A History of the Republic, Volume II McFarland

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Boardwalk of Dreams McGraw-Hill Education

The relationship between humans and animals has always been strong, symbiotic and complicated. Animals, real and fictional, have been a mainstay in the arts and entertainment, figuring prominently in literature, film, television, social media, and live performances. Increasingly, though, people are anthropomorphizing animals, assigning them humanoid roles, tasks and identities. At the same time, humans, such as members of the furry culture or college mascots, find pleasure in adopting animal identities and characteristics. This book is the first of its kind to explore these growing phenomena across media. The contributors to this collection represent various disciplines, to include the arts, humanities, social sciences, and healthcare. Their essays demonstrate the various ways that human and animal lives are intertwined and constantly evolving.

For the AP Course Cengage Learning

* Winner of the 2017 National Book Critics Circle Award * National Book Award Finalist * Time magazine Top 10 Nonfiction Book of the Year * New York Times Notable Book * Publishers Weekly Best Books of 2017 This “epic history” (The Boston Globe) from Pulitzer Prize-winning historian Frances FitzGerald is the first to tell the powerful, dramatic story of the Evangelical movement in America—from the Puritan era to the 2016 election. “We have long needed a fair-minded overview of this vitally important religious sensibility, and FitzGerald has now provided it” (The New York Times Book Review). The evangelical movement began in the revivals of the eighteenth and nineteenth centuries, known in America as the Great Awakenings. A populist rebellion against the established churches, it became the dominant religious force in the country. During the nineteenth century white evangelicals split apart, first North versus South, and then, modernist versus

fundamentalist. After World War II, Billy Graham attracted enormous crowds and tried to gather all Protestants under his big tent, but the civil rights movement and the social revolution of the sixties drove them apart again. By the 1980s Jerry Falwell and other southern televangelists, such as Pat Robertson, had formed the Christian right. Protesting abortion and gay rights, they led the South into the Republican Party, and for thirty-five years they were the sole voice of evangelicals to be heard nationally. Eventually a younger generation proposed a broader agenda of issues, such as climate change, gender equality, and immigration reform. Evangelicals now constitute twenty-five percent of the American population, but they are no longer monolithic in their politics. They range from Tea Party supporters to social reformers. Still, with the decline of religious faith generally, FitzGerald suggests that evangelical churches must embrace ethnic minorities if they are to survive. “A well-written, thought-provoking, and deeply researched history that is impressive for its scope and level of detail” (The Wall Street Journal). Her “brilliant book could not have been more timely, more well-researched, more well-written, or more necessary” (The American Scholar).

American Pageant, Volume 2 Research & Education Assoc.

This detailed primary source reader focuses on political, diplomatic, and social history, presenting documents that include travel literature, religious sermons, newspaper articles, court testimony, and diary entries. An ideal companion for THE AMERICAN PAGEANT, the text can be used with any U.S. history survey text. Social Media and the Secret Lives of Teenagers Houghton Mifflin College Division

“I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world.”—Walt Whitman, “Song of Myself,” *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The

American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

A Massively Collaborative Open U.S. History Textbook, Vol. 2: Since 1877 Stanford University Press
The new edition of American Pageant, the leading program for AP U.S. history, now reflects the redesigned AP Course and Exam that begins with the 2014-2015 school year. The 16th edition helps prepare students for success on the AP Exam by 1) helping them practice historical thinking skills, pulling together concepts with events, and 2) giving them practice answering questions modeled after those they'll find on the exam. The new edition adds a two-page opener/preview to every chapter, guiding students through the main points of the chapter and using questions and elements tied to the AP Curriculum Framework to help them internalize the chapter more conceptually. Also new are additional End-of-Part multiple-choice and short answer questions reflecting the changes to the exam. Practice DBQs and other free response essay questions will still be found at the back of the book.

Unfinished Cengage Learning

Typescript, copyright 2003, edited 2006. Unmarked copy of a musical about Scientology and its founder that opened Dec. 10, 2006, at New York Theatre Workshop, 83 East Fourth Street, New York, N.Y. Sheet music is in separate folder with higher class mark.

The American Pageant Research & Education Assn

This best-selling comprehensive book conveys the relevance of sociology by presenting a timely collection of theories, research, and examples-including its signature first-person accounts that open many chapters. Experiences represented in these opening vignettes accurately mirror the richness and complexity of society, while also establishing the themes that are carried throughout the chapters. Author Diana Kendall's vivid and inviting writing style, emphasis on applications, and eye for the most compelling current examples highlight sociology's relevance to all students. Now in its Tenth Edition, *SOCIOLOGY IN OUR TIMES* is acclaimed in the field for being the first textbook to integrate race, class, and gender issues, and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Atlantic City and the Fate of Urban America Cengage Learning

During the first half of the twentieth century, Atlantic City was the nation's most popular middle-class resort--the home of the famed Boardwalk, the Miss America Pageant, and the board game Monopoly. By the late 1960s, it had become a symbol of urban decay and blight, compared by journalists to bombed-out Dresden and war-torn Beirut. Several decades and a dozen casinos later, Atlantic City is again one of America's most popular tourist spots, with thirty-five million visitors a year. Yet most stay for a mere six hours, and the highway has replaced the Boardwalk as the city's most important thoroughfare. Today the city doesn't have a single movie theater and its one supermarket is a virtual fortress protected by metal detectors and security guards. In this wide-ranging book, Bryant Simon does far more than tell a nostalgic tale of Atlantic City's rise, near death, and reincarnation. He turns the depiction of middle-class vacationers into a revealing discussion of the boundaries of public space in urban America. In the past, he argues, the public was

never really about democracy, but about exclusion. During Atlantic City's heyday, African Americans were kept off the Boardwalk and away from the beaches. The overly boisterous or improperly dressed were kept out of theaters and hotel lobbies by uniformed ushers and police. The creation of Atlantic City as the "Nation's Playground" was dependent on keeping undesirables out of view unless they were pushing tourists down the Boardwalk on rickshaw-like rolling chairs or shimmying in smoky nightclubs. Desegregation overturned this racial balance in the mid-1960s, making the city's public spaces more open and democratic, too open and democratic for many middle-class Americans, who fled to suburbs and suburban-style resorts like Disneyworld. With the opening of the first casino in 1978, the urban balance once again shifted, creating twelve separate, heavily guarded, glittering casinos worlds walled off from the dilapidated houses, boarded-up businesses, and lots razed for redevelopment that never came. Tourists are deliberately kept away from the city's grim reality and its predominantly poor African American residents. Despite ten of thousands of buses and cars rolling into every day, gambling has not saved Atlantic City or returned it to its glory days. Simon's moving narrative of Atlantic City's past points to the troubling fate of urban America and the nation's cultural trajectory in the twentieth century, with broad implications for those interested in urban studies, sociology, planning, architecture, and history.

AP U.S. History Ballantine Books

The authors of *VOYAGES IN WORLD HISTORY* never forget that history is made up of the stories of people. Each chapter of the text centers on a story -- a traveler's account that highlights the book's main theme, the constant movement of people, goods, and ideas. The travelers include merchants, poets, rulers, explorers, soldiers, missionaries, and scholars, and their voyages provide a framework for each chapter that will capture students' interest and draw them into the stories of the people, places, and events crucial to understanding world history. Special features highlight connections across chapters, societies, and periods, helping students understand historical events in a global context. Available in the following split options: *VOYAGES IN WORLD HISTORY*, Third Edition Complete, Volume 1: To 1600, and Volume 2: Since 1500. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A History of the American People Cengage Learning

Explores the changes in the way teenage girls are growing up in America, discussing the new norms, from extreme behaviors to lack of basic communication skills.

A Companion to Twentieth-Century American Drama Lulu Press, Inc

Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is directly aligned with "American Pageant" (15th Edition) so the student will do as well as possible during the course. Included are detailed outlines. The outlines link directly to each chapter and to each chapter's sub-sections, thus making it great for a student taking U.S. History and using Bailey and Kennedy's "American Pageant" as his or her main text and who strives to excel in the course. Note: this is the ebook/epub/ipad version.

Glencoe Chemistry: Matter and Change, Student Edition Vintage

Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.

Cengage Learning

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that

together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).
