Assassin's Creed: Brotherhood is the thrilling novelisation by Oliver Bowden based on the game series. 'I will journey to the black heart of a corrupt Empire to root out my foes. But Rome wasn't built in a day and it won't be restored by a lone assassin. I am Ezio Auditore da Firenze. This is my brotherhood.' Rome, once mighty, lies in ruins. The city swarms with suffering and degradation, her citizens

living in the shadow of the ruthless Borgia family. Only one man can free the people from the Borgia tyranny - Ezio Auditore, the Master Assassin. Ezio's quest will test him to his limits. Cesare Borgia, a man more villainous and dangerous than his father the Pope, will not rest until he has conquered Italy. And in such treacherous times, conspiracy is everywhere, even within the ranks of the brotherhood itself... Assassin's Creed: Brotherhood is based on the phenomenally successful gaming series. Fans of the game will love these stories. Other titles in the series include Assassin's Creed: Renaissance, Assassin's Creed: Forsaken, Assassin's Creed: The

Secret Crusade, and Assassin's Creed: Revelations. Oliver Bowden is the pen-name of an acclaimed novelist.

An all-new series based on the hit video game franchise Assassin's Creed! Nothing in Owen's life has been right since his father died in prison, accused of a crime Owen is certain he didn't commit. Monroe, the IT guy at school, might finally bring Owen the means to clear his father's name by letting him use an Animus-a device that lets users explore genetic memories buried within their own DNA. During a simulation, Owen comes uncovers the

existence of a powerful relic long considered a legend-the Trident of Eden. Now two secret organizations will stop at nothing to take possession of this artifact-the Brotherhood of Assassins and the Templar Order. It becomes clear the only way to save himself is to find the Trident first. Under the guidance of Monroe, Owen and a group of other teenagers go into a memory they all share within their DNA: the 1863 Draft Riots in New York City. Owen and his companions will find themselves tested on the violent streets of New York, and their experiences in the past will have far-reaching consequences in the present.

The new book set in the universe of Assassin's Creed. Reliving the memories of his ancestor who fought beside Joan of Arc, high-ranking Templar Simon Hathaway slowly uncovers secrets of the past that could dangerously impact his present . . . and that of the entire Templar order. An endless conflict. An old wrong. A new revelation. Simon Hathaway, member of the Templar Inner Sanctum, brings a cool head and detached manner to his new role as Head of Abstergo Industry's Historical Research Division. But Simon also has an insatiable curiosity, and is

fascinated by the thought of experiencing history first-hand through his ancestor Gabriel Laxart, who fought alongside the legendary Joan of Arc. When he enters the newly-designed Animus for its initial project, Simon finds himself unprepared for what he discovers: how deep the conflict between the Templars and the Assassins goes, and what his ancestor is willing to do for the woman he loves. And as he slowly uncovers secrets of the past, Simon is confronted with the most dangerous truth of all: Who is the heretic . . . and who is the true believer?

The official prequel novel to Marvel's Guardians of the Galaxy, the hotly anticipated action-adventure game developed by Eidos-Montréal and published by Square Enix. Star-Lord, Gamora, Drax the Destroyer,

Rocket Raccoon and Groot. They're the Guardians of the Galaxy, turning a tidy profit as heroes for hire—or, they will be if Peter Quill can get his act together. After he botches the most critical part of their latest mission—getting paid—his newly assembled crew is close to ditching him for good. Now he needs a big payday, fast. When an old acquaintance shows up offering a whole lot of units for a field trip to Peter's past, it's a no-brainer. Twelve years ago, Peter fought the Chitauri alongside the Resistance on Mercury to prevent an invasion of Earth. Now it's time to go back. The old Resistance base has a squatter, and it's up to the Guardians to 'gently escort' them off the premises... and unmask a wartime traitor while they're at it. But war is heavy, man, and the Galactic War screwed up each of the Guardians in their own special ways. The brand-new team is barely hanging together, and the mission brings up all kinds of bad memories. It's make or break time for the Guardians, and they do so

love breaking things... Just hopefully not each other.
