Throw away the template for Christmas books and come walk on the kingdom side in an examination of America's most loved holiday. Critical thinking is a must while looking through this lens of history and Scripture. You will be intrigued and enlightened. What's wrong with Christmas? Plenty. This book shines light on various troubling issues involved in celebrating a Christian Christmas. How to clean it up? This will be determined by you and your family. Since we have an abundance of traditions, memories, and reasons to stay just the way we are, Santa-tizing will primarily explore the opposite. Know that in God's kingdom no person is forced to do anything against their will. From the depths of her heart, Robin Main declared, "Here I am, Lord. Do what You will" and thus began a prophetic journey into the intensity of God's heart. Robin has been sequestered with the Lord for the past ten years. Like an archeologist, she has been led to sift through the sands of time to discover various mysteries in relation to some divine messages she received during three epiphanous appearances. Robin's life ambition is to love the Lord with all her heart, all her soul and all her strength; and her neighbor as herself. If Christians are in the workplace, then so is the church. In *The Church In The Workplace*, C. Peter Wagner explores how the role of the church in the work life of believers is just as much a ministry, a service to God and even worship, as what believers do on Sunday in their local churches. A further indispensable step toward activating faith at work is to understand clearly how the extended church operates through the nuclear church and how bridges can be built to join the two. Wagner does just this as he looks at the biblical perspective on work, the Holy Spirit's call to the church to bring about social transformation and worldwide examples of the role the church has already played in the workplace.

Jesus stated that with faith in Him we would accomplish greater things than He. Jesus saved the lost, healed the sick, ministered to the multitudes, and raised the dead. Accordingly, the modern church should be doing much more. So what's the problem? Why do we fall short of our Savior's standard? Quite bluntly, Christianity has caught a chronic case of apathy! In The Cure for Common

Christianity, using a command of theology and a unique, witty writing style, Pastor Tommy Galloway outlines the formula to alleviate this Church crisis. The problems are complex and the symptoms are multi-faceted; the cure is simple—a full-fledged return to the basics of Christianity. The world is disillusioned by the corruption and complacency plaguing our houses of worship. Christians cannot waste time. A spiritually sick world is waiting for a healthy Church to offer hope. They are waiting for - The Cure for Common Christianity. Pastor Tommy Galloway began his ministry at age sixteen. Upon completion of high school in Calhoun City, Mississippi, he attended Jackson College of Ministries and received a degree in Theology. He served as Youth Pastor in Longview, Texas, before beginning evangelistic work throughout the United States. In 1984, he married Candace Greene. They continued evangelistic work until 1988, when they were elected pastors of Powell's Grove Pentecostal Church in Jayess, Mississippi. After pastoring there for six years, they moved to Tupelo, Mississippi, in 1994, to begin evangelistic work again. In 1996, they founded Word of Life Church where they still serve as Senior Pastors. Pastor Tommy's vision is, "Lead Locally, Reach Regionally, and Grow Globally." Although pastoring the phenomenal people of Word of Life Church is his first calling, he still ministers at evangelistic crusades throughout America and other countries. Tommy and Candi have three children, Landon, Kristian, and Alexis.
