ZANDER TAPIA

Essence & Alchemy Must Have Books

Kann ein Tropfen Parfüm
die Geschichte des 20.
Jahrhunderts erzählen?
Karl Schlögel entwickelt
einen ungewöhnlichen
Zugang zur Geschichte
Europas im 20.
Jahrhundert. Kann ein
Duft Geschichte
aufbewahren? Zwei
Parfums liefern Karl

Schlögel den Stoff, die
europäischen Abgründe
des 20. Jahrhunderts neu
zu erzählen. Durch die
Turbulenzen der
Revolution gelangte die
Formel für einen Duft, der
zum 300. Kronjubiläum
der Romanows kreiert
worden war, nach
Frankreich. Er lieferte die
Grundlage für Coco
Chanel's No 5 und für sein
sowjetisches Pendant
Rotes Moskau, das bis
heute unter diesem
Namen produziert wird.

Verantwortlich für die
Parfümindustrie war
Polina Schemtschuschina,
die Frau des
Außenministers Molotow.
Sie fiel später einer
Säuberungskampagne
zum Opfer — und Coco
Chanel kollaborierte mit
den deutschen Besatzern.
Ein unscheinbarer Zufall
führt Karl Schlögel zu
erstaunlichen
Entdeckungen in einer
Epoche, die wir gründlich
zu kennen glaubten.
Death of a Rolling Stone

C.H.Beck
 Winner of the 2016
 Perfumed Plume Award
 The “Alice Waters of
 American natural
 perfume”
 (indieperfume.com) and
 author of the Art of Flavor
 celebrates our most
 potent sense, through five
 rock stars of the fragrant
 world Mandy Aftel is
 widely acclaimed as a
 trailblazer in natural
 perfumery. Over two
 decades of sourcing the
 finest aromatic
 ingredients from all over
 the world and creating
 artisanal fragrances, she

has been an evangelist for
 the transformative power
 of scent. In Fragrant,
 through five major players
 in the epic of aroma, she
 explores the profound
 connection between our
 sense of smell and the
 appetites that move us,
 give us pleasure, make us
 fully alive. Cinnamon,
 queen of the Spice Route,
 touches our hunger for
 the unknown, the exotic,
 the luxurious. Mint,
 homegrown the world
 over, speaks to our
 affinity for the familiar,
 the native, the authentic.
 Frankincense, an ancient

incense ingredient, taps
 into our longing for
 transcendence, while
 ambergris embodies our
 unquenchable curiosity.
 And exquisite jasmine
 exemplifies our yearning
 for beauty, both
 evanescent and enduring.
 In addition to providing a
 riveting initiation into the
 history, natural history,
 and philosophy of scent,
 Fragrant imparts the
 essentials of scent literacy
 and includes recipes for
 easy-to-make fragrances
 and edible, drinkable, and
 useful concoctions that
 reveal the imaginative

possibilities of creating with—and reveling in—aroma. Vintage line drawings make for a volume that will be a treasured gift as well as a great read.

Art Parfum Rowman & Littlefield
A sudden love affair with fragrance leads to sensual awakening, self-transformation, and an unexpected homecoming
At thirty-six—earnest, bookish, terminally

shopping averse—Alyssa Harad thinks she knows herself. Then one day she stumbles on a perfume review blog and, surprised by her seduction by such a girly extravagance, she reads in secret. But one trip to the mall and several dozen perfume samples later, she is happily obsessed with the seductive underworld of scent and the brilliant, quirky people she meets there. If only she could put off planning her wedding a little longer. . . . Thus begins a life-changing journey that

takes Harad from a private perfume laboratory in Austin, Texas, to the glamorous fragrance showrooms of New York City and a homecoming in Boise, Idaho, with the women who watched her grow up. With warmth and humor, Harad traces the way her unexpected passion helps her open new frontiers and reclaim traditions she had rejected. Full of lush description, this intimate memoir celebrates the many ways there are to come to our senses. *Enzyklopädie des*

Exquisiten Cambridge University Press
Sometimes real passion means living the life you've always wanted. Nicole Bridges still can't believe she's taken up residence in a Colorado apartment complex nicknamed "Splitsville." She's still reeling from her husband's affair, a divorce she never saw coming, and having to leave the upscale, comfortable world she helped make for her ex and their teenage daughter. With little money, even less work experience, and no idea

what to do next, she takes tentative steps—if only to keep her head above water. Along the way, Nikki unexpectedly finds herself falling in with eccentric new neighbors—and being seduced out of her funk by a charming, elusive ex-Londoner. And through her delight in the sensual elements of perfume, she will discover the courage to form bonds she never imagined. When a discarded flyer printed with the name “Madame Mirabou” provides the spark of inspiration, Nikki

dares to blend the fragments of her life into a fragrance that’s uniquely and passionately her own. From the Trade Paperback edition. *Essence and Alchemy* Penguin
"An absorbing self-portrait of an exceptional cook." – Harold McGee
Daniel Patterson is the head chef/owner of Coi in San Francisco, one of America’s most celebrated restaurants. Patterson mixes modern culinary techniques with local ingredients to create imaginative dishes that

speak of place, memory, and emotion. His approach has earned him five James Beard nominations and winner of the James Beard Award’s “Best Chef of the West” 2014, two Michelin stars, and a worldwide reputation for pioneering a new kind of Californian cuisine. Now, in his new book *Coi: Stories and Recipes*, Patterson shares a personal account of the restaurant, its dishes, and his own unique philosophy on food and cooking. 70 recipes are featured with narrative essays,

including Chilled Spiced Ratatouille Soup; Carrots Roasted in Coffee Beans; Strawberries and Cream with Tiny Herbs; and Lime Marshmallow with Coal-Toasted Meringue. This book is beautifully written by Patterson, who is respected for his original food writing in publications such as The New York Times and Lucky Peach, and is also co-author, along with Mandy Aftel, of *Aroma: The Magic of Essential Oils in Food and Fragrance* (2004). 150 color photographs by

Maren Caruso include atmospheric images of the restaurant and the California landscape. Forewords by Peter Meehan and Harold McGee. "

The Guide Book to Happiness ebook Berlin Verlag

An extraordinary, strange, and startlingly beautiful exploration of smell, the least understood of our

five senses The nose on your face is the Buckingham Palace Guard of your body, the maitre d' of all taste, as well as the seducer of your imagination, and memory—and Jude Stewart has charmed them all into a wicked, poetic and illuminating tour of their mysterious domains. —Jack Hitt, author of *Bunch of Amateurs* Overlapping with taste yet larger in scope, smell is the sense that comes closest to pure perception. Smell can collapse space and time,

unlocking memories and transporting us to worlds both new and familiar. Yet as clearly as each of us can recognize different smells--the bright tang of citrus, freshly sharpened pencils, parched earth after rain--few of us understand how and why we smell. In *Revelations in Air*, Jude Stewart takes us on a fascinating journey into the weird and wonderful world of smell. Beginning with lessons on the incredible biology and history of how our noses work, Stewart teaches us how to use our noses like

experts. Once we're properly equipped and ready to sniff, Stewart explores a range of smells—from lavender, cut grass and hot chocolate to cannabis and old books—using smell as a lens into art, history, science, and more. With an engaging colorful design and exercises for readers to refine their own skills, *Revelations in Air* goes beyond science or history or chemistry--it's a doorway into the surprising, pleasurable, and unfamiliar landscape of smell.

The Museum of Scent

Gibbs Smith

Based on a radical new therapeutic approach, this enlightening guide urges readers to view their lives as a novel encompassing three major plots--love, mastery, and loss.

Through imaginative exercises and examples from literature and life, "The Story of Your Life" explains how trite or destructive story lines can be eliminated.

When Talk is Not**Cheap** Flatiron Books

Victor Bockris's much admired biography of

Keith Richards has been constantly revised since its original publication, now with an additional 12,000 words for a new edition of the Omnibus Press paperback that brings the story up to the present day. First published in eight countries in 1992, at that time Keith Richards had stood in the shadow of Mick Jagger for thirty years. Then, as a result of Victor Bockris biography, Richards was put in the spotlight and emerged as the power behind the throne, the creator, the

backbone, and the soul of the Rolling Stones. Here are the true facts behind Richards' battles with his demons: the women, the drugs and the love-hate-relationship with Jagger. His struggle with heroin and his status as the rock star most likely to die in the 1970s. His scarcely believable rebirth as a family man in the 1980s. Illuminated with revealing quotes and thoughtful insights into the man behind the band that goes on forever.

(starred review) On a
January morning in 1938,
Samir Vij first locks eyes
with Firdaus Khan through
the rows of perfume
bottles in his family’s ittar
shop in Lahore. Over the
years that follow, the
perfumer’s apprentice
and calligrapher’s
apprentice fall in love with
their ancient crafts and
with each other, dreaming
of the life they will one
day share. But as the
struggle for Indian
independence gathers
force, their beloved city is
ravaged by Partition.

Suddenly, they find
themselves on opposite
sides: Samir, a Hindu,
becomes Indian and
Firdaus, a Muslim,
becomes Pakistani, their
love now forbidden.
Severed from one
another, Samir and
Firdaus make a series of
fateful decisions that will
change the course of their
lives forever. As their
paths spiral away from
each other, they must
each decide how much of
the past they are willing
to let go, and what it will
cost them. Lush,
sensuous, and deeply

romantic, *The Book of Everlasting Things* is the story of two lovers and two nations, split apart by forces beyond their control, yet bound by love and memory. Filled with exquisite descriptions of perfume and calligraphy, spanning continents and generations, Aanchal Malhotra's debut novel is a feast for the senses and the heart.

[The Book of Everlasting Things](#) Abbeville Press

The story of the Rolling Stones is one of the epic rock 'n' roll yarns of our time. Their music defined

today's cultural landscape and their history is a source of endless fascination for music fans around the world. Yet one crucial part of that story has never been comprehensively analysed: the role of Brian Jones, the visionary who founded the band and controlled their early music down to the smallest detail. Drawing on over one hundred interviews with key principals including Keith Richards, Andrew Oldham and Marianne Faithfull, this is a story told from a

totally new perspective and which lays bare the shocking ruthlessness, internal warfare and sexual competition within this most legendary of bands. As well as exploring Jones' crucial role in the Stones' music, it will also investigate the unravelling of his psyche, as observed by Brian's family, friends, bandmates, lovers and enemies. Victors get to write the history - but it's never wholly true. Brian's life story is a gripping one, an epic battle between creativity and

ambition, between self-sabotage and betrayal. This book will disentangle the threads of the Rolling Stones story and put Brian Jones firmly in the foreground.

Perfume and Flavor Materials of Natural Origin Grand Central Publishing

Warum schmeckt gerade Apfel und Zimt so gut zusammen, Käse und Weintraube oder auch Schokolade und Chili? Die Antwort darauf liefert Niki Segnit mit ihrem Geschmacksthesaurus: Sie teilt 99 Lebensmittel

in verschiedene Kategorien wie senfig, erdig, fruchtig, paart sie miteinander und kommentiert die Ergebnisse in kleinen unterhaltsamen Beiträgen. Da wird Gurke mit Minze kälter als ein Auftragskillerpärchen und Avocado mit Limette zu Lee Hazlewood und Nancy Sinatra, die »Some Velvet Morning« singen, wobei Lee die samtige Avocadonote beisteuert und Nancy den hohen Limettenton, der die Weichheit genau dann durchdringt, wenn es allzu

gemütlich wird. Mit literarischen Anekdoten, leckeren Rezepten und persönlichen Präferenzen ist der Thesaurus eine gelungene Mischung aus Aromalexikon, Kochbuch und Reisebericht und eignet sich als unterhaltsame Bettlektüre ebenso wie als ernstzunehmende Rezeptesammlung.

Holistic Aromatherapy for Animals Union Square & Co.
Do you find yourself wondering whether you're happy? Are you unsure where your life is headed?

Are you stuck in an endless cycle of solving problems and completing to-do lists but losing sight of what it's all for? It may be you are not living the life you want-and deserve-to live. In The Guide Book to Happiness, author Diana Goffman outlines how you can learn more about the way your mind works and use it to help you live a happier life. With chapters that explore the workings of the mind, the subconscious, effective time management, personal relationships,

bad habits, and harmonization with the environment, The Guide Book to Happiness can lead anyone to greater happiness. Through real-life stories and examples, Goffman helps you restructure your life so that you can be happier, more connected, and more in tune with yourself. This step-by-step guide shows you how to get in touch with the person who really knows what you want-you.

Scents & Sensibilities
Archway Publishing
Breathe in the natural and

cultural history of scent with this richly illustrated book inspired by the Aftel Archive of Curious Scents

Coi Gibbs Smith
Publishers
Perfume and Flavor Materials of Natural Origin, first published in 1960, is the classic, authoritative reference for a vast array of natural products used in perfumes, scents, flavorings, foods, and medicine throughout the world. It is also the perfumer's and flavorist's bible. Arctander's book is the most important

reference on natural fragrance materials. His understanding of the nuances of scented material is unequalled, and he knows how to convey those subtleties to the reader in comparison to odors with which the reader is already familiar. The sheer passion for natural perfume materials manifest in his description has more than once stimulated me to track down some rare and unfamiliar essence. I lean on his book for my own descriptions of the individual essences, and I

recommend buying a copy of it for yourself. Reading his descriptions of natural essences and comparing them to your own impressions is a terrific way to broaden your aromatic palette and to learn about the nuances of scent. --Mandy Aftel, *Aftelier Perfumes Scent* Gibbs Smith Publishers
Beautifully illustrated, beautifully designed, and beautifully crafted--just like its namesake--this is the ultimate bar book by NYC's most meticulous bartender. To say that

PDT is a unique bar is an understatement. It recalls the era of hidden Prohibition speakeasies: to gain access, you walk into a raucous hot dog stand, step into a phone booth, and get permission to enter the serene cocktail lounge. Now, Jim Meehan, PDT's innovative operator and mixmaster, is revolutionizing bar books, too, offering all 304 cocktail recipes available at PDT plus behind-the-scenes secrets. From his bar design, tools, and equipment to his

techniques, food, and spirits, its all here, stunningly illustrated by Chris Gall.
