Aleister Crowley
Book 4 I begin my journey through Aleister Crowley's writings. Just given his intense esoteric reputation, I was expecting a long, tough-to-read book. I was pleasantly surprised, as I found it quite manageable and understandable for the most part. It even has a mystical feel to it in

subtle ways: no table of contents, strange chapter sequences, unique printed characters. Book 4: Aleister Crowley: 9780877285137: Amazon.com: Books
