The work provides a readable, scholarly introduction to the great figures in Western political theory from Hobbes to Marx. History of Political Theory: An Introduction: Volume II ... This history of political theory is written in the light of the hypothesis that theories of politics are themselves a part of politics. In other words, they do not refer to an external reality but are produced as a normal part of the social milieu in which politics itself has its being. A History

of Political Theory by George H. Sabine Political philosophy, however, is not merely unpractical speculation, though it may give rise to highly impractical myths: it is a vitally important aspect of life, and one that, for good or evil, has had decisive results on political action, for the assumptions on which political life is conducted clearly must influence what actually happens. political philosophy | Definition, History, Theories ... Political philosophy is a branch of philosophy, but it has also been a major part of political science, within which a strong focus has historically been placed on both the history of political thought and contemporary political

theory (from normative political theory to various critical approaches). Political philosophy - Wikipedia This book presents fifty original articles, each covering the entire subject in the history of political philosophy. It provides not only a survey of the state of research but substantial pieces that engage with, and move forward, current debates. Part I addresses questions of method. Articles discuss the contextual method, classically articulated by Quentin Skinner, along with important ... Oxford Handbook of the History of Political Philosophy ...
