WERNER SANTIAGO

An Invitation to Contemporary Japanese HarperCollins Leadership

Learn cool slang, funny insults and all the words they didn't teach you in class with this comprehensive guide to dirty Japanese. You've taken Japanese lessons and learned all kinds of useful phrases. You know how to order dinner, get directions, and ask for the bathroom. But what happens when it's time to drop the textbook formality? To really know a language, you need to know it's bad words, too. You need Dirty Japanese. From common slang and insulting curses to explicit sexual expressions, this volume teaches the kind of Japanese heard every day on the streets from Tokyo to Kyoto from "What's up?" (Ossu?) to "I'm smashed," (Beron beron ni nattekita.).

McGraw-Hill Humanities, Social Sciences & World Languages

The First Edition of Yookoso!: An Invitation to Contemporary Japanese was warmly and enthusiastically received by Japanese language instructors not only in North America, but also abroad. The preliminary chapters entitled "Getting Started" were a First Edition feature that many instructors and students found especially useful and effective for their introductory Japanese courses. In response to this positive response, we have revised and expanded these preliminary chapters as a primer to introduce learners to the Japanese language, providing them with a basic foundation for learning

Japanese. Yookoso!: Getting Started with Japanese has been developed according to two basic premises: (1) proficient communication in the second language is the goal of foreign language instruction, and (2) the primary function of language is to allow people to communicate, interact, and negotiate meaning. Yookoso!: Getting Started with Japanese provides a starting point for oral and written communication and helps students to develop proficiency in the four language skills of listening, speaking, reading, and writing, as well as in cultural awareness. With this emphasis on interaction in the classroom, students enjoy learning Japanese. The Yookoso! materials and approach have been extensively tested with beginning students of Japanese. In our experience, students become proficient in Japanese more quickly using the Yookoso! approach. The flexible framework of the Yookoso! materials accommodates various approaches to language teaching and different learning styles.

Presenting Psychology is a fresh, concise variation of the breakout bestseller Scientific American: Psychology, combining the communicative style of the world's most respected science magazine with thoughtful immersive learning to help you reach all kinds of students. Authored by longtime community college instructors Deborah Licht and Misty Hull alongside science journalist, Coco Ballantyne, the text centers on profiles and video interviews of 25 real people to help students better understand, remember, and relate to psychology's defining concepts. Chapters also feature full-page Scientific American-style infographics which guide students through essential, often complex concepts step by step.

Yookoso! Continuing with Contemporary Japanese Student Edition with Online Learning Center Bind-In Card Simon and Schuster

This volume is a textbook for aspiring translators of Japanese into English, as well as a reference work for professional Japanese-English translators

and for translator educators. Underpinned by sound theoretical principles, it provides a solid foundation in the practice of Japanese-English translation, then extends this to more advanced levels. Features include: 13 thematic chapters, with subsections that explore common pitfalls and challenges facing Japanese-English translators and the pros and cons of different procedures exercises after many of these subsections abundant examples drawn from a variety of text types and genres and translated by many different translators This is an essential resource for postgraduate students of Japanese-English translation and Japanese language, professional Japanese-English translators and translator educators. It will also be of use and interest to advanced undergraduates studying Japanese.

A Concise Introduction McGraw-Hill Education

The essence of beginning and intermediate Japanese.

Loose-leaf Version for Scientific American: Presenting Psychology McGraw-Hill Humanities/Social Sciences/Languages

The cornerstone text on obstetrical procedures – completely updated to reflect today’s practice Since its first edition, Operative Obstetrics has provided clinicians with clear, step-by-step, detailed guidance for every major surgical procedure performed in current obstetrical practice. Emphasizing the scientific underpinnings of clinical obstetrics, this trusted classic is enhanced by more than 670 illustrations (most in full color and new to this edition), including sonograms, magnetic resonance images, photographs, and micrographs. This Third Edition has been completely updated and redesigned with a more streamlined presentation that incorporates current guidelines from respected professional and academic organizations such as the American College of Obstetricians and Gynecologists, The Society for Maternal-Fetal Medicine, and The Centers for Disease Control and Prevention. Much of this data is presented in newly created tables specifically designed to make the information easy to read and apply. Here’s why this is the leading text of obstetrical procedures: • Logically organized in four sections: (1) General Considerations, which includes valuable surgical basics such as needle and suture selection, knots, surgical instruments, anatomy, and incisions and closures; (2) Antepartum, which describes management of first-trimester pregnancy-related complications, fetal diagnosis and therapy, and preparation of the gravida for surgery; (3) Intrapartum, which presents complex vaginal and cesarean deliveries; and (4) Postpartum, which offers guidance on obstetrical hemorrhage, surgical complications, and puerperal sterilization • Coverage spans every aspect of operative obstetrics • Updated to include timely new material on laparoscopy, placenta accreta, fetal therapy, perioperative radiological imaging, and clinical simulation • NEW full-color surgical illustrations provide visual guidance for both simple and complex procedures

Continuing with Contemporary Japanese Tuttle Publishing

This is the first volume of a two-volume series for beginning Japanese courses. Based on modern principles of second-language teaching and acquisition, Yookoso! was the first beginning Japanese text to integrate the teaching of all four language skills (listening, speaking, reading, writing) and to offer a full complement of ancillary materials. In this series, grammar is treated as a tool for developing the ability to communicate in Japanese, rather than as the focal point of the text, and the rich illustration program (including photographs, line drawings, and realia) provides an attractive context for language learning.

Everyday Slang from "What's Up?" to "F*%# Off!" Cengage Learning

Yookoso! Continuing with Contemporary Japanese is the second volume of a two-volume series for beginning Japanese courses. Based on modern principles of second-language acquisition, Yookoso! was the first beginning Japanese text to integrate the teaching of all four language skills (listening, speaking, reading, and writing) and offer a full complement of ancillary materials. In this text, grammar is treated as a tool for developing the ability to communicate in Japanese, rather than as a focal point. The rich illustration program—including photographs, line drawings, and realia—provides an attractive context for language learning.

An Invitation to Contemporary Japanese McGraw-Hill Humanities, Social Sciences & World Languages

NAKAMA 1 is a complete, flexible introductory program designed to present the fundamentals of the Japanese language to users. The NAKAMA 1 program focuses on proficiency-based language learning, emphasizes practical communication and student interaction, and fosters the development of all four language skills and cultural awareness. Thematically organized chapters focus on high-frequency communicative situations and introduce students to the Japanese language and its three writing systems: hiragana, katakana, and kanji. Maintaining the program's balanced approach, the new edition features updated technology resources, updated culture, and contemporary vocabulary to enhance both teaching and learning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Yookoso! An Invitation to Contemporary Japanese (Student Edition) McGraw-Hill College

Yookoso! An Invitation to Contemporary Japanese is the first volume of a two-volume series for beginning Japanese courses. Based on modern principles of second-language acquisition, it was the first beginning Japanese text to integrate the teaching of all four language skills (listening, speaking, reading, and writing) and offer a full complement of ancillary materials. In this text, grammar is treated as a tool for developing the ability to communicate in Japanese, rather than as a focal point. The rich illustration program—including photographs, line drawings, and realia—provides an attractive context for language learning.

Launch Your Dream Macmillan Higher Education

Yookoso!, meaning welcome in Japanese, is the second volume of a two-volume series for beginning Japanese courses. Based on modern principles of second-language acquisition, it was the first beginning Japanese text to integrate the teaching of all four language skills (reading, writing, listening, speaking) and to be accompanied by a full complement of ancillary materials. Grammar is treated as a tool for developing the ability to communicate in Japanese, not as the focal point of the text. The illustration program (photographs, line drawings, realia) and the two-color, hard-cover format is unique in this field, providing an attractive context for language learning.
