 In its third European edition, Services Marketing: integrating customer focus across the firm provides full coverage of the foundations of services marketing, placing the distinctive gaps model at the center of this approach. Drawing on the most recent research and using up-to-date and topical examples, the book focuses on the development of customer relationships through quality service, out lining the core concepts and theories in services marketing today.
 Services Marketing: Integrating Customer Focus Across the ...
 About Customer Communications Group Founded in 1977, CCG is a pioneer in customer relationship marketing. As a full-service agency, we deliver integrated, end-to-end customer marketing expertise to an international clientele of Fortune 2000 retail and financial services companies.
 About Customer Communications Group (Denver, CO) In addition to standard marketing topics (such as pricing), this text introduces students to entirely new topics that include management and measurement of service quality, service recovery, the linking of customer measurement to performance measurement, service blueprinting, customer cocreation, and cross-functional treatment of issues through integration of marketing with disciplines such as operations

and human resources.
