Give Me Liberty!: An
American History (Brief
Fourth Edition) Oxford
University Press

An exciting novel for
twens that captures
the dawn of the
American Revolution.
Life is tough for
thirteen-year-old
Nathaniel Dunn, an
indentured servant in
colonial Virginia. Then
in a twist of luck, he
meets Basil, a kind
schoolmaster, and an

arrangement is struck lending Nathaniel's labor to a Williamsburg carriage maker. Basil introduces Nathaniel to music, books, and philosophies that open his mind to new attitudes about equality. The year is 1775, and as colonists voice their rage over England's taxation, Patrick Henry's words "give me liberty, or give me death" become the sounding call for action. Should Nathaniel and Basil join the fight? What is the meaning of "liberty" in a country reliant on indentured servants and slaves? Nathaniel must face the puzzling choices a dawning nation lays before him. "Filled with action, well-drawn characters, and a sympathetic understanding of many points of view." —ALA

Give Me Liberty! W W Norton & Company Incorporated

The hidden brain is the voice in our ear when we make the most important decisions in our lives—but we're never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of

compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.

An American History
Penguin

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me

Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool. The best-selling Seagull Edition is also available in full color for the first time.

Give Me Liberty!: An American History (Brief Fourth Edition) (Vol. One Volume) W. W. Norton

Chronicles the history of America's pursuit of liberty, tracing the struggles among freed slaves, union organizers, women rights advocates, and other groups to widen freedom's promise

The Kidnapping Club

Random House
A New York Times
bestseller! "Lively and
absorbing. . ." — The
New York Times Book
Review "Engrossing."
—Wall Street Journal
"Entertaining and well-
researched . . . "
—Houston Chronicle
Three noted Texan
writers combine forces
to tell the real story of
the Alamo, dispelling
the myths, exploring
why they had their day
for so long, and
explaining why the
ugly fight about its
meaning is now coming
to a head. Every nation
needs its creation
myth, and since Texas
was a nation before it
was a state, it's no
surprise that its myths
bite deep. There's no
piece of history more
important to Texans
than the Battle of the
Alamo, when Davy

Crockett and a band of
rebels went down in a
blaze of glory fighting
for independence from
Mexico, losing the
battle but setting
Texas up to win the
war. However, that
version of events, as
Forget the Alamo
definitively shows,
owes more to fantasy
than reality. Just as the
site of the Alamo was
left in ruins for
decades, its story was
forgotten and twisted
over time, with the
contributions of
Tejanos--Texans of
Mexican origin, who
fought alongside the
Anglo rebels--scrubbed
from the record, and
the origin of the
conflict over Mexico's
push to abolish slavery
papered over. Forget
the Alamo
provocatively explains
the true story of the
battle against the

backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as

Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

 A Boston Globe Best Nonfiction Book of 2011
 Bestselling author Tony Horwitz tells the electrifying tale of the daring insurrection that put America on the path to bloody war. Plotted in secret, launched in the dark, John Brown's raid on Harpers Ferry was a pivotal moment in U.S. history. But few

Americans know the true story of the men and women who launched a desperate strike at the slaveholding South. Now, *Midnight Rising* portrays Brown's uprising in vivid color, revealing a country on the brink of explosive conflict. Brown, the descendant of New England Puritans, saw slavery as a sin against America's founding principles. Unlike most abolitionists, he was willing to take up arms, and in 1859 he prepared for battle at a hideout in Maryland, joined by his teenage daughter, three of his sons, and a guerrilla band that included former slaves and a dashing spy. On October 17, the raiders seized Harpers Ferry, stunning the nation and prompting a

counterattack led by Robert E. Lee. After Brown's capture, his defiant eloquence galvanized the North and appalled the South, which considered Brown a terrorist. The raid also helped elect Abraham Lincoln, who later began to fulfill Brown's dream with the Emancipation Proclamation, a measure he called "a John Brown raid, on a gigantic scale." Tony Horwitz's riveting book travels antebellum America to deliver both a taut historical drama and a telling portrait of a nation divided—a time that still resonates in ours. A brilliant and
 surprising account of
 the coming of the
 American Civil War,
 showing the crucial
 role of slaves who
 escaped to Mexico. The
 Underground Railroad
 to the North promised
 salvation to many
 American slaves before
 the Civil War. But
 thousands of people in

the south-central
 United States escaped
 slavery not by heading
 north but by crossing
 the southern border
 into Mexico, where
 slavery was abolished
 in 1837. In *South to*
Freedom, historian Alice
 L. Baumgartner tells
 the story of why
 Mexico abolished
 slavery and how its
 increasingly radical
 antislavery policies
 fueled the sectional
 crisis in the United
 States. Southerners
 hoped that annexing
 Texas and invading
 Mexico in the 1840s
 would stop runaways
 and secure slavery's
 future. Instead, the
 seizure of Alta
 California and Nuevo
 México upset the

 essential new

perspective on antebellum America and the causes of the Civil War.

An American History

W. W. Norton & Company

In a miracle of concision, Paul S. Boyer provides a wide-ranging and authoritative history of America, capturing in a compact space the full story of our nation. Ranging from the earliest Native American settlers to the presidency of Barack Obama, this Very Short Introduction offers an illuminating account of politics, diplomacy, and war as well as the full spectrum of social, cultural, and scientific developments that shaped our country. Here is a masterful picture of Americas achievements and

failures, large-scale socio-historical forces, and pivotal events. Boyer sheds light on the colonial era, the Revolution and the birth of the new nation; slavery and the Civil War; Reconstruction and the Gilded Age; the Progressive era, the Roaring Twenties and the Great Depression; the two world wars and the Cold War that followed; right up to the tragedy of 9/11, the wars in Iraq and Afghanistan, and the epoch-making election of Barack Obama. Certain broad trends shape much of the narrative-- immigration, urbanization, slavery, continental expansion, the global projection of U.S. power, the centrality of religion, the progression from an agrarian to an

industrial to a post-industrial economic order. Yet in underscoring such large themes, Boyer also highlights the diversity of the American experience, the importance of individual actors, and the crucial role of race, ethnicity, gender, and social class in shaping the contours of specific groups within the nation's larger tapestry. And along the way, he touches upon the cultural milestones of American history, from Tom Paine's *The Crisis* to Allen Ginsberg's *Howl*. *American History: A Very Short Introduction* is a panoramic history of the United States, one that covers virtually every topic of importance--and yet can be read in a single day.

"An impassioned case against a senseless system . . . Come for the cocktail recipes, stay for the call to arms." —Clay Risen, author of *American Whiskey, Bourbon, and Rye* "A potent, thought-provoking mixture of fun and 'what the hell' awareness." —Lew Bryson, author of *Whiskey Master Class* Across this nation, in breweries, liquor stores, bars, and even our own homes, we're being stripped of our most basic boozy rights. Thanks to Prohibition and its 100-year hangover, some of the most outdated,

bizarre, and laughably loony laws still on the books today center around alcohol and how we drink it. In New Mexico, \$1 margaritas are illegal. In Utah, cocktails must be mixed behind a barrier called the “Zion curtain.” And forget about happy hour in Massachusetts—the state banned it in 1984. But we don’t have to stand down and dry up—it’s time to take to liquid protest. Created by the nation’s leading alcohol policy expert, *Give Me Liberty* and *Give Me a Drink!* combines the thirst-inducing pleasure of trivia with 65 recipes for classic and innovative cocktails. So arm yourself with a mezcal-based One Pint, Two Pint, inspired by Vermont’s ban on beer pitchers, or The Boiling

Point, a beer cocktail that is highly illegal in Virginia, and get ready to drink your way to a revolution on the rocks.

Give Me Liberty: Travel & entertainment W. W. Norton

"A can't-put-it-down modern Western."

—Kirk Siegler, NPR

Longlisted for the PEN/ESPN Award for Literary Sports Writing

The Last Cowboys is Pulitzer Prize-winning reporter John Branch’s epic tale of one American family struggling to hold on to the fading vestiges of the Old West. For generations, the Wrights of southern Utah have raised cattle and world-champion saddle-bronc riders—many call them the most successful rodeo family in history. Now they find

themselves fighting to save their land and livelihood as the West is transformed by urbanization, battered by drought, and rearranged by public-land disputes. Could rodeo, of all things, be the answer? Written with great lyricism and filled with vivid scenes of heartache and broken bones, *The Last Cowboys* is a powerful testament to the grit and integrity that fuel the American Dream.

In *Give Me Liberty: A Handbook for American Revolutionaries*, bestselling author Naomi Wolf illustrates the changes that can

take place when ordinary citizens engage in the democratic system the way the founders intended and tells how to use that system, right now, to change your life, your community, and ultimately, the nation. As the practice of democracy becomes a lost art, Americans are increasingly desperate for a restored nation. Many have a general sense that the “system” is in disorder—if not on the road to functional collapse. But though it is easy to identify our political problems, the solutions are not always as clear. In *Give Me Liberty: A Handbook for American Revolutionaries*, bestselling author Naomi Wolf illustrates the breathtaking

changes that can take place when ordinary citizens engage in the democratic system the way the founders intended and tells how to use that system, right now, to change your life, your community, and ultimately, the nation. *Forget the Alamo* W.W. An American History (Brief Fifth Edition)

Give Me Liberty! An American History Fifth Edition, One Volume, Seagull

It is the leading text in the field because it works in the classroom."

Give Me Liberty! W. W. Norton & Company From the Pulitzer Prize-winning Washington Post reporter David E. Hoffman comes the

riveting biography of Oswaldo Payá, a dissident who dared to defy Fidel Castro, inspiring thousands of Cubans to fight for democracy. Oswaldo Payá was seven years old when Fidel Castro seized power in Cuba, promising to create a "free, democratic, and just Cuba." But Castro instead created an authoritarian regime with little tolerance of free speech or thought. His secret police were trained to crush dissent by East Germany's ruthless Stasi.

Throughout Cuba's 20th century history, the dream of democracy was often just within reach, only to be dashed by dictatorship and revived again by a new generation. Payá inherited this dream and it became his life's

work. As a teenager in Communist Cuba, he led a protest against the Soviet-led shattering of the Prague Spring. Before long, he was sent to Castro's forced labor camps. Payá later became a leading voice of opposition and formed a pro-democracy movement. A devoted Catholic, he championed a simple, bedrock belief that rights are bestowed by God, and not the state. Every day, he witnessed these rights trampled in Cuba. He could not stay silent. Payá's most daring challenge to the Cuban government was the Varela Project, a one-page citizen petition demanding free speech, a free press, freedom of association, freedom of belief, private enterprise, free

elections and freedom for political prisoners. More than 35,000 people signed the Varela Project, an extraordinary outpouring of protest—with nothing more than pen and paper—against Castro's decades of despotism. The regime responded by ignoring the petition, arresting dozens of Payá's followers and sending them to prison for many years. After receiving multiple death threats, Payá was killed in a suspicious car wreck on a remote country road. Pulitzer Prize-winning reporter David E. Hoffman returns with an epic portrait of a lone individual who had the courage, faith, and persistence to struggle for democracy against

an unforgiving dictator. At its heart, Give Me Liberty is a sweeping account of one country's tragic and continuing struggle for its freedom.
