Sourcebook for Sundays,
Seasons, and Weekdays
2021 Saint Mary's Press
Contrary to popular belief,
the medieval religious
imagination did not
restrict itself to masculine

images of God but
envisaged the divine in
multiple forms. In fact, the
God of medieval
Christendom was the
Father of only one Son but
many
daughters—including Lady
Philosophy, Lady Love,
Dame Nature, and Eternal
Wisdom. God and the
Goddesses is a study in
medieval imaginative
theology, examining the
numerous daughters of
God who appear in
allegorical poems,
theological fictions, and
the visions of holy
women. We have tended

to understand these deities as mere personifications and poetic figures, but that, Barbara Newman contends, is a mistake. These goddesses are neither pagan survivals nor versions of the Great Goddess constructed in archetypal psychology, but distinctive creations of the Christian imagination. As emanations of the Divine, mediators between God and the cosmos, embodied universals, and ravishing objects of identification and desire,

medieval goddesses transformed and deepened Christendom's concept of God, introducing religious possibilities beyond the ambit of scholastic theology and bringing them to vibrant imaginative life. Building a bridge between secular and religious conceptions of allegorized female power, Newman advances such questions as whether medieval writers believed in their goddesses and, if so, in what manner. She investigates whether the

personifications encountered in poetic fictions can be distinguished from those that appear in religious visions and questions how medieval writers reconcile their statements about the multiple daughters of God with orthodox devotion to the Son of God. Furthermore, she examines why forms of feminine God-talk that strike many Christians today as subversive or heretical did not threaten medieval churchmen. Weaving together such disparate texts as the

writings of Latin and vernacular poets, medieval schoolmen, liturgists, and male and female mystics and visionaries, God and the Goddesses is a direct challenge to modern theologians to reconsider the role of goddesses in the Christian tradition.

Liturgies of Lament

LiturgyTrainingPublications

In stark contrast to the common belief that youth ministers require nothing less than a light show, smoke machine, and sweaty rock bands to

reach teenagers' souls, more and more youth have actually been moving toward depth and quiet-and away from fluff and noise. Creeds, candles, silence, and ancient spiritual practices are all gaining understanding and popularity among young people, who are realizing that there are treasures in tradition. As Morning Breaks and Evening Sets is a tool for unearthing, dusting off, and tapping into these treasures. As Morning Breaks and Evening Sets provides an

introduction to the biblical form of prayer known as the Liturgy of the Hours-a rich and time-tested way for Christians to pray with the whole community of faith, using the source of its hope, the inspired Scriptures. This type of prayer immerses believers in the poetic word of God found in the Psalms, scriptural canticles, and scriptural readings. As Morning Breaks and Evening Sets contains seventeen prayer experiences designed to put the hearts and minds of adolescents

in touch with the sacred. This is a book of simple yet profound prayer experiences that speak to the everyday moments in the lives of young people. Here young people will participate in the venerable practice of using the Scriptures to offer praise, thanksgiving, and intercession. A corresponding music collection on CD for As Morning Breaks and Evening Sets is available through GIA Publications. Three of today's top liturgical composers, Tony Alonso, Michael Mahler,

and Lori True, composed the songs. The CD, titled As Morning Breaks and Evening Sets: Psalms, Canticles, and Hymns for the Liturgy of the Hours, contains seventeen contemporary and highly accessible musical settings for use with this book. 2020 Philadelphia : Musicdata Those who prepare the liturgy are entrusted with a very important task—helping our assemblies to encounter the real presence of Christ and to be transformed and strengthened for discipleship. Good celebrations of the liturgy help foster and nourish the faith of our parishioners. Sourcebook for Sundays, Seasons, and Weekdays is a trusted annual publication providing insightful, concise, and detailed

suggestions for preparing the Mass each day of the liturgical year. With its focus on celebrating the liturgy well, this resource will guide parish teams in making “the liturgical prayers of the Christian community more alive” (On Sacred Music, 31). It includes: -Preaching points -Additional Scripture insights for the Proper of Saints -Music preparation guidance and song suggestions -Ways to connect the liturgy to the Christian life -Original Mass texts for Sundays, solemnities, and feasts of

the Lord -Seasonal worship committee agendas -Ideas for celebrating other rites and customs -An online supplement for preparing the sacramental rites - Seasonal introductions - Daily calendar preparation guides -Dated entries with liturgical titles, lectionary citations, and vestment colors -Scripture insights - Brief biographies of the saints and blesseds - Guidance for choosing among the options provided in the ritual texts *Sacred Choral Music in Print* Liturgy Training

Publications
For over thirty years, Sourcebook for Sundays, Seasons, and Weekdays has been a trusted resource for preparing the various liturgies of the Church. This annual resource has been revised, reorganized, and redesigned to bring you more concise and helpful material to enlighten and inspire those who prepare the liturgy, especially the Sunday Mass, the “source and summit of the Christian life.”

A Struggle for Holy
Ground results from
thirty-five interviews with
participants in the 1989

consolidations of then
parishes in Chicago's
Englewood and two
parishes from the San
Francisco consolidations
after its 1989 earthquake.
It explores the roles of
ritual and pastoral care in
this sometimes highly
conflicted situation
through the lens of
trauma and reconciliation.
It proposes a series of
new rites: group
reconciliation, atonement,
lament, leave-taking,
memorial, and
inauguration based on the
experience of people
most impacted by parish

restructurings.

This sound interpretation
of Vietnamese cultural
attitudes contends that a
major reason for

American difficulties in Viet-Nam has been the failure to appreciate how wide the gulf is between Viet-Nam and the West. Professor Smith first describes Vietnamese political and social traditions and shows how they were challenged by the West after 1858. He examines Viet-Nam's search for independence and modernization in the first half of this century, contrasts the two governments of the partitioned country during the years 1954-1963, and stresses the critical need

to reassess attitudes toward Viet-Nam. His sophisticated, ambitious survey of Viet-Nam history will have a lasting value that sets it apart from the scores of ephemeral books on this country. [Sourcebook for Sundays, Seasons, and Weekdays 2023](#) Liturgical Press This book provides a comprehensive historical treatment of the Latin liturgy in medieval England. Richard Pfaff constructs a history of the worship carried out in churches - cathedral,

monastic, or parish - primarily through the surviving manuscripts of service books, and sets this within the context of the wider political, ecclesiastical, and cultural history of the period. The main focus is on the mass and daily office, treated both chronologically and by type, the liturgies of each religious order and each secular 'use' being studied individually. Furthermore, hagiographical and historiographical themes - respectively, which saints are prominent in a given

witness and how the labors of scholars over the last century and a half have both furthered and, in some cases, impeded our understandings - are explored throughout. The book thus provides both a narrative account and a reference tool of permanent value.
