Billboard Penguin

From the popular blogger behind Simply Scratch comes a debut cookbook of easy and accessible family recipes — the new bible for cooking with whole foods. For Laurie McNamara, growing up on a farm in the country had major perks: her mother cooked with vegetables from the family garden, they collected fresh eggs from the chicken coop, and absolutely everything—from ketchup to casseroles—was made 100 percent from scratch, with whole foods. When McNamara moved away from home,

though, she found herself too busy to prepare from-scratch meals, between working full time and raising two kids. Like most Americans, she relied on boxed brownie mix, canned soup, bottled dressings, and frozen dinners to make home cooking quicker and cheaper. But she soon learned that these so-called shortcuts were in fact both more expensive and light-years less healthy than simply making everything herself. Eventually, she'd had enough and vowed to remake her kitchen into a from-scratch kitchen. Now, five years later, McNamara has helped hundreds of thousands of home cooks prepare from-scratch meals with whole-food ingredients through her blog, Simply Scratch. McNamara's highly anticipated debut cookbook, Simply Scratch, brings her home-cooking know-how to the nation, with 120 wholesome, tasty recipes along with stunning photography, entertaining anecdotes, and personal musings. This book offers easy recipes for delectable concoctions such as Buckwheat Pancakes, Veggie Pesto Pizza, Creamy Roasted Tomato Soup, and Fudy Chocolate Toffee-Topped Brownies. Simply Scratch will be the must-have bible to

cooking beyond the box and can. Featuring a down-to-earth approach and family recipes that use everyday ingredients, *Simply Scratch* proves cooking from scratch can be affordable, simple, fun, and—of course—absolutely delicious.

120 Wholesome Homemade Recipes Made Easy

This comprehensive guide is designed for anyone needing additional practice while trying to master all the GMAT question types. 501 GMAT Questions will help those hoping to gain admission to their ideal business school by walking them step-by-step through 501 questions with detailed set-up and answer explanations.

Organized by question type, this book features extensive practice for the most-tested concepts on the Analytical Writing, Quantitative, and Verbal test sections.

Discover the groundbreaking method to defeat diabetes without drugs using the step-by-step diet plans and recipes from #1 New York Times bestselling author Dr. Michael Mosley. *The 8-Week Blood Sugar*

Diet is a radical new approach to the biggest health epidemic threatening us today... Our modern diet, high in low-quality carbohydrates, is damaging our bodies—producing a constant overload of sugar in our bloodstream that clogs up our arteries and piles hidden fat into our internal organs. The result has been a doubling in the number of type 2 diabetics, as well as a surge in those with a potentially hazardous condition—prediabetes. It is now known that even moderately elevated blood sugar levels can trigger heart disease, stroke, dementia, and cancer. But scientists have recently demonstrated that you can prevent and even reverse type 2 diabetes with a simple change in diet and lifestyle. Drawing on the work of Dr. Roy Taylor—one of the UK's foremost diabetes experts—and his own experience as a one-time diabetic, Dr. Michael Mosley presents a groundbreaking, science-based, 8-week plan for diabetics who want to reverse their condition (and then stay off medication). He also offers a more flexible regime for people interested in the extensive health benefits to be gained from lowering their blood sugar levels and

shedding dangerous fat. As Dr. Mosley says, it is never too late to act.

There are many challenges facing those individuals entering federal prison. These challenges are not easy, but they are controllable if you have the proper knowledge, resources, and motivation. Jail time offers solutions to the problems by providing a wealth of information to help families get through their ordeal together and get the offender back home in the shortest possible amount of time--P.
