a Loser** Egmont UK

Limited

Why on earth did
Norm's family have to
move, anyway? In their
old house he'd never
tried to pee in anything
other than a toilet. And
when Norm is in bed,
he's kept awake by his

dad snoring like a
constipated rhinoceros!
Will life ever get less
unfair for Norm?
Your Brilliant Body
Orbit Books
Nominated for the
National Book Award,
Barry Hannah's brilliant
debut offers "a fresh
angle on the great
American subject of
growing up" (John
Updike). Roiling with
love and torment,

lunacy and desire, hilarity and tenderness, Geronimo Rex is the bildungsroman of an unlikely hero. Reared in gloomy Dream of Pines, Louisiana, whose pines have long since yielded to paper mills, Harry Monroe is ready to take on the world. Inspired by the great Geronimo's heroic rampage through the Old West, Harry puts on knee boots and a scarf and voyages out into the swamp of adolescence in the South of the 1950s and '60s. Along the way he is attacked by an unruly peacock; discovers women, rock 'n' roll, and jazz; and stalks a pervert white supremacist who fancies himself the next Henry Miller in this "stunning piece of entertainment . . .

vulgar, ribald, and wildly comic" (TheNew York Times). "Hannah writes about adolescence with a rare pizzazz and insight." —Rolling Stone

I am still not a Loser
Egmont UK

"The tools Barry and Phil teach in Coming Alive gave me the courage and clarity to align myself with the truth—no matter how hard or painful it seemed at the time."—Gwyneth Paltrow Tap into the Life Force with this critical and contemporary guide to unlocking our most powerful selves—from the bestselling authors of The Tools (and Goop's resident shrinks). Phil Stutz and Barry Michels's tools will be featured in an upcoming Netflix

original documentary directed by Jonah Hill and co-produced by Joaquin Phoenix. In *The Tools*, Michels and Stutz revolutionized the world of personal growth. Now, in *Coming Alive*, they guide readers toward a wellspring of positive energy: the source of creativity, renewal, and engagement. The first step in gaining mastery over one's life—in deepening both emotional and spiritual experiences—is identifying the enemy within, which Michels and Stutz have named Part X. This formidable adversary is a shape-shifter: it may be the voice in your head that is a torrent of negativity; it may take the form of outside forces that conspire against you. In whatever guise it

appears, Part X aims to derail your progress, keep you small and stuck, and defeat hope. The four vital tools in *Coming Alive* help you connect to the Life Force—a wellspring of positive energy that is the source of creativity, renewal, confidence, and engagement—and harness the energy and will to combat Part X. Drawing insights from their decades of psychotherapeutic practice, their lived experience, and their moving and generous understanding of our interconnectedness, Michels and Stutz have created a paradigm-shifting guide to achieving optimal mental health and spiritual well-being. Praise for *Coming Alive* “What a gift! A riveting exploration of four

(bone-chillingly relatable) modern ailments and their thrillingly practical solutions . . . Singular in its approach and deeply spiritual in its concerns, *Coming Alive* is a book I'll be pressing on friends and foes alike."—Maria Semple, author of *Where'd You Go, Bernadette*

I Am Nit a Loser

Simon and Schuster
The author of *Punished by Rewards* and *The School Our Children Deserve* builds on his parenting theories of working with children rather than trying to control them, argues against practices that teach children that they must earn a parent's approval, and presents techniques that promote desired child qualities through unconditional support.

Reprint. 30,000 first printing.

Moth Busters Random House

The ultimate companion to the brilliant Roald Dahl Funny Prize winning BARRY LOSER series. Perfect for readers aged 7+ years old and fans of *Diary of a Wimpy Kid*, *Dog Man*, *Tom Gates* and *Pamela Butchart*. Barry Loser's *Book of Keel Stuff* brings the *Ultimate Book of Keelness* into paperback - with brand new content including jokes, animal mash-ups and a 'Which Loser are you?' quiz. There are also the short stories 'Bunky is a Loser' and 'My Dad is a Loser', editions of the *Daily Poo*, a Q&A with Jim from his fans and pages of brand-new superkeel drawing guides and activities.

Barry fans old and new will love Barry Loser's Book of Keel Stuff. Don't miss all Jim's other brilliant books: Barry Loser: I am not a loser Barry Loser: I am still not a loser (Winner of the Roald Dahl Funny Prize) Barry Loser: I am so over being a loser Barry Loser: I am sort of a loser Barry Loser and the holiday of doom Barry Loser and the crumpled carton Barry Loser hates half term! Missing Thingy Jim Smith is the keelest kids' book author in the whole wide world amen. He graduated from art school with first class honours (the best you can get) and is the author of the Roald Dahl Funny Prize-winning and bestselling BARRY LOSER series and the Lollies Award-winning FUTURE RATBOY series.

Coming Alive Egmont UK

When Barry Loser gets picked on by the new kid because of his name, he changes his appearance and plots to seek revenge on the bully.

I am sort of a Loser
Penguin

Having saved the city cats from a fate worse than death, Varjak Paw finds himself the elected and popular

leader of a new gang - a gang that supports freedom and kindness for all. But will the pressure take its toll on this brave yet sometimes naive cat? Soon the city erupts in an all-out gang war as the evil Sally Bones attempts to control the lives of all cats. Horrified and outnumbered, Varjak and the others must fight for their freedom or die trying; can Jalal's Way really be the best way? This is another thrilling adventure, eagerly awaited by all Varjak fans, both young and old.

How the Politics of Literacy Shape Thinking in the Classroom Hachette UK

Mesopotamian Blue cat, Varjak Paw, has never been Outside before; he and his

family have always lived in the isolated house at the top of the hill. But Varjak is forced out into the city when the sinister Gentleman and his two menacing cats take over his home. With help from his mystical ancestor, Jalal, Varjak manages to overcome challenges such as self-survival and a threat from the gangland cats, and he ultimately discovers the terrifying secrets behind the Vanishings. But can he save his own family from their fate? With wonderful integrated illustrations from acclaimed comic book artist Dave McKean, this book will appeal to all ages. *We Were Brothers* I Am So Over Being a Loser As the new Queen's Rider, Ezaara faces monsters, but who is

worse? Her dragon masters or the beasts she fights? In Lush Valley, it's a crime to even talk about dragons... When Ezaara meets Zaarusha the Dragon Queen, she's swept up in a blaze of color and they imprint, forming a deep bond. She must give up her home and family to become the new Queen's Rider. Ignorant and unprepared, how can she possibly succeed? Luckily, she has a dragon master - although rumors say she'd be better off with the enemy. Plunged into a world of cutthroat politics and traitors in every shadow, who can Ezaara trust as Commander Zens and his army of bestial tharuks march closer, razing villages and

enslaving the people of Dragons' Realm? What personal price must Ezaara and her Dragon Master pay to save their people? A great fantasy read. Dean O'Gorman, actor, Fili the dwarf in *The Hobbit* [No Time Like the Future](#) Jossey-Bass "This delightfully written, lesson-laden book deserves a place of its own in the Baseball Hall of Fame." —Forbes *Moneyball* is a quest for the secret of success in baseball. In a narrative full of fabulous characters and brilliant excursions into the unexpected, Michael Lewis follows the low-budget Oakland A's, visionary general manager Billy Beane, and the strange brotherhood of amateur baseball theorists. They are all in search of new

baseball knowledge—insights that will give the little guy who is willing to discard old wisdom the edge over big money.

A Memoir Warner Bros. Publications
 On the weekend, I looked for a new book. I always read the description first because, you know, I won't read just any old thing. So I read the description for this book and thought it looked okay, so then I read the online sample and laughed so hard that a little bit of pee came out. Okay, a lot of pee came out. ALRIGHT! I PEED SO MUCH I HAD TO CHANGE MY PANTS! There, are you happy now? It's funny, okay? And it isn't all about vomit and farts either (okay, a lot of it is about vomit and farts,

but what's wrong with that?) *Every Monday at school, Reggie writes an essay that begins with "On the weekend..." WARNING: You might want to have a spare pair of undies handy while you read about Reggie's weekends.*

Barry Loser's Christmas Joke Book
 Penguin
 "We Were Brothers, Barry Moser's beautiful--and beautifully illustrated--new book, tells the wrenching and redeeming story of brothers who take different paths and yet ultimately find their ways back to each other . . . Their careful reconciliation after decades of strife and avoidance is sad, moving, and joyful all at the same time."
 —Andrew Hudgins,

author of *The Joker*
 Preeminent illustrator
 Barry Moser and his
 brother, Tommy, were
 born of the same
 parents, were raised in
 the same small
 Tennessee community,
 and were poisoned by
 their family's deep
 racism and anti-
 Semitism. But as they
 grew older, their
 perspectives and their
 paths grew further and
 further apart. From
 attitudes about race, to
 food, politics, and
 money, the brothers
 began to think so
 differently that they
 could no longer find
 common ground, no
 longer knew how to
 talk to each other, and
 for years there was
 more strife between
 them than affection.
 When Barry was in his
 late fifties and Tommy
 in his early sixties,
 their fragile

brotherhood reached a
 tipping point and blew
 apart. From that day
 forward they did not
 speak. But fortunately,
 their story does not
 end there. With the
 raw emotions that so
 often surface when we
 talk of our siblings,
 Barry recalls why and
 how they were finally
 able to traverse that
 great divide and
 reconcile their kinship
 before it was too late.
 Including fifteen of
 Moser's stunning
 drawings, this powerful
 true story captures the
 essence of sibling
 relationships--their
 complexities,
 contradictions, and
 mixed blessings.

Seriously! Candlewick
 Press (MA)

Seth Weinstein always
 knew Tina was way,
 way, way out of his
 league. Which is why
 he's still astonished

that he's on a plane heading for their wedding in Florida. The Groom Posse has already pulled an airport prank on him—and he's survived! It should be easy going from now on. But Seth has absolutely no idea what he's about to get into. A simple drink or two with the boys sparks a series of events that will pit Seth and his friends against everything and everyone imaginable, from his very powerful, very disapproving soon-to-be father-in-law to the federal government to a love-struck orangutan. Seth's hope for smooth sailing is turning into a trip on the Titanic. And the water is getting deeper by the minute... [A Loser's Revenge](#)

Varjak Paw Flatiron
Books

It's a British invasion! Fans of the Wimpy Kid will love the energetic doodles and entertaining escapades of Tom Gates, now in a spectacular boxed set. Middle-school comedian, homework dodger, rock-star wannabe, master doodler. There's only one kid who fits this description: Tom Gates, the sensation from across the pond and star of these hilarious adventures. Now collected in one brilliant boxed set with a bonus locker-size poster that American homework avoiders can color themselves, Tom's antics are more enjoyable than ever. It will take more than grumpy older sisters, killer toothaches, and math lessons to stop

Tom—not to mention his band, DogZombies—from becoming a hit. Includes books 1 through 3, in paperback: The Brilliant World of Tom Gates Tom Gates: Excellent Excuses (and Other Good Stuff) Tom Gates: Everything's Amazing (Sort Of) Bonus! The Great Locker Doodle of Tom Gates poster I am so over being a loser HarperCollins UK From the acclaimed, controversial singer-songwriter Sinéad O'Connor comes a revelatory memoir of her fraught childhood, musical triumphs, fearless activism, and of the enduring power of song. Blessed with a singular voice and a fiery temperament, Sinéad O'Connor rose to massive fame in the

late 1980s and 1990s with a string of gold records. By the time she was twenty, she was world famous--living a rock star life out loud. From her trademark shaved head to her 1992 appearance on Saturday Night Live when she tore up Pope John Paul II's photograph, Sinéad has fascinated and outraged millions. In *Rememberings*, O'Connor recounts her painful tale of growing up in Dublin in a dysfunctional, abusive household. Inspired by a brother's Bob Dylan records, she escaped into music. She relates her early forays with local Irish bands; we see Sinéad completing her first album while eight months pregnant, hanging with Rastas in the East Village, and

soaring to unimaginable popularity with her cover of Prince's "Nothing Compares 2U." Intimate, replete with candid anecdotes and told in a singular form true to her unconventional career, Sinéad's memoir is a remarkable chronicle of an enduring and influential artist.

Can you guess which of these amazing facts *Operation Ouch!* has in store for you? a) That in your lifetime you'll spend a whole year on the toilet b) That you shed at least 30,000 skin cells every day c) That the biggest

muscle in your body is in your bum ANSWER: All three of course! Join Dr Chris and Dr Xand as they take a tour of YOUR BRILLIANT BODY! Find out the incredible things your body can do, test your gross-out knowledge and try out cool body tricks at home.

The Postman Always Rings Twice

Createspace
Independent Publishing Platform
I watch from the shadows of trees against the cars lining the street. Invisible to the three I keep under my anger filled glare. Dressed in black, I have the hood of my zip-up hoodie pulled over my head and drawn closed as I fade into the afternoon shadows to observe and plan my revenge. They probably wouldn't

recognize me if they did see me standing here. I've changed a lot over the past nine years and I'm no longer the slightly chubby kid who wore overalls or t-shirts and jeans everyday of the week until I was thirteen and everything changed. Everything. When my best friends became my worst enemies. I watch as Seamus, Hayden, and Axel laugh and joke around in their front yard and toss a football back and forth between one another. We're only a five minute walk from the college we all attend, a college I just transferred to mid semester of our senior year. They don't know I'm here and that's the way I want to keep it for a little bit longer. I patiently watch, waiting for them to

leave for the football game so I can begin my plan. I will get my revenge. Barretta Dawn Bowers thought she had the three best friends in the whole world. There was nothing and no one that could come between them. Never in a million years did she think that they would be the reason for their friendship to be torn apart and her heart to break. Having moved to Florida with her aunt when her whole life had been turned upside down it isn't until nine years of being gone and a family emergency calls her home does she return to Oklahoma. Transferring to the local college and moving into an

apartment close to campus with her best friend who tagged along for support, old memories and anger start rising to the surface when she soon finds herself face to face with her ex-friends turned enemies. To keep her mind off the troubles at home she begins to plot the revenge she promised herself so long ago.*Trigger Warnings*This Contemporary college-age romance is a medium/fast burn RH and contains several themes that readers should be aware of: swearing (shocking, I know), flashbacks of bullying, present revenge, and sexual themes suitable for 18+
