CANTRELL MACK

Secondhand World Cambria Press
 The world-renowned classic that has enthralled and delighted millions of readers with its timeless tales of gods and heroes. Edith Hamilton's mythology succeeds like no other book in bringing to life for the modern reader the Greek, Roman and Norse myths that are the keystone of Western culture—the stories of gods and heroes that have inspired human creativity from antiquity to the present. We follow the drama of the Trojan War and the wanderings of Odysseus. We hear the tales of Jason and the Golden Fleece, Cupid and Psyche, and mighty King Midas. We discover the origins of the names of the constellations. And we recognize reference points for countless works for art, literature and culture inquiry—from

Freud's Oedipus complex to Wagner's Ring Cycle of operas to Eugene O'Neill's Mourning Becomes Electra Both a reference text for scholars of all ages and a book to simply enjoy, Mythology is a classic not to be missed.

Plays about Growing Up Gay Applause Theatre & Cinema
 Contributions by Carolina Alonso, Elena Avilés, Trevor Boffone, Christi Cook, Ella Diaz, Amanda Ellis, Cristina Herrera, Guadalupe García McCall, Domino Pérez, Adrianna M. Santos, Roxanne Schroeder-Arce, Lettycia Terrones, and Tim Wadham
In Nerds, Goths, Geeks, and Freaks: Outsiders in Chicanx and Latinx Young Adult Literature, the outsider intersects with discussions of race, ethnicity, gender, and sexuality. The essays in this volume address questions of outsider identities and how these identities are shaped by mainstream myths around Chicanx and Latinx young people, particularly with the common stereotype of the struggling,

underachieving inner-city teens. Contributors also grapple with how young adults reclaim what it means to be an outsider, weirdo, nerd, or goth, and how the reclamation of these marginalized identities expand conversations around authenticity and narrow understandings of what constitutes cultural identity. Included are analysis of such texts as I Am Not Your Perfect Mexican Daughter, Shadowshaper, Swimming While Drowning, and others. Addressed in the essays are themes of outsiders in Chicanx/Latinx children's and young adult literature, and the contributors insist that to understand Latinx youth identities it is necessary to shed light on outsiders within an already marginalized ethnic group: nerds, goths, geeks, freaks, and others who might not fit within such Latinx popular cultural paradigms as the chola and cholo, identities that are ever-present in films, television, and the internet.
Exciting Times Edith Can Shoot Things and

Hit Them Three kids - Kenny, his sister Edith, and their friend Benji - are all but abandoned on a farm in remotest Middle America. With little adult supervision, they feed and care for each other, making up the rules as they go. But when Kenny's and Benji's relationship becomes more than friendship, and Edith shoots something she really shouldn't shoot, the formerly indifferent outside world comes barging in whether they want it to or not. Awkward Stages Plays about Growing Up Gay The plays in this volume, written by men (some of whom are the most celebrated playwrights) who were in their late twenties and early thirties, affirm adolescents as subjects active in same-sex relationships. Sexual identity is important to the young men in their plays, in great part because they must define themselves against the prejudice and sanctions of family and social institutions. In some cases, the experiences dramatized in these plays are examples of the "gay pathos." Some boys, like Benji in A. Rey Pamatmat's *Edith Can Shoot Things* and *Hit Them*, were severely punished by their parents for expressing their sexuality. Others, like Chris in Daniel Talbott's *Slipping*, are terrified of anyone, particularly his peers, discovering his sexual relationship with another boy. Dennis, in Michael Perlman's *From White Plains*, has never recovered from the anti-gay bullying he and his best friend endured in high school. At the same time, most of the plays in this book depict joyful expressions of gayness. Much of *Edith Can Shoot Things* and *Hit Them* is the story of two teenage boys discovering sex and love on a remote Midwestern farm despite the interventions of parents. On his twelfth birthday, Ricardo Bracho's *Sissy* discovers and celebrates his inner queen. Yet not all adolescents can feel that joy. Eli, in *Slipping*, connects sex and desire with cruelty, first suffered at the hands of the conflicted lover Chris, then projected onto the sweet boy with whom he becomes involved in Iowa, and finally inflicted upon himself. The young men in these plays are all unique characters. Affirmation of their sexuality in a time and places where homophobia is still a reality is only one problem each faces. Like many works about adolescence, these plays depict the blurry no man's land between childhood and adulthood. All of these plays have received powerful productions at theatres across America and demonstrate the vitality and variety of contemporary American drama. This is an important book for all collections not only in LGBT studies and theater studies, but also education and sociology because of how it

deals with adolescent homosexuality and homophobia, as well as bullying. See <http://www.cambriapress.com/books/9781604979084.cfm> for more information. In *Performance Contemporary Monologues for Teens*

Digital Costume Design and Collaboration gives in-depth instruction on how to draw, render, and fully design costumes using online tools and software. Grounded in the use of Photoshop, the book explains the process of building a costume design from scratch, including information on digital tools and painting techniques. The book demonstrates how to utilize social media, such as Flickr and Pinterest, to compile research; how to create user-friendly web based slide shows; and how to archive digital files for portfolios and personal websites. It also demonstrates how to organize spec sheets, plots and inventories using Google Docs for easy editing and Dropbox for easy file sharing. A companion YouTube channel featuring video tutorials of exercises and applications compliments the book. *Or, Crime and Retribution. A Tragic Story of New England, Founded Upon Fact* Anchor Books

In Tel Aviv, Israel, a group of Filipino immigrants work as live-in carers for elderly Orthodox Jewish men. Six days a week they provide dedicated support to their employers. But on the seventh day they transform into a homespun, sassy musical drag act. Meet the Paper Dolls! An extraordinary true story exploring an unlikely collision of cultures and the universal desire to find 'home'.

Mythology Cambridge University Press "This debut novel about an Irish expat millennial teaching English and finding romance in Hong Kong is half Sally Rooney love triangle, half glitzy Crazy Rich Asians high living—and guaranteed to please." —Vogue AN ANTICIPATED BOOK FROM: Vogue * Elle * O, the Oprah Magazine * Esquire * Harper's Bazaar * PopSugar * LitHub An intimate, bracingly intelligent debut novel about a millennial Irish expat who becomes entangled in a love triangle with a male banker and a female lawyer Ava, newly arrived in Hong Kong from Dublin, spends her days teaching English to rich children. Julian is a banker. A banker who likes to spend money on Ava, to have sex and discuss fluctuating currencies with her. But when she asks whether he loves her, he cannot say more than "I like you a great deal." Enter Edith. A Hong Kong-born lawyer, striking and ambitious, Edith takes Ava to the theater and leaves her tulips in the hallway. Ava wants to be her—and wants her. And then Julian writes to tell Ava he is coming back

to Hong Kong... Should Ava return to the easy compatibility of her life with Julian or take a leap into the unknown with Edith? Politically alert, heartbreakingly raw, and dryly funny, *Exciting Times* is thrillingly attuned to the great freedoms and greater uncertainties of modern love. In stylish, uncluttered prose, Naoise Dolan dissects the personal and financial transactions that make up a life—and announces herself as a singular new voice.

THE TRIALS OF EDITH MAXWELL

Dramatists Play Service, Inc.

New York Times bestselling author Laura Thompson returns with *Heiresses*, a fascinating look at the lives of heiresses throughout history and the often tragic truth beneath the gilded surface. *Heiresses*: surely they are among the luckiest women on earth. Are they not to be envied, with their private jets and Chanel wardrobes and endless funds? Yet all too often those gilded lives have been beset with trauma and despair. Before the 20th century a wife's inheritance was the property of her husband, making her vulnerable to kidnap, forced marriages, even confinement in an asylum. And in modern times, heiresses fell victim to fortune-hunters who squandered their millions. *Heiresses* tells the stories of these million dollar babies: Mary Davies, who inherited London's most valuable real estate, and was bartered from the age of twelve; Consuelo Vanderbilt, the original American "Dollar Heiress", forced into a loveless marriage; Barbara Hutton, the Woolworth heiress who married seven times and died almost penniless; and Patty Hearst, heiress to a newspaper fortune who was arrested for terrorism. However, there are also stories of independence and achievement: Angela Burdett-Coutts, who became one of the greatest philanthropists of Victorian England; Nancy Cunard, who lived off her mother's fortune and became a pioneer of the civil rights movement; and Daisy Fellowes, elegant linchpin of interwar high society and noted fashion editor. *Heiresses* is about the lives of the rich, who—as F. Scott Fitzgerald said—are 'different'. But it is also a bigger story about how all women fought their way to equality, and sometimes even found autonomy and fulfillment.

The Cambridge Companion to Asian American Literature Titan Books

Eddy Shade was your average police detective. That is until one evening he witnesses a man's bizarre murder. Despite the man's death being dismissed as natural causes Eddy decides to pursue the case anyways. A decision that will forever

change his life. Eddy will learn that monsters and magic are not only real, but are everywhere, and that perhaps one of the most dangerous of all may be the very thing he is looking for.

A Practical Guide for Designers, Technicians, and Stage Managers Vintage
A groundbreaking new look at American novelist Willa Cather's creative process What would Willa Cather's widely read and cherished novels have looked like if she had never met magazine editor and copywriter Edith Lewis? In this groundbreaking book on Cather's relationship with her life partner, author Melissa J. Homestead counters the established portrayal of Cather as a solitary genius and reassesses the role that Lewis, who has so far been rendered largely invisible by scholars, played in shaping Cather's work. Inviting Lewis to share the spotlight alongside this pivotal American writer, Homestead argues that Lewis was not just Cather's companion but also her close literary collaborator and editor. Drawing on an array of previously unpublished sources, Homestead skillfully reconstructs Cather and Lewis's life together, from their time in New York City to their travels in the American Southwest that formed the basis of the novels *The Professor's House* and *Death Comes for the Archbishop*. After Cather's death and in the midst of the Cold War panic over homosexuality, the story of her life with Edith Lewis could not be told, but by telling it now, Homestead offers a refreshing take on lesbian life in early twentieth-century America.

Contemporary Women Stage Directors opens the door into the minds of 27 prolific female theatre directors, allowing you to explore their experience, wisdom and knowledge. Directors give insight into their diverse approaches to the key challenges of directing theatre, including choosing projects, engaging with scripts, conceptualizing visual and acoustic production elements, collaborating with actors and production teams, building their careers, and navigating challenges and opportunities posed by gender, race and ethnicity. The directors featured include Maria Aberg, May Adrales, Sarah Benson, Karin Coonrod, Rachel Chavkin, Lear deBessonnet, Nadia Fall, Vicky Featherstone, Polly Findlay, Leah Gardiner, Anne Kauffman, Lucy Kerbel, Young Jean Lee, Patricia McGregor, Blanche McIntyre, Paulette Randall, Diane Rodriguez, Indhu Rubasingham, KJ Sanchez, Tina Satter, Kimberly Senior, Roxana Silbert, Leigh Silverman, Caroline Steinbeis, Liesl Tommy, Lyndsey Turner, and Erica Whyman. These women are making profoundly exciting theatre in some of the most influential organizations across the English-speaking world--from Broadway to the West End, from the National Theatre in London to Center Theatre Group in Los Angeles. As generally mid-career professionals, they are informed by both their hard-earned expertise and their forward-looking energy. They offer astute observations about the current state of the art form, as well as inspiring visions of what theatre can accomplish in the decades to come.

"A unique collection of 23 plays for three actors"--Cover.

Awkward Stages Taylor & Francis
For nearly twenty years, playwright Lauren Yee's father, Larry, has been a driving force in the Yee Family Association, a seemingly obsolescent Chinese American men's club formed a hundred fifty years ago in the wake of the Gold Rush and the building of the transcontinental railroad. But when her father goes missing, Lauren must plunge into the rabbit hole of San Francisco Chinatown and confront a world both foreign and familiar. At once biting and hilarious and heartbreakingly honest, *King of the Yees* is an epic joyride across cultural, national, and familial borders that explores what it means to truly be a Yee. -

The Sheik HarperCollins

Chicago's quirky patron saint This thrilling story of a daughter of America's foremost industrialist, John D. Rockefeller, is complete with sex, money, mental illness, and opera divas—and a woman who strove for the independence to make her own choices. Rejecting the limited gender role carved out for her by her father and society, Edith Rockefeller McCormick forged her own path, despite pushback from her family and ultimate financial ruin. Young Edith and her siblings had access to the best educators in the world, but the girls were not taught how to handle the family money; that responsibility was reserved for their younger brother. A parsimonious upbringing did little to prepare Edith for life after marriage to Harold McCormick, son of the Reaper King Cyrus McCormick. The rich young couple spent lavishly. They purchased treasures like the jewels of Catherine the Great, entertained in grand style in a Chicago mansion, and contributed to the city's cultural uplift, founding the Chicago Grand Opera. They supported free health care for the poor, founding and supporting the John R. McCormick Memorial Institute for Infectious Diseases. Later, Edith donated land for what would become Brookfield

Zoo. Though she lived a seemingly enviable life, Edith's disposition was ill-suited for the mores of the time. Societal and personal issues—not least of which were the deaths of two of her five children—caused Edith to experience phobias and panic attacks. Dissatisfied with rest cures, she ignored her father's expectations, moved her family to Zurich, and embarked on a journey of education and self-examination. Edith pursued analysis with then-unknown Carl Jung. Her generosity of spirit led Edith to become Jung's leading patron. She also supported up-and-coming musicians, artists, and writers, including James Joyce as he wrote *Ulysses*. While Edith became a Jungian analyst, her husband, Harold, pursued an affair with an opera star. After returning to Chicago and divorcing Harold, Edith continued to deplete her fortune. She hoped to create something of lasting value, such as a utopian community and affordable homes for the middle class. Edith's goals caused further difficulties in her relationship with her father and are why he and her brother cut her off from the family funds even after the 1929 stock market crash ruined her. Edith's death from breast cancer three years later was mourned by thousands of Chicagoans. Respectful and truthful, Andrea Friederici Ross presents the full arc of this amazing woman's life and expertly helps readers understand Edith's generosity, intelligence, and fierce determination to change the world
