The existing trend of Performing Arts was at its height when the Global Covid-19 Pandemic has disrupted the progressive evolution of various forms of dance throughout India causing seismic change to life across the globe, localities and entire countries on imposition of lockdowns and shutdowns over one and half years. After a period of short recession and keeping pace with the global shift over to virtual sphere, Performing Arts have adapted itself to digital technology. Such sudden change over has posed number of materialistic and psychological questions, questions relating to advantage and disadvantage experienced by artists and professionals of performing arts. My article will focus on (i) the height, Performing Arts achieved and trend existed prior to Covid-19 period and (ii) present shift to digital collaboration, creation, production, promotion, education, performance,

archiving, documentation audience during the post period of Covid-19 pandemic.

Jayadeva's dramatic lyrical poem *Gitagovinda* is a unique work in Indian literature and a source of inspiration in both medieval and contemporary Vaisnavism. It concentrates on Krsna's love with the Cowherdess Radha. Intense earthly passion is the example Jayadeva uses to express the complexities of divine and human love. It describes the loves of Krsna and Radha in twelve cantos containing twenty-four songs. The songs are sung by Krsna or Radha or Radha's maid and are connected by brief narrative of descriptive passages. The appropriate musical mode and rhythm for each song are noted in the text. This poem is really a kind of drama, of the ragakavya type, since it is usually acted. Critical acclaim of the poem has been high, but its frank eroticism has led many Indian commentators to interpret the love between Radha and Krsna as an allegory of the human soul's love for God. Learned and popular audiences in India and elsewhere have

continued to appreciate the emotional lyricism the poem expresses in its variations on the theme of separated lover`s passion. Barbara Stoler Miller was Professor of Oriental Studies at Barnard College, Columbia University. She was a student of the late Professor W. Norman Brown. Jayadeva's *Gitagovinda* is a lyrical account of the illicit springtime love affair of Krishna and Radha, a god and goddess manifesting on earth as a cowherd and milkmaid for the sake of relishing the sweet miseries and rapturous delights of erotic love. The narrative framing their bucolic songs was composed under royal patronage in northeastern India in the twelfth century. It was to be performed for connoisseurs of poetry and the erotic arts, for aesthetes and voluptuaries who, while sensually engaged, were at the same time devoted to Krishna as Lord of the Universe. The text at once celebrates the vicissitudes of carnal love and the transports of religious devotion, merging and reconciling those realms of emotion and experience. Erotic and religious sensibilities serve, and are served by, the pleasures of poetry. In the centuries following its

composition, the courtly text became a vastly popular inspirational hymnal. Jayadeva's songs continue to be sung throughout India in fervent devotional adoration of Krishna.

Music as History in Tamilnadu Taylor & Francis

Recent scholarship on the history of music in South Asia has examined the processes by which music as an art form was reinvented for nationalist purposes, yet, the

disciplined study of music (and its aesthetics) remains only a few centuries old. Studying music through a historical lens has opened new approaches to interdisciplinary studies.

Music as History in Tamilnadu examines how history can be interpreted through aesthetics and music and vice versa.

Musicologists focus on the study of musical activity, while ethnomusicologists examine this activity first-hand using the 'field' research methods of cultural anthropology. The historian's task, then, is to interpret the musical past as part of cultural production and thereafter relate music to general historical trends. This collection of essays seeks to establish the interdisciplinarity between music (the Karnatak system) and the history of Tamilnadu, south India. Gita-Govinda Hardpress Publishing

In this publication devotional songs of the South Indian composers Tyāgarāja, Muttusvāmi Dīkṣitar and Śyāma Śāstri are presented in a detailed Western music notation. The introductory chapters contain general cultural information, biographical details as well as the original song

texts with an English translation. With a unique MP3-CD containing all the kīrtana compositions.

Dance of Divine Love
Random House

This book introduces to lay readers the basic concepts of Indian music to aid a fuller appreciation. Raga. Its melodic base, is examined first, with scales and figures employed where necessary. Chapters on tone and rhythm follow. The many forms of composition - Kheval, Thumri, Kriti - are explained historically, and the lives of the masters briefly touched upon. Also discussed is the folk base of classical

music - particularly the devotional forms that abound. Folk and concert instruments of a wide range are described, and their canons of classification

expounded. The author has covered Hindustani and Karnatak music; the parallel treatment not only makes for comprehensiveness, but brings out common features to the benefit of those familiar with either system. The approach being historical, the study of evolving codes and canons leads naturally to a consideration of music in the modern

milieu. Illustrated with over 80 drawings, the book is intended to serve as a primer for those at home and abroad who seek the enrichment India's ancient music offers.

This book is directed at all those who take to Bollywood as a modern-day El Dorado movie hopefuls, aspiring filmmakers, wannabe stars, serious investors in cinema and anybody remotely curious about the myth and magic of Hindi cinema. While deconstructing some of

the myths, the book seeks to answer the most common and fundamental question: Is there a secret formula to a Bollywood hit? Through simple, easy to follow examples, the reader is introduced to ten basic principles, which eliminate all chances of failure and contribute to the making of a hit. These are listed as the Ten Mantras of Success. In essence, the book establishes that success in Bollywood is not a matter of chance or blind luck, but the reward for following a methodical and deliberated approach to cinema, backed by sound scientific reasoning and historically irrefutable facts.

The heart of this book is a dramatic love poem, the Rasa Lila, which is the ultimate focal point of one of the most treasured Sanskrit texts of India, the Bhagavata Purana. Judged a literary masterpiece by Indian and Western scholars alike, this work of poetic genius and soaring religious vision is one of the world's greatest sacred love stories and, as Graham Schweig clearly demonstrates, should be regarded as India's Song of Songs. The story presents the supreme deity as the youthful and amorous cowherd, Krishna, who joins his beloved maidens in an enchanting and celebratory "dance of divine love." Schweig introduces this work of exquisite poetry and

profound theology to the Western world in the form of a luminous translation and erudite scholarly treatment. His book explores the historical context and literary genre of the work and elucidates the aesthetic and emotional richness of the composition, highlighting poignant details of this drama of divine love. Schweig illuminates the religious dimensions and ethical nuances of the drama, drawing widely from the commentaries and esoteric vision of masters of the Caitanya school of Vaishnavism, a prominent devotional Hindu tradition. Themes such as transcendence of death through love, the yoga of devotion, the contrast between worldly love and passionate love for God, and the dialectical tension between ethical boundaries and boundless love are presented. The final event of the Rasa dance, the author concludes, presents a dynamic symbol of supreme love that provides the basis for a theological vision of genuine religious pluralism.

George Harrison was

always known as the 'quiet Beatle' As part of the biggest band in pop history, he took a back seat to Paul McCartney and John Lennon, but his talent shone through in the composition of classic songs such as 'Something' and 'Here Comes The Sun'. In his solo career he occasionally threatened to eclipse both John and Paul on the world stage, and he joined forces with Bob Dylan, Tom Petty, Roy Orbison and Jeff Lynne to create the massively successful supergroup the Traveling Wilburys. However, the success of his professional life was often met by turmoil in his private life, and the loss of first wife Patti to best friend Eric Clapton, the traumatic attempt on his life by a knife wielding intruder and his final struggle against cancer meant that George Harrison's life was nothing if not dramatic. Bestselling author Marc Shapiro has exclusively interviewed friends and former colleagues of the enigmatic guitar legend. This revealing biography reaffirms Harrison's importance as an innovative and hugely talented musician and shows that, as a member of the most important band ever, as well as in

his multi-faceted career after the Beatles, George Harrison was no ordinary man.

Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth),

Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal

principles of Bhagawan Baba's philosophy. It is published from Prasanthi

Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's

Ashram as it speaks of the important events that take place in His sacred

Abode, besides carrying Divine Messages conveyed through Divine

Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of

Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of

the Lord in every being as the atma guiding their lives like a charioteer. It

implies that he who

places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination.

The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is

always of common interest and of universal appeal. The fifteen

Vahinis - streams of sacredness - known as the Vahini Series comprising

annotation and interpretation of the Upanishads and other

scriptures, Itihasas like the Ramayana, the Bhagavatha and the

Mahabharata, and authentic explanations on Dhyana, Dharma, Prema,

etc., have been serially published in this magazine as and when

they emanated from the Divine pen of Bhagawan Baba. This magazine is

published in almost all Indian languages, English and Telugu from Prasanthi

Nilayam and others from respective regions. Every year Sanathana Sarathi

comes out with a special issue in November

commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer

to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar

scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paeon of triumph when universal Ananda is achieved.
