Several years have passed, but Sylvia McMillan still can't run and hide from the

truth that continues to tear at her soul. Her love for Jonathan Taylor, her ex-friend's husband, remains. Jonathan has moved on, though. In less than six months, he plans to watch his new bride cascade down the aisle as they join hands in holy matrimony. He's not about to let Sylvia's slickness derail him again--but then again, how can he resist the one woman who is willing to honor every single one of his wishes? As the lines of their so-called friendship are crossed again, Sylvia and Jonathan begin to wonder if their future together is destined. While there are plenty of people standing in line to

prove them wrong, one woman in particular prepares to make things right. Dana is now a bitter ex-wife and ex-best friend. There is a price to pay for Jonathan leaving her high and dry, and his involvement with Sylvia, again, will deliver major consequences.

In “Cum Master,” Laila Reynolds loves the sweet sting of a whip from those who seek her out through her website, promising solicitors a night of hot, steamy fun they’ll never forget. In “Liquid Heat,” there’s nothing more delicious to businesswoman Ebony Rice than being on the receiving end of a gangbang with six lovely, harness-strapped women. In “Straight No Chaser,” playboy-stud Reggie Sanders loves the chase of beautiful straight women. That’s until she seduces a woman who gives Reggie a taste of her own medicine—straight with no chaser.

In this final part in the Hell House trilogy, six fiery characters compete to win \$100,000 in an outrageous competition that sends drama levels through the roof. Everyone is invited inside Hell House, but only a chosen few have been selected to

come together in a contest that could unite them—or destroy them. For three months, living in one bedroom, using one bathroom, dining at the same kitchen table, sharing one TV, and with no access to family or cell phones, the contestants face some serious problems. But whatever happens, the last person standing will have bragging rights—and probably scars for life. In *The Reunion Show*, author Brenda Hampton brings back the most memorable and controversial characters from her bestselling novels: Roc Dawson from *Full Figured*, Chase Jenkins from *Don’t Even Go There*, Sylvia McMillan from *SLICK*, Jada Mahoney from *How Can I Be Down?*, “Prince” Perkins from *Street Soldier*, and Jaylin Rogers from the *Naughty* series. These six will attempt to put their overwhelming differences aside and calm their unique personalities. Without supervision, though, nothing is off limits. Drama’s the main course, topped with a hint of raunchiness and manipulation, and served by cutthroat individuals determined to have it all. Who will be the last woman or man standing, and who will walk out, slamming the door and screaming at the top of their lungs?

Find out in this shocking conclusion to the Hell House series.
