 Neuropsychologist Offers Hope to Those Struggling with Depression As a board-certified neuropsychologist, Dr. Michelle Bengtson sees the devastation of depression. Early on, she practiced the most effective treatments and prescribed them for her clients. But when she experienced depression herself, she found that the treatments she had recommended were lacking. Her experience showed her the missing component in treating depression. In *Hope Prevails*, Dr. Bengtson writes with deep compassion, blending her training and faith, to offer readers a hope grounded in God's love and grace. She helps readers understand what depression is, how it affects them spiritually, and what, by God's grace, it cannot do. The result is an approach that offers the hope of release, not just the management of symptoms. For those who struggle with depression and those who want to help them, *Hope Prevails* offers hope for the future.

The daily devotions on prayer for physical healing continue in Week 3! Sickness and miraculous healing are shrouded in mystery. Not many know how to pray for themselves or a loved one when they are sick. Not only that, most people don't feel confident that God is willing to help them when they pray. After John W. Nichols (author of *GOD is HERE*) discovered his daughter had many symptoms of autism, he began reading the Bible with new eyes, trying to understand healing for today. Soon he felt impressed to fast for 7 weeks and pray through Scriptures about healing daily. *Healing is Here: A 49-Day Devotional Journey of Healing Through the Bible*, compiles the author's notes and prayers during his fast. It has been organized to apply to anyone who wants to learn about healing at their own pace, with Scriptural support, suggested prayers, and journaling prompts. (There is no requirement to fast while going through this devotional) John systematically teaches the mysteries he has unlocked over the course of four years of studying and applying Biblical Christian healing. He wrote this devotional with the hope of helping others who are in similar circumstances: those who desperately need healing, aren't sure how to pray, and are wondering if God is willing to help. Week 3 covers verses that reveal:

- How to recognize and claim the promises of God
- How to experience the Kingdom of Heaven on earth
- The importance of controlling your thoughts and feelings
- How God teaches and disciplines His children
- How to have peace instead of fear
- Healing came with driving out evil spirits
- Is the anointing of Jesus still active today?

 Over the course of the full 49 days you will discover:

- What is God and Jesus's will regarding healing
- How Jesus fulfilled prophetic verses of healing
- How God's will is accomplished
- What we can learn from the remarkable similarity between salvation and healing
- What do covenants have to do with sickness and healing
- How to receive the same blessings God promised His people in the Bible
- How God

disciplines and teaches us • What faith has to do with healing • What we can learn about God by looking at Jesus in the gospels • How sin and righteousness affects healing • What the Bible teaches us about evil spirits • How Jesus showed us to fight the enemy, and how to be equipped for that fight • How Satan attacks, and what we can do about it • What Jesus told His disciples (and us) to do • What is the right atmosphere for healing • How to exercise and apply Jesus's name, authority, anointing, and blood • How fear and doubt play into sickness and how to overcome them • How to heal the soul (thoughts and emotions) • What are the promises and benefits of God, and how to claim them • How fasting affects healing • Many surprising (and practical) elements of healing seen in the Bible which can be applied today Don't forget to get the free resources linked within the book! "What I love about this devotional is that it answers questions about healing (mentally, physically, spiritually and emotionally) in such a relatable way. Each devotional is loaded with Bible verses, a prayer and thought provoking questions to help you journal your journey to healing and restoration. This is a must read for anyone from the new believer to the person that's walked with Christ their whole life. You will gain new understanding of the Scriptures and insight into who God is and how He wants to heal you." — Chris Hendrix, Author of Devotional Guide to Stretching Your Faith, Devotions By Chris, DevotionsByChris.com "Healing is Here is a powerful resource for those pursuing physical healing in their bodies. Written with gentleness and humility, he addresses so many deep concepts in a way that quietly unravels the bad theology we've so often been taught. Jesus truly was Healer while on earth, and His Father is no different. This book is written in an accessible weekly format, so the ideas can be revisited easily as necessary. Healing is part of our portion as believers, so don't live another day sick. Pick up this book and get grounded in what the eternal Word has to say about wholeness in your body!" — Andrea Joy Moede, Writer, Coach, Speaker, Author of Misunderstood, Path of Truth, and God is Light, AndreaJoy.org "I had such a leap in my spirit that this book is going to be so anointed for the times we are in. The introduction and first devotional gave me a hunger to know more about healing."— Danielle Edens, Author of Breaking Out of the Cocoon, Founder of Second Chance Dreamers "John Nichols is an example of a young man whose life has been marvelously transformed when he surrendered to Christ. He now lives to share what he has learned with others. His Bible-based teaching will lead every follower of Jesus into a deeper, more joyful walk." — Joanne Hillman, Author of Listening Prayer, A Perfect Marriage, Song of Salome, and more, JoanneHillman.com

FOCUS IS IMPORTANT. The better your focus, the more clearly you can see. But it is important that your focus be on the right thing because your direction will follow your focus. When your focus is clear and on the right thing, then you will be heading in the right direction. The gospel of our faith is the good news that the kingdom of God has come and Jesus is the Messiah, God's anointed King. He is the focus of our faith — not only the One upon whom we fix our attention but also the One through whom we view the whole world, to see more clearly and understand God's purpose with greater wisdom. That is what Paul's letter to the Jesus believers at Colosse is about. This book is a study of that letter. In it you will learn about: • The blessing and inheritance God has for you • The divine power trio: faith, hope and love • A walk that is worthy, a life that is pleasing and fruitful • Knowing God more and more • How all things hold together • Where all divine fullness dwells • The reconciliation of heaven and earth • The good news of God's pleasure • The revelation of divine glory in you • Being rooted and built up in Jesus • The powers that have been disarmed • Living from a higher realm • The Word that qualifies us • Clothes for your new life • New life at home and in the community of faith • The spiral of watchful, thankful prayer • Walking in wisdom... and more These are "bite-size" studies to help guide you through Paul's letter, a little at a time. At the end of each study are focus questions to help you think further about the truths Paul brings. They are open-ended questions to allow for maximum personal reflection and group discussion.

The Author, LoAnna Warren, has always sensed the presence of God in her life. For many long years, she sought God and had a desire to serve the Lord with her whole heart. Several years ago, she recognized there was a call on her life and encountered what one would call "wilderness" experiences. As she began to overcome, God gave her revelations about bondage and deliverance and what it takes to live a victorious life in the earth (Matthew 6:33). She truly believes that the power of God is more powerful than any other force and that with God all things are possible. LoAnna has a heart for empowering women and a strong desire to see God's people walk in victory.This prayer devotional is for anyone who desires a closer walk with God, to intercede for others, and to pull down strongholds. The passages are filled with testimonies, wisdom, and prayers relevant to many of life's issues and circumstances. As you meditate on the Word of God and pray, be prepared for your life to be transformed. Your mind will be renewed as you pray powerfully by activating the power of the spoken Word. This is based on understanding that life and death are in the power of your tongue. Because we are made in the image of God, we can expect transformation when we pray. The world came into existence by God's spoken Word - so powerful that when His Word went forth, it accomplished what He intended!

I have experienced divine healing several times in my life. My healing experiences has taught me that God will heal us over and over again, not because we are perfect or holy, but because He wants us to be healthy and sound to be able to live a great life and do His will. My experience has taught me that getting healed is very, very easy. Many times, it's we that try to make things complicated. The enemy tries to convince us that we are sinners, that we've done a lot of bad things and so not qualified for healing. But the scripture says that God forgives our sins and heals our diseases. Never allow the devil to play with your mind that because you've sinned before now, that you'll die. The devil is good at playing mind games with people. He'll try to convince you that you're not qualified for God's healing. It doesn't matter what they call it: Cancer, Diabetes, Stroke, ADHD, Arthritis, Asthma, Autism Spectrum Disorder (ASD), Ebola, Epilepsy, Genital Herpes, etc ... God wants you healed. In this book, you'll discover great healing scriptures, powerful healing prayers and prophetic declarations from the Bible. These healing scriptures, prayers and prophetic declarations will help you experience instant divine healing...and you'll walk in divine health. This book will help you to unleash the healing power of God in your life within a few hours. I believe that God does not just want to heal you; He also wants to heal every member of your family, friends and neighbors. He wants you to be healed and live a healthy life. As we go through the scriptures for healing and say the powerful prayers and prophetic declarations in this book, you will experience God's healing power and your testimony will be permanent. Share these prayers for healing and strength with a friend, neighbor, anyone who is experiencing weakness, pain, torment and sickness at the moment and help them receive their healing from God and walk in total health.

Healing is Here—Week 2 Charisma Media

Time, time, time. In this fast moving world of modern, ever changing technology we all struggle with time to do the things we know we need to do. One of those "need to" disciplines is the daily reading of God's Word in a way that is life-changing and mind renewing. When Bernd Weimer told me that he was going to write a book on how to systematically read and study the entire Bible in a year, it was all I could do to keep from saying "Oh no, not another read-the-Bible-in-a-year book." Although I was inwardly skeptical, I encouraged him as he started the project. There were so many books already written from a Bible devotional nature that Bernd's book would have to be very unique to be accepted and widely used. But Bernd has pulled it off. He has developed a method whereby the reader can work his or her way through the Word of God without guilt of failure. This book is more than just a Bible reading plan. When used, this book can become a lifelong journal filled with your impressions from the Lord, special quotes from people that have touched your heart and spirit, and your own personal Bible study notes. To the casual reader, this book will be impressive because of its sheer simplicity, and yet many will be astonished by the book's depth of allowing the reader to make it his or her own life history with the Lord. It is a single, bright sword, cut across three different books in one: a Bible reading guide, a person journal, and a Biblical insight on key passages.

Two common questions generally rise to the surface for those seeking healing: Is it God's will to heal? And is it God's will to heal me? From his personal story of suffering with coronary artery disease, to the loss of his sister to cancer, and his daughter's diagnosis of arthritis at a young age, Pastor Glen Berteau approaches these life-altering events with firsthand insight and revelation. He explains how, even in the most challenging circumstances, God can turn the worst into the best and use it all for our good. By countering seventeen hindrances to prayer for healing, Pastor Berteau breaks through possible misunderstanding regarding God's good intentions for his children. This book can initiate in your heart the faith that moves mountains--why settle for anything less?

The daily devotions on prayer for physical healing continue in Week 4! Sickness and miraculous healing are shrouded in mystery. Not many know how to pray for themselves or a loved one when they are sick. Not only that, most people don't feel confident that God is willing to help them when they pray. After John W. Nichols (author of GOD is HERE) discovered his daughter had many symptoms of autism, he began reading the Bible with new eyes, trying to understand healing for today. Soon he felt impressed to fast for 7 weeks and pray through Scriptures about healing daily. Healing is Here: A 49-Day Devotional Journey of Healing Through the Bible, compiles the author's notes and prayers during his fast. It has been organized to apply to anyone who wants to learn about healing at their own pace, with Scriptural support, suggested prayers, and journaling prompts. (There is no requirement to fast while going through this devotional) John systematically teaches the mysteries he has unlocked over the course of four years of studying and applying Biblical Christian healing. He wrote this devotional with the hope of helping others who are in similar circumstances: those who desperately need healing, aren't sure how to pray, and are wondering if God is willing to help. Week 4 covers verses that reveal: • What is included in Jesus's fulfillment of a major Old Testament prophecy of healing • How sin relates to sickness • What covenants have to do with healing • What Satan's avenue of attack is • The part generational sins and curses plays in our lives • How Jesus planned for healing to continue after Him • And another unexpected aspect of healing Over the course of the full 49 days you will discover: • What is God and Jesus's will regarding healing • How Jesus fulfilled prophetic verses of healing • How God's will is accomplished • What we can learn from the remarkable similarity between salvation and

healing • What do covenants have to do with sickness and healing • How to receive the same blessings God promised His people in the Bible • How God disciplines and teaches us • What faith has to do with healing • What we can learn about God by looking at Jesus in the gospels • How sin and righteousness affects healing • What the Bible teaches us about evil spirits • How Jesus showed us to fight the enemy, and how to be equipped for that fight • How Satan attacks, and what we can do about it • What Jesus told His disciples (and us) to do • What is the right atmosphere for healing • How to exercise and apply Jesus's name, authority, anointing, and blood • How fear and doubt play into sickness and how to overcome them • How to heal the soul (thoughts and emotions) • What are the promises and benefits of God, and how to claim them • How fasting affects healing • Many surprising (and practical) elements of healing seen in the Bible which can be applied today Don't forget to get the free resources linked within the book!
