An instant New York Times bestseller!
The second gripping novel in the New
York Times bestselling Thursday Murder
Club series, soon to be a major motion
picture from Steven Spielberg at Amblin

Entertainment "It's taken a mere two books for Richard Osman to vault into the upper leagues of crime writers. . . The Man Who Died Twice. . . dives right into joyous fun." —The New York Times Book Review Elizabeth, Joyce, Ron and Ibrahim—the Thursday Murder Club—are still riding high off their recent real-life murder case and are looking forward to a bit of peace and quiet at Cooper's Chase, their posh retirement village. But they are out of luck. An unexpected visitor—an old pal of Elizabeth's (or perhaps more than just a pal?)—arrives, desperate for her help. He has been

accused of stealing diamonds worth millions from the wrong men and he's seriously on the lam. Then, as night follows day, the first body is found. But not the last. Elizabeth, Joyce, Ron and Ibrahim are up against a ruthless murderer who wouldn't bat an eyelid at knocking off four septuagenarians. Can our four friends catch the killer before the killer catches them? And if they find the diamonds, too? Well, wouldn't that be a bonus? You should never put anything beyond the Thursday Murder Club. Richard Osman is back with everyone's favorite mystery-solving quartet, and the second installment of the Thursday Murder Club series is just as clever and warm as the first—an unputdownable, laugh-out-loud pleasure of a read.

Growing up in the shadow of her superstar sister, Solange Knowles became a pivotal musician in her own right. Defying an industry that attempted to bend her to its rigid image of a Black woman, Solange continually experimented with her sound and embarked on a metamorphosis in her art that continues to this day. In *Why Solange Matters*, Stephanie Phillips chronicles the creative journey of an artist who became a beloved voice for the Black Lives Matter generation. A Black feminist punk musician herself, Phillips addresses not only the unpredictable trajectory of Solange Knowles's career but also how she and other Black women see themselves

through the musician's repertoire. First, she traces Solange's progress through an inflexible industry, charting the artist's development up to 2016, when the release of her third album, *A Seat at the Table*, redefined her career. Then, with *A Seat at the Table* and 2019's *When I Get Home*, Phillips describes how Solange embraced activism, anger, Black womanhood, and intergenerational trauma to inform her remarkable art. *Why Solange Matters* not only cements the place of its subject in the pantheon of world-changing twenty-first century musicians, it introduces its writer as an important new voice.

The 'Southern Question' has been a major topic in Italian political, economic and cultural life for a century and more. During the Cold War, it was the justification for heavy government intervention. In contemporary Italy, a major part of the appeal of the Lombard League has been its promise to dissociate the South from the North, even to the point of secession. The South also remains a resonant theme in Italian literature. This interdisciplinary book endeavours to answer the following: - When did people begin to think of the South as a problem? - Who - intellectuals, statisticians, criminologists,

political exiles, novelists (among them some important southerners) - contributed to the discourse about the South and why? - Did their view of the South correspond to any sort of reality? - What was glossed over or ignored in the generalized vision of the South as problematic? - What consequences has the 'Question' had in controlling the imaginations and actions of intellectuals and those with political and other forms of power? - What alternative formulations might people create and live by if they were able to escape from the control of the 'Question' and to imagine the political, economic and cultural differences within Italy in some other way? This timely book reveals how Southern Italians have been affected by distorted versions of a complex reality

similar to the discourse of 'Orientalism'. In situating the devaluation of Southern Italian culture in relation to the recent emergence of 'anti-mafia' ideology in the South and the threat posed to national unity by the Lombard League, it also illuminates the world's stiff inter-regional competition for investment capital.

Aprile 2012: Ched Evans, giovane stella nascente del calcio inglese, viene condannato a cinque anni di reclusione per lo stupro di una diciannovenne. Il centravanti dello Sheffield United sconta due anni e mezzo di carcere, salvo poi ottenere la cancellazione della pena dopo la revisione del processo. Quello di Ched Evans è un caso particolarmente controverso, sia in termini giuridici sia

sociologici: pone diverse questioni delicate, dal carattere classista della giustizia ai meccanismi della tutela garantita alle vittime di stupro, fino al ruolo dei social media nella creazione del clima intorno a una vicenda giudiziaria. A partire dall'indagine del caso Evans, Pippo Russo ci accompagna in un viaggio nei torbidi legami tra calcio e rape culture.

"It's Time to Be Inspired" is a book that encourages people to live their best lives

and to pursue their dreams regardless of their circumstances. Above all, the author wishes to play a role in bringing about positive change in the world. "I wrote this book because I want to do my part, even if it's a small part, in effecting positive change. The author firmly believes in a world where we are all equal and should spend our time lifting each other rather than tearing each other down. She hopes that by writing this book, she can help people become happier and more vibrant. That, too, is not a manufactured sentiment. If there is one thing that readers and fans of Garcia's book, music, and motivational speeches can be sure of, she is real. "Being creative opens up a whole new world for me to explore and enjoy," says the author. I've learned a lot in my life.

When I was younger, I couldn't communicate what I wanted to say very well, but now I feel I have more to offer. I have experienced life most remarkably and feel a profound responsibility to share with those ready to learn and be enlightened. I want to assist everyone and show them how to do things faster and better than I did. This book will inspire you to pursue your dreams, regardless of your age or stage of life. It is never too late to make a difference. Open your mind and allow me to enrich your soul, transform your mind and fill you with inspiration.

A brand-new Courtney Series adventure. The action-packed new book in the Courtney Series and the sequel to Courtney's War. Just because the war is

over and Hitler dead, doesn't mean the politics he stood for have died too. Saffron Courtney and her beloved husband Gerhard only just survived the brutal war, but Gerhard's Nazi-supporting brother, Konrad, is still free and determined to regain power. As a dangerous game of cat-and-mouse develops, a plot against the couple begins to stir. One that will have ramifications throughout Europe. . . Further afield in Kenya, the last outcrop of the colonial empire is feeling the stirrings of rebellion. As the situation becomes violent, and the Courtney family home is under threat, Leon Courtney finds himself caught between two powerful sides - and a battle for the freedom of a country. Legacy of War is a nail-biting story of courage, bravery,

rebellion and war from the master of adventure fiction.

Hailed as Italy's *The Fault in Our Stars*, this Italian bestseller is now available for the first time in English. "I was born on the first day of school, and I grew up and old in just two hundred days . . ."

Sixteen-year-old Leo has a way with words, but he doesn't know it yet. He spends his time texting, polishing soccer maneuvers, and killing time with Niko and Silvia. Until a new teacher arrives and challenges him to give voice to his dreams. And so Leo is inspired to win over the red-haired beauty Beatrice. She

doesn't know Leo exists, but he's convinced that his dream will come true. When Leo lands in the hospital and learns that Beatrice has been admitted too, his mission to be there for her will send him on a thrilling but heartbreaking journey. He wants to help her but doesn't know how—and his dream of love will force him to grow up fast. Having already sold over a million copies, Alessandro D'Avenia's debut novel is considered Italy's *The Fault in Our Stars*. Now available in English for the first time, this rich, funny, and heartwarming coming-of-age tale asks us to explore the meaning—and the cost—of friendship, and shows us what happens when suffering bursts into the world of teenagers and renders the world of adults speechless.

Over the last twenty years the camorra of Naples and the surrounding region

has risen to a level of strength rivalling that of the Sicilian mafia. This is not a new organization: the Camorra first emerged in the last century, several decades before the mafia. Tom Behan traces the history of the organization from its inception to the present. Until the 1970s the extent of its influence fluctuated, although it always maintained close relationships with the politicians of the region. However, since the 1970s new and more powerful forms of camorra have developed: Raffaele Cutola's 'mass camorra' of unemployed youth specialise in protection rackets, Lorenzo Nuvoletta's 'business camorra' has reinvested drug money into construction following the 1980 earthquake, and Carmine Alfieri's 'political camorra' has become

extremely profitable through its ability to obtain public sector contracts. The *Camorra* is a fascinating account of the transformation of the small-time cigarette smugglers of the 1960s to the international entrepreneurs of the 1990s.

THE BESTSELLING CLASSIC ON 'FLOW' - THE KEY TO UNLOCKING MEANING, CREATIVITY, PEAK PERFORMANCE, AND TRUE HAPPINESS
 Legendary psychologist Mihaly Csikszentmihalyi's famous investigations of "optimal experience" have revealed that what makes an experience genuinely satisfying is a state of consciousness called flow. During flow, people typically experience deep enjoyment, creativity, and a total involvement with life. In this

new edition of his groundbreaking classic work, Csikszentmihalyi ("the leading researcher into 'flow states'"

—Newsweek) demonstrates the ways this positive state can be controlled, not just left to chance. *Flow: The Psychology of Optimal Experience* teaches how, by ordering the information that enters our consciousness, we can discover true happiness, unlock our potential, and greatly improve the quality of our lives. "Explores a happy state of mind called flow, the feeling of complete engagement in a creative or playful activity." —Time
