution of the Indian political thought through different historical periods, giving an insight into the sociological and political conditions of the times that shaped the Indian political thinking. It does not only talk about the lives and times of the

thinkers, but also explores the important themes that formed the basis of their political ideologies. The chapters discuss the contributions of the thinkers and at the same time examine some important themes including the theory of state, civil rights, ideal polity, governance, nationalism, democracy, social issues like gender and caste, swaraj, satyagraha, liberalism, constitutionalism

sm, Marxism, socialism and Gandhism. With a comprehensive coverage of both the thinkers and the themes of the Indian political thought, this book caters to needs of the undergraduate as well as the post graduate courses of all Indian universities. It is valuable also for UGC-NET and civil service examinations. Political Theory Pearson Education India Surveys the

main features of contemporary Indian foreign policy. **An Introduction To Political Theory (third Edition)** S. Chand Publishing This informative and widely-used text is now available in a third edition. Building on the success of previous editions, it continues to provide a clear and accessible introduction to the complexities of political

ideologies. The latest edition of Political Ideologies: introduces and considers the future of all the most widely studied ideologies: liberalism; conservatism; socialism; democracy; nationalism; fascism; ecologism and feminism sets each ideology clearly within its historical and political context includes a new final chapter that examines the impact of recent theoretical developments

of ideologies and charts the challenges that they face in the twenty-first century has been fully revised and up-dated and provides an annotated guide for further reading.

Foundations of Indian Political Thought

Routledge
Political protest and social movements are ubiquitous phenomena. This book focuses on the current theoretical approaches that aim at explaining

them: the theory of collective action, the resource mobilization perspective, political opportunity structure theory, the identity approach, the framing perspective, and the dynamics of contention approach. The book has three objectives: (1) Many basic concepts like political opportunities or identity are not clearly defined. It is further often a matter of interpretation

what factors are supposed to affect which phenomena. The first aim is therefore to provide a detailed introduction to and a clear restatement of the theories. Only then is it possible to assess and improve them. (2) For each theory the major strengths and weaknesses are discussed, and various modifications and extensions are suggested. (3) Building on these analyses, it is shown how

the theories of the new and multiculturalism. The book can be integrated into a single theoretical paradigm: the structural-cognitive model. *From Socrates to the Age of Ideology, Second Edition* SAGE Publications Pvt. Limited This new edition of *An Introduction to Political Theory* examines a fairly wide range of issues on political theory as identified at the beginning of the new millennium. It elaborates the nature and significance of political theory, concept of ideology, *An Introduction To Political Theory (4 Edition)* OUP Oxford The new third edition of the highly successful text has been revised and updated throughout to take account of new issues such as identity and difference, globalization and multiculturalism. The book provides a clear and accessible introduction to political theory and key concepts in political analysis. Each chapter discusses a cluster of interrelated terms, examines how they have been used by different thinkers and in the various political traditions, and explores related debates and controversies.
