52 Ways to Live a Kick-Ass Life Simon and Schuster

"I raced through RADICAL CANDOR--It's thrilling to learn a framework that

shows how to be both a better boss and a better colleague. RADICAL CANDOR is packed with illuminating truths, insightful advice, and practical suggestions, all illustrated with engaging (and often funny) stories from Kim Scott's own experiences at places like Apple, Google, and various start-ups. Indispensable."--Gretchen Rubin author of NYT bestseller THE HAPPINESS PROJECT "Reading Radical Candor will help you build, lead, and inspire teams to do the best work of their

lives. Kim Scott's insights--based on her experience, keen observational intelligence and analysis--will help you be a better leader and create a more effective organization."-- Sheryl Sandberg author of the NYT bestseller LEAN IN "Kim Scott has a well-earned reputation as a kick-ass boss and a voice that CEOs take seriously. In this remarkable book, she draws on her extensive experience to provide clear and honest guidance on the fundamentals of leading others: how to give (and

receive) feedback, how to make smart decisions, how to keep moving forward, and much more. If you manage people?whether it be 1 person or a 1,000--you need RADICAL CANDOR. Now."--Daniel Pink author of NYT bestseller DRIVE From the time we learn to speak, we're told that if you don't have anything nice to say, don't say anything at all. When you become a manager, it's your job to say it--and your obligation. Author Kim Scott was an executive at Google and

then at Apple, where she developed a class on how to be a good boss. She has earned growing fame in recent years with her vital new approach to effective management, Radical Candor. Radical Candor is a simple idea: to be a good boss, you have to Care Personally at the same time that you Challenge Directly. When you challenge without caring it's obnoxious aggression; when you care without challenging it's ruinous empathy. When you do neither it's manipulative insincerity.

This simple framework can help you build better relationships at work, and fulfill your three key responsibilities as a leader: creating a culture of feedback (praise and criticism), building a cohesive team, and achieving results you're all proud of. Radical Candor offers a guide to those bewildered or exhausted by management, written for bosses and those who manage bosses. Taken from years of the author's experience, and distilled clearly giving actionable

lessons to the reader; it shows managers how to be successful while retaining their humanity, finding meaning in their job, and creating an environment where people both love their work and their colleagues.

Think Like a Champion

Image Comics

From the millionaire entrepreneur and New York Times bestselling author of The 10X Rule comes a bold and contrarian wake-up call for anyone truly ready for success. One of the 7 best motivational books of 2016, according to Inc. Magazine. Before Grant Cardone built five

successful companies (and counting), became a multimillionaire, and wrote bestselling books... he was broke, jobless, and drug-addicted. Grant had grown up with big dreams, but friends and family told him to be more reasonable and less demanding. If he played by the rules, they said, he could enjoy everyone else's version of middle class success. But when he tried it their way, he hit rock bottom. Then he tried the opposite approach. He said NO to the haters and naysayers

and said YES to his burning, outrageous, animal obsession. He reclaimed his obsession with wanting to be a business rock star, a super salesman, a huge philanthropist. He wanted to live in a mansion and even own an airplane. Obsession made all of his wildest dreams come true. And it can help you achieve massive success too. As Grant says, we're in the middle of an epidemic of average. The conventional wisdom is to seek balance and take it easy. But that has really

just given us an excuse to be unexceptional. If you want real success, you have to know how to harness your obsession to rocket to the top. This book will give you the inspiration and tools to break out of your cocoon of mediocrity and achieve your craziest dreams. Grant will teach you how to:

- Set crazy goals—and reach them, every single day.
- Feed the beast: when you value money and spend it on the right things, you get more of it.
- Shut down the doubters—and use your

haters as fuel. Whether you're a sales person, small business owner, or 9-to-5 working stiff, your path to happiness runs through your obsessions. It's a simple choice: be obsessed or be average.

Go Where There Is No Path Wiley 'Sarah doesn't just sit at the table - she stands on it. She's full of inspiring advice about how to bounce back from failures, speak your truth,

embrace your quirks, and have a lot more fun along the way.' Sheryl Sandberg, Facebook COO and Founder of Leanin.org As a child, Sarah Robb O'Hagan felt destined to become a champion, but her early efforts at sport, music and theatre failed to reveal a natural superstar. Unwilling to settle for average, she learned through a series of dramatic successes and epic failures to follow her own path to success. Sarah climbed the corporate ladder at Virgin Atlantic, Nike, Gatorade

and Equinox - also becoming a wife, mother and endurance athlete - and though in her twenties she was fired twice, in her thirties she led the turnaround of a \$5 billion sports drink business. Her approach has stemmed from personal experience and inspiration from the band of highly accomplished 'Extremers' that she has met along the way: entrepreneurs, corporate leaders, TV personalities, an Olympic champion downhill skier, a former secretary of state, and

even a world-famous tattoo artist. These Extremers helped her recognise that success doesn't come from conforming, hiding weaknesses or reaching some pre-planned destination. The bolder choice is to embrace Extreme You: to bring all that is distinctive and relevant about yourself to everything you do, and to bring out the Extreme in the people and the culture around you. Inspiring, practical and funny, Extreme You is Sarah's training programme for
