### **The Devotional Revelations and Mystical Visions of a Christian Believer in 14th Century England (Hardcover)**

Simon and Schuster  
Teachings from this fourteenth-century mystic provide spiritual direction and call for you to open yourself, body and soul, to divine love. Many people are familiar with the phrase "All shall be well" but do not

know much, if anything, about Julian of Norwich, the fourteenth-century English mystic who wrote those words. Thomas Merton declared her to be "without a doubt one of the most wonderful of all Christian voices," and former Archbishop of Canterbury Rowan Williams says that her writings "may well be the most important work of Christian reflection in the English language." This accessible introduction to Julian's Revelations of Divine Love, an extended reflection on a series of her mystical visions, includes an informative introduction that addresses

the historical, cultural and sociological context of Julian's life and writings. Mary Earle's facing-page commentary focuses on Julian's profoundly hopeful vision of humanity and God, her creative imagery and her rigorous honesty about the spiritual life. Drawing directly from Julian's text, Earle addresses a variety of topics essential to understanding Julian's mysticism, including the infinite nature of God, the life of prayer, God's suffering with us, the eternal and undying life of the soul, the motherhood of Jesus and the motherhood of God, "all shall be well" and

more.

*The Way of Julian of Norwich* SPCK  
Revelations of Divine Love Recorded by Julian, anchoress at Norwich; Without any special study of the literature of mysticism for purposes of comparison, in reading Julian's book one is struck by a few characteristics wherein it differs from many other mystical writings, as well as by qualities that belong to most or all of that general designation. Julian does not set out to teach methods of any kind for the gradual drawing near of man to God, but to record and show forth a revelation, granted once, of God's actual nearness to the soul, and for this revelation she herself had been prepared by the stirring of her conscience, her love and her understanding, in a word of her faith.

Julian of Norwich lived through the dreadful bubonic plague that killed close to 50% of Europeans. Being an anchoress, she 'sheltered in place' and developed a deep wisdom that she shared in her book, *Showings*, which was the first book in English by a woman. A theologian way ahead of her time, Julian develops a

feminist understanding of God as mother at the heart of nature's goodness. Fox shares her teachings in this powerful and timely and inspiring book.

*The Revelation of Divine Love in Sixteen Showings Made to Dame Julian of Norwich* Hampton Roads Publishing

A fresh and contemporary translation of one of the best loved and influential mystical texts of all time, *The Showings of Julian of Norwich* brings the message and spirituality of this 14th century mystic to 21st century readers. Julian of Norwich, a contemporary of Geoffrey Chaucer, was an English anchoress in East Anglia. At the age of 30, suffering from a severe illness and believing she was on her deathbed, Julian had a series of intense visions of Jesus, which she recorded and then expanded on later in her life. Her message for today's readers is simply this: She reveals the feminine face of the Divine and reminds us to see God there. All our failings are an opportunity to learn and grow; that they should be honored, but not dwelled upon. God's love has nothing to do with love and retribution and everything to do with love and compassion. In spite of all appearances, all

is well.

This is a book of letters, letters to Julian of Norwich concerning her Revelations of Divine Love. It is an attempt to search for my life by giving myself heart and soul to the teaching of a text and it is about the possibilities of transformation that ensue. Julian makes extreme claims about the love of God revealed in the body of Christ on the cross. She claims that in love the human self can truly flourish and in the end that "all shall be well, and all manner of things shall be well." I need to know if these claims are true. Thus, I write letters, ask questions, and look for answers as to how to indwell the vision given to Julian, while engaging the limits of my personhood and the modern paradigms that constrain my thoughts. I bring my whole being to the correspondence, I am changed, and I do find my life.

**The Revelations of Divine Love of Julian of Norwich** Walker & Company  
Coming from a society where women were barred from serious writing and teaching, Julian, an anchorite of the great medieval

city of Norwich, nevertheless uses her womanlines and the English vernacular of the day to describe a series of revelations which she received from God in the year 1373. She identifies the female nature of Christ's suffering and the motherhood of God, using images from domestic daily life, emphasizing the homeliness of God's love. She writes in a lively and unpretentious manner and her theology is precise without ever being pedantic.

In this new edition that includes a study guide, popular author Walter Brueggemann writes that the Sabbath is not simply about keeping rules but rather about becoming a whole person and restoring a whole society. Brueggemann calls out our 24/7 society of consumption, a society in which we live to achieve, accomplish, perform, and possess. We want more, own more, use more, eat more, and drink more. Brueggemann shows readers how keeping the Sabbath allows us to break this restless cycle and focus on what is truly important: God, other people, all life. Perfect for groups or self-reflection, Sabbath as Resistance

offers a transformative vision of the wholeness God intends, giving world-weary Christians a glimpse of a more fulfilling and simpler life through Sabbath observance.

Days with a Great Spiritual Teacher Series

The first book ever written in English by a woman—and an essential guide to living a Christian life. Her work—in the same Middle English as her contemporary Geoffrey Chaucer—is dense, deeply intuitive, and theologically complex. In the last thirty years, there have been several translations of her book, but they've tended to be coolly academic, merely paraphrased, or too literal to capture Julian's true meanings. This translation finally liberates Julian and her inspired insights from the linguistic jungle and presents her work in a style and format which breaks through not only to her deepest meanings, but to the character of the gentle woman herself.

Abandonment to Divine Providence Wood Lake Publishing Inc.

The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity

and her pilgrimages to Europe and the Holy Land. Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an extraordinary record of human faith and a portrait of a medieval woman of unforgettable character and courage. *All Will be Well* Paraclete Essentials Julian of Norwich, an anchoress of the fourteenth century, has captured the imagination of our time in a remarkable way. She shares with her readers the deepest and most intimate experiences of her life through her writings. This detailed study of Julian attempts not only to penetrate her theological ideas but also brings to life her world and her life as an anchoress. Grace Jantzen has more than an academic interest in Julian's writings and sets out to integrate scholarly findings with contemporary spirituality. There is much in the thought of this extraordinary woman mystic which is excitingly relevant; her insights into spiritual growth and wholeness foreshadow the modern interest in psychotherapy and her image of Christ as mother has resounding implications for Christian feminist theology. In a new introduction to this

edition, the author explores what it might mean to be an anchoress in post modernity, and how reflections on Julian of Norwich and her desire for God can enable us to become the space of divine transformation. This is a book not only for those who have a scholarly interest in Julian, but also for anyone drawn to Christian mysticism and the place of women within that tradition. Julian of Norwich, an anchoress of the fourteenth century, has captured the imagination of our time in a remarkable way. She shares with her readers the deepest and most intimate experiences of her life through her writings.

*Showing of Love* SkyLight Paths Publishing  
The Revelations of Divine Love are Lady Julian of Norwich's explanations of her religious visions involving Jesus Christ - they are among the most poignant examples of Christian writing in the Middle Ages. First published in the late-14th century, *Revelations of Divine Love* is a series of devotional writings by one of Christianity's most revered mystics and visionaries. The text describes the sixteen visions Julian experienced, and includes her interpretation of their mystical and theological meanings. The reflections of Lady Julian were a comfort at a time when the Black Death, or bubonic plague, was ravaging Europe. Julian herself is thought to have lost her family to the plague, having taken up the position of anchoress as a means of self-quarantine from an epidemic which would eventually claim

over a third of Europe's population.

*The Book of My Life* Cosimo, Inc.

"This edition of Julian of Norwich, 'Showing of Love', studies the Brigittine-Syon Abbey-related manuscripts: British Library, Amherst; Westminster Cathedral; Paris Bibliothèque Nationale texts; and the careful copies made by English Benedictine nuns at Cambrai in the Sloane manuscripts now in the British Library, and the Margaret Gascoigne/Bridget More and Barbara Constable, O.S.B., fragments" -- Front flap of book jacket.

*All Shall be Well* Sismel

And all shall be well and all manner of things shall be well...In 1373, when she was thirty years old, Julian of Norwich received a series of sixteen visions. Pondering in prayer their meaning for twenty years, she gradually came to realise their full significance. Written from the heart and borne from experience, Julian's REVELATIONS OF DIVINE LOVE is inspiring reading for all who seek to live their lives in close union with God. Her reflections are steeped in the Bible, contain many profound insights into contemplative prayer and are as relevant today as when they were originally

written. The greatest of the female mystics and a spiritual guide for today, Julian additionally holds the distinction of

being the first woman to write a book in the English language. This new edition

includes an introduction that sets Julian in the context of her time, and a foreword by Jeremy Begbie.
