Gain the skills needed to converse in English with confidence!
Conversing comfortably in a new language can seem like a

daunting task. This accessible guide will help you build the skills to communicate in English with confidence. The book is packed with crystal-clear explanations, numerous realistic examples, and dozens of engaging exercises to help you hone your conversation skills. You'll learn how to introduce yourself, make appointments, strike up conversations, and much more. Practice Makes Perfect: English Conversation is organized around 12 units that present specific conversational situations and common, everyday scenarios. Each unit offers helpful instructions on correct pronunciation, grammar, syntax, and word usage. The exclusive McGraw-Hill Language app features streaming audio recordings of all dialogues in the book plus the answers to more than 100 exercises. Practice Makes Perfect: English Conversation will help you:

- Engage in dialogues that illustrate practical conversations
- Expand your English vocabulary
- Get clarification of new

concepts with numerous realistic examples • Reinforce your new conversational skills through extensive exercises • Test your understanding of key themes in the book • Improve your pronunciation through audio dialogs and exercises, online and via the McGraw-Hill Language app

OUP Oxford

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.
