CAMILLE PITTS

A Cute Children Book to Teach Kids about Anger Management. Scholastic Inc.

Rufus gets upset when Ava comes along and messes up his favorite game. Will saying a prayer help him to be less angry? In Frolic picture books, lovable animal characters encounter problems that kids 3-5 can relate to—and learn that prayer helps. Each picture book includes a simple prayer that parents and kids can say together.

A Book about Anger Dayton Josh

In this book, readers will discover how to recognize anger in others and how to best respond to it with empathy and understanding. Social and emotional learning (SEL) concepts support growth mindset throughout, while Try This! and Grow with Goals activities at the end of the book further reinforce the content. Vibrant, full-color photos and carefully leveled text engage young readers as they learn more about the emotion of anger. Includes sidebars, a table of contents, glossary, index, and tips for educators and caregivers. When Your Friend Is Angry is part of Jump!'s You've Got a Friend series.

Regaining Control When Your Child Is Out of Control Sourcebooks, Inc.

Are you struggling to put your child to bed? Would you like your child to fall asleep faster? Then, this book is the perfect solution for you. The little snow leopard, Felix, is trying to find his way home. He is angry and cannot control his rage. With Felix's interaction with his friends, your child will learn to recognize his emotions and deal with them. This book will help you in many ways: - gives examples of anger control, - improves anger management, - teaches children not to be afraid to make friends, - helps children stay calm. "My three-year-old daughter can't read, but she's thrilled with the beautiful illustrations." - Susan "I'm a teacher, and this book helps me show children the best ways to get rid of anger. Inflating an invisible balloon thrilled me!" - Maria "My son adores Felix. He says Felix is cute and brave. My son identifies with the snow leopard." - David This book will help your kids make friends, help those in need, and control their emotions. "Angry snow leopard" is suitable for all ages. We recommend it to parents and anyone who works with children.

Does Your Kid Struggle with Anger Issues? Here's the Help You Need! A Powerful Guide for Parents Trying Their Best to Tame Children's Angry Temper & Cope with Emotions How many times a day do you get angry? The truth is, kids get angry as much as we adults do - or, maybe more. The issue with anger in children is not the anger itself - it's how they express it. Too often, the little ones don't

know how to cope with anger because they don't understand their emotions. This may lead to regular tantrums which you're definitely not a fan of. Now, you have a unique chance to put an end to this behaviors that gets the worst out of you and your children! Would you like to: Help your children understand where anger comes from? Encourage discussion about how they truly feel? Show your kids how to use their emotions, particularly anger, in a healthy way? Tame their angry temper before it turns into aggression which may cause additional problems for them in the future? Given the importance of anger management in kids, this extraordinary book will show you exactly how to do so! When you were a kid, your parents probably told you that being angry is bad. There have certainly been situations when they told you that you have no reason to be mad. That's a wrong approach! The goal of this powerful book is not to repress or nullify the feelings of anger in children or ourselves, but rather to learn to accept them, channel them and direct them towards a constructive end. Here's just a small preview into the contents of this book: What is anger in kids and how to recognize it; Possible triggers for anger in kids; The dos and don'ts - things to do and what to avoid when your kid is angry; Proven ways to act effectively in the face of children's anger; And much more! With your guidance, your kid's anger issues will drastically improve. Will you help your little one? Scroll up, click on "Buy Now with 1-click", and Get Your Copy Now!

Today I Am Mad Sparkhouse Family

Children love to unwind and relax with this fun exercise known as "progressive muscular relaxation". Children relate to the angry octopus in this story as the sea child shows him how to take a deep breath, calm down, and manage his anger. These effective stress and anger management techniques for children focus awareness on various muscle groups to create a complete resting of the mind and body. Muscular relaxation can lower stress and anxiety levels. It can be used to decrease pain and anger. This engaging story quiets the mind and relaxes the body so your child can let go of anger and fall asleep peacefully.

Feeling Angry Free Spirit Publishing

Did you know that anger isn't totally bad like we have always been taught? Children from my observation often experience strong and sudden bursts of emotion. Teaching children how to manage their emotions in a healthy way is an essential skill they need to have. This will go a long way to affect their growth and behavior in a positive way. I can assuredly tell you that helping your child navigate their emotions can sometimes feel like an enormous challenge, but it doesn't have to be. That is the main reason why I wrote this book. In this self-help book for kids, we talk about anger, self-control, and good manners. We show the kids how they can apply this while playing together and tackling common, everyday challenges. The book offers practical solutions for parents on how to calm and redirect their child's anger, as well as how to help them understand and manage this emotion. Using fun engaging and simple activities, this anger management book for children helps you teach your child how to recognize and cope with anger. While reading together, you will teach your toddler how to manage their anger in a healthy, positive way, and help your child grow confident and self-assured. If you're looking for an activity book for your toddler, preschooler, kindergartner or school-aged child, this cute and positive book helps kids build confidence while inspiring and entertaining them. It's a fun and mess-free way to engage in emotional regulation for children, 5, 6, 7, 8, 9, and 10 years old. Children often experience strong and sudden bursts of emotion. Learning to manage their emotions in a healthy way is essential for their social development and for their well-being. Helping your child explore his or her emotions can seem like a huge challenge. From here comes: "I Am Angry" In this self-help book for kids, Timon is a child who is always angry and unable to control his character whenever things go wrong. His parents are tired of his attitude and come up with ways to channel his anger or emotions in different ways, like doing better in class, doing chores in record time, and so on. Whenever Timon does something correct and correctly checks his anger, he receives a gift. But he must also understand why he was getting angry and how to overcome it. The book offers practical solutions for parents on how to calm and redirect their children's anger, as well as on how to help them understand and manage this emotion. Self-regulation and tolerance are essential social skills and will improve the emotional health of the child. This book on anger management for children helps you teach your child how to recognize and deal with anger.

Two Monsters and Me - Everybody Gets Angry Jessica Kingsley Publishers

Sometimes kids have questions about why they feel angry. This title covers reasons one might feel angry and ways that can help. When I Feel Angry Franklin Watts

Bull routinely impressed his family, friends, and teachers with his ability to control his emotions and anger. He was always upbeat and looked at the bright side of things! He could remain calm in the

toughest of circumstances, and never so much as raised his voice But he wasn't always that way. Once upon a time, Bull's friend Fox showed him a simple and small tip that completely changed his approach. Find out what this tip is, and how to use it to instill emotional maturity, self-control, and mindfulness in your growing child! Teach your child: -How to deal with obstacles and hardships in life -The value of emotional control and letting things go -The costs of explosive anger, outbursts, and lashing out at the people around you -The lesson of how to be happy even when you don't get what you want Original, engaging, humorous, and re-readable. This is a children's book about building values and teaching life skills. Charlotte Dane possesses a unique understanding of child psychology, which allows her to write tales that are both educational and captivating for children. The Teach Me How! Children's Book Series is aimed at teaching children essential life skills, mindsets, and paths to success and happiness. Charlotte combines adorable and charming characters with wit and humor that even adults will enjoy. This series is perfect for children ages 3-11, and the adults that interact with them (parents, caretakers, teachers, relatives, coaches, and so on)!

The Angry Dinosaur New Society Publishers

This series helps kids recognize, express, and deal with the roller coaster of emotions they feel every day. It has been celebrated by therapists, psychologists, teachers, and parents as wonderful tools to help children develop self-awareness for their feelings and those of their friends. Sometimes I feel angry and throw toys in the air. Or I roll on the ground, or hide under a chair. Most kids aren't strangers to temper tantrums, and they often don't know how else to work through the anger and frustration that cause them to lose control. I Feel...Angry addresses the different ways kids might already express themselves when they're angry and offers some suggestions on how to calm down. With fun, witty illustrations and simple, straightforward text, this book makes it easy for kids to identify their own emotions.

I Feel Angry Lerner Digital™

A child tries a variety of ways to dissolve anger.

When I Am Angry Stress Free Kids

We all get angry sometimes. This illustrated board book helps young children understand why they get angry and how to deal with it. I Feel Angry guides children through their emotions with the help of a fun illustrated flame character who often finds themselves getting angry. What can the little

flame do when they feel this emotion? Angry feelings are illustrated as real objects such as red mist and an expanding balloon, making it easier for young children to understand what anger is and how they can deal with it. This book also provides helpful tips and tricks to aid children in controlling their anger that they can practise by themselves.

When I Am Angry Kids Books about Anger, Ages 3 5, Children's Books

Angry Octopus: An Anger Management Story for Children Introducing Active Progressive Muscle Relaxation and Deep Breathing to Help Control Anger Independently Published

Every child has an off day when nothing seems to go right, but for some, angry outbursts, frustration, and resentment are the norm. When a child's anger threatens to jeopardize his school and social life and introduces an element of strain into the family dynamics that affects every member, it's time for a parent to ask: When is angry too angry? Child psychologist Dr. Tim Murphy has addressed this very question with hundreds of families, helping them to understand both the causes and the repercussions of childhood anger and to devise effective strategies for defusing the time bomb in their midst. Whether it's a toddler staging a tantrum, a grade-schooler unable to make friends, or a sulking preteen who greets every adult request with antagonism, parents of angry children are baffled by both the depth and the root of their child's unhappiness. And when small social problems and household disputes regularly escalate into full-fledged battles, it's nearly impossible for parents to distance themselves enough from the situation to find a perspective that will remedy it. With simple, direct techniques, Dr. Murphy shows it is possible to help an angry child understand what triggers his outbursts and develop new approaches for coping with potentially explosive situations. Identifying the ten telling characteristics of an angry child, Dr. Murphy provides examples from his clinical experience to help adults guide their children to more appropriate responses. Dr. Murphy also alerts readers to parenting styles that work best for these volatile children, explaining how a parent's own behavior can sometimes escalate a child's meltdowns. He pinpoints the moments when anger moves from a normal emotional expression to an extreme one, indicative of a larger problem. In a special chapter devoted to winning daily battles, Dr. Murphy offers advice on situations in which an angry child's temper is most likely to flare. The Angry Child is destined to be a classic. With real solutions for the concerns of millions of parents, Dr. Murphy offers answers and hope for the families and educators of unhappy children of all ages.
