Cambridge IGCSE and O Level Geography Study and Revision Guide revised edition Hachette UK

Providing the most effective assessment preparation, this fully comprehensive study guide was written by experienced IB examiners and workshop leaders to match the latest syllabus for SL and HL. Packed with exam practice, mark schemes and assessment advice, it supports the strongest performance in assessment.

Der kleine Prinz Coordination Group Publication

Cambridge IGCSE and O Level Geography has been written specifically for Cambridge International syllabuses 0460 and 2217. From tourism in Kenya to the summit of an active volcano in Japan, this revision guide helps students understand the processes that affect physical and human environments on a local, regional and global scale. The narrative style of the revision guide, with detailed explanations, complements the range of activities in the coursebook and reinforces understanding. Exam-style questions, international case studies and example maps give students practice with course content and skills in preparation for assessment. Sample answers to all the questions are in the back of the book.
