Aseptolin Fulton Books, Inc.

The stunning conclusion of worldwide phenomenon—from the boldly original author of *Captive Prince* and *Prince's Gambit*. His identity now revealed, Damen must face his master Prince Laurent as Damianos of Akielos, the man Laurent has sworn to kill. On the brink of a momentous battle, the future of both their countries hangs in the balance. In the south, Kastor's forces are massing. In the north, the Regent's armies are mobilising for war. Damen's only hope of reclaiming his throne is to fight together with Laurent against their usurpers. Forced into an uneasy alliance the two princes journey deep into Akielos, where they face their most dangerous opposition yet. But even if the fragile trust they have built survives the revelation of Damen's identity—can it stand against the Regents final, deadly play for

the throne?

Epithymy Crown Publishing Group (NY)

A twisty lesbian romance sequel to *The Red Files* about the family we can't choose, and the one that chooses us.

Energies and Earth Magnitude in the Arts Independently Published

Gabriel Spencer is a Detroit beat cop determined to make detective by any means possible, and putting an end to a mysterious string of murders looks like the quickest way to accomplish that goal. Prostitutes and escorts, drained of blood, bodies abandoned in ditches, playgrounds, and Dumpsters... It all reeks of a similar spate of killings from decades past, and no one but Gabriel seems to see the connection. Modern crimes, however, can sometimes have ancient origins, and unfortunately for Gabriel, he fails to account for the real culprit- or the thought that perhaps he isn't the only one on the hunt for a killer. A vampiric crime thriller tinged with romance, horror, and intense world-building, *Letifer* serves as a standalone novel in *The Dark Vagaries* series.

The Perfect Gift for a Birthday - Unique Personalised Journal!
Penguin

Ice meets fire in this opposites-attract lesbian romance, as layered, sassy, and smart as its characters. Over one long night at a bar in Las Vegas, two powerful hotel executives meet, flirt, and challenge each other-having no clue they're rivals after the same dream deal. Brilliant ice queen Amelia Duxton is a hotel vice president who thrives on control, truth, and efficiency. She's in no mood for love or the mess it brings. All she wants is to buy the coveted Mayfair Palace-a massive deal that could finally help

her land the CEO job in her family's hotel empire. Fiery Kai Fisher is charming and chaotic and renowned for closing ambitious deals. Her sights are set on snatching the Mayfair Palace out from under the nose of her hated arch rivals, the Duxton family. But when secrets emerge and everything starts to fall apart, how can either of the warring women win-especially when they've just met their match?

When Khouri journeyed to the surface with Sorin at his side, he anticipated adventures, excitement, and the chance to see things he'd never before dreamed of seeing. The ocean, the beach, and the pleasures to be had in Sorin's childhood home prove to be exactly the sort of distraction he needs from the homesickness that follows him wherever he goes. *Navidae* is never far from his mind, a fact that becomes almost a little too apparent when his lover continues to send letters with a frequency they hadn't planned on. As Khouri attempts to enjoy his oceanside vacation with Sorin and Sorin's family, the pervasive worry that something isn't quite right back at home continues to grow, coming to a head when a familiar messenger appears with orders to bring Khouri back to the *Duskriven* by any means necessary. Mistakes of the past have a way of resurfacing, no matter how deeply they're buried. The politics of the *Duskriven* have come full circle, threatening *Navidae* and everything he holds dear. The enemy this time isn't someone who can just be assuaged by threats or bribes, and as the danger mounts, *Navidae's* desperation rises with it. Khouri and his lovers face their new adversary--first alone, and then with each other, proving that even though the words may come slowly to some of them, forgiveness, apologies, and

confessions are expressions best said aloud. (Direct sequel to Epithymy)

Parnellism Createspace Independent Pub

"Two years ago, Tom and Caroline Johnson committed suicide, one seemingly unable to live without the other. Their adult daughter Anna is struggling to come to terms with her parents' deaths, unable to comprehend why they chose to end their lives. Now with a young baby herself, she feels her mother's presence keenly and is determined to find out what really happened to her parents. But as Anna digs up the past, someone is trying to stop her. She soon learns that nothing is as it seemed"--

Blurred Lines Penguin

"Lost in a dark woods and far from his familiar stomping grounds, Corbet put little stock in myths and legends of the Aos Sí. But when he is happened upon by a man claiming to be a faerie king, he finds that superstition holds more sway than logic among the Sidhe."

Twenty-Five Years Among the Poorest Children in America

Sistership Press Pty Limited

Growing up disabled and gay in the 1950s, circumstances force John Cromer from an early age to develop an intense and vivid internal world. As his character develops, this ability to transcend external circumstance through his own strength of character proves invaluable.

In the style of "Cannonball" Adderley Univ of California Press

Emily Riddle has lived her entire life inside a patriarchal commune led by her father. There are many rules, but the most important one, 'keep it in the commune', is the most difficult for her to follow... especially since the only people willing to

champion her cause live on the outside. When Emily learns her father has promised her to Lorenzo, a perverted man who has plans for her that extend well beyond marriage and kids, she rebels. Regardless of the consequences, she refuses to marry someone who'd rather beat her than caress her. A day of hooky that starts out as a tiny act of defiance - sneaking out of the commune for a swim - turns into a day filled with hope. After spending time with Levi, a man camping near the lake, she finds what true romance looks like and catches a glimpse into a future that's filled with love and admiration rather than hate and submission. That tiny peek is enough to change the course of Emily's existence and makes it nearly impossible for her to go back to the commune and pretend she'll ever be able to tolerate the life chosen for her instead of the life she longs for. One that includes Levi. Fighting to escape the commune, its leaders, and her fiance proves to be more dangerous than Emily expected. The secrets she knows, as the leader's daughter, will either follow her to the grave or send her - and Levi - there.

Pilcrow Exp Macmillan

Earth Sound Earth Signal is a study of energies in aesthetics and the arts, from the birth of modern communications in the nineteenth century to the global transmissions of the present day. Grounded in the Aeolian sphere music that Henry David Thoreau heard blowing in telegraph lines and in the Aelectrosonic sounds of natural radio that Thomas Watson heard in telephone lines, the book moves through the histories of science, media, music, and the arts to the 1960s, when the composer Alvin Lucier worked with the ""natural electromagnetic sounds"" present from ""brainwaves to outer.

Earth-Moon-Earth Random House

New Adult Contemporary Romance - Recommended for readers 18] due to mature content ***This is the first book in the Dearest Series and a stand-alone novel.*** Twenty-year-old Clementine Avery doesn't mind being called bitchy and closed off. It's safe, and after being burned by her high school sweetheart and stalked by a professor her freshman year of college, safe sounds pretty damn good. Her number one rule for survival? No dating. That is until she accidentally signs up for a romance writing class and needs material for her latest assignment. Sexy RA Gavin Murphy is more than happy to play the part of book boyfriend to help Clem find some inspiration, even if that means making out...in the name of research, of course. As Gavin and Clem grow closer, they get entangled in the mystery surrounding a missing Boston University student, and Clem unwittingly becomes a possible target. Gavin tries to show Clem she can handle falling in love again, but she knows she has to be careful because her heart

Grave Bound Tate Pub & Enterprises Llc
It is 1820 and a young, female sea captain sets sail aboard the schooner *Destiny* bound for the sugar plantations of Cuba and then on to the Baltic for iron. Political intrigue and mystery dog the voyage, and those who underestimate the captain's skill and business acumen do so at their peril. This is historical, nautical fiction with a fresh new take. *Destiny's Gold* author Pamela Grimm has created an indomitable female character and a storyline that keeps you guessing. Pamela combines her love of maritime history with experience as a commercial and recreational captain to bring to life the golden age of merchant sailing ships in the person of Captain Jane Thorn and her loyal

crew.

This Adventure Ends Pebble

Peterson translated Beethoven's Moonlight sonata into Morse code, transmitted the code to the Moon, and received the reflected code at the Earth's surface. Text includes Morse code as transmitted and received; musical scores for the sonata pre- and post-transmission on folded covers. Accompanying sound disc contains performance of the post-transmission score.

Mulierosity Independently Published

There isn't much Detective Louis "Lou" P. Garou needs to get himself through a long day of investigating violent supernatural homicides: a good lunch, a cut-and-dried case, and a few breaks to chase a new high score on his mobile games. That's all he could ever ask for. But when his latest case brings with it a curve ball of the Unseelie variety, he finds himself saddled with an independent magical consultant infamous for being difficult. He's known for a while that fae magic-specifically Unseelie magic-may just be the bane of his entire existence. But the magic's owner? Well, somehow, he manages to be worse.

The Immortal Rules Ylva Verlag E.Kfr.

"This delightfully feminist rom-com has characters that feel like friends and will surely appeal to fans of Sarah Dessen."--Buzzfeed
Cameron Bright is gorgeous, popular, and--according to her classmates--a total b*tch. But when her crush, Andrew, catches a

glimpse of her cruelty up close, it's enough to drive him away for good. To win him over, Cameron resolves to "tame" herself, like Shakespeare's shrew, Katherine. If she can make amends to those she's wronged, Andrew will have to take notice. Cameron's apology tour begins with Brendan, the guy whose social life she single-handedly destroyed. At first, Brendan isn't so quick to

forgive, but slowly he warms to her when they connect over a computer game he's developing. To Cameron's amazement, she enjoys hanging out with Brendan, who views her honesty as an asset, and she wonders: maybe you don't have to compromise who you are for the kind of love you deserve.
