 In the sequel to Shane Kuhn’s bestselling *The Intern’s Handbook*, professional assassin John Lago faces off against his deadliest adversary yet—his wife—in a thriller that has “all of the testosterone-bloated wisdom of Tucker Max mixed with the satire of *American Psycho*” (*Entertainment Weekly*). At the end of *The Intern’s Handbook*, John tracks down his nemesis Alice but instead of putting a bullet in her head, he puts a ring on her finger and marries her. Together, they execute a hostile takeover of Human Resources, Inc., the “placement agency” that trains young assassins to infiltrate corporations disguised as interns and knock off high profile targets. As HR’s former top operatives, they are successful until conflicting management styles cause an ugly breakup that locks John out of the bedroom and the boardroom. Then Alice takes on a new HR target, and John is forced to return to the office battlefield in a role he swore he would never play again: the intern. What starts out as a deadly showdown turns into the two of them fighting side by side to save HR, Inc.—and their marriage. “Those who like Dexter will love John Lago” (*Booklist*), and this in this suspenseful sequel to *The Intern’s Handbook*, author Shane Kuhn’s wildly clever antihero needs to use all his wits to land on top. “Far grittier than a Bond film and infused with the mind-bending, identity-shifting elements of, say, *Mission: Impossible*, *Hostile Takeover* is fun, smart, and jam-packed with serious splatter and gore. Lago’s canny shenanigans will keep you riveted, from its taut opening pages to its explosive, cinematic ending” (*The Boston Globe*).

Ilona Andrews, #1 New York Times bestselling author, continues her spellbinding series set in the Hidden Legacy world where magic controls everything...except the hearts of those who wield it. As Prime magic users, Catalina Baylor and her sisters have extraordinary powers—powers their ruthless grandmother would love to control. Catalina can earn her family some protection working as deputy to the Warden of Texas, overseeing breaches of magic law in the state, but that has risks as well. When House Baylor is under attack and monsters haunt her every step, Catalina is forced to rely on handsome, dangerous Alessandro Sagredo, the Prime who crushed her heart. The nightmare that Alessandro has fought since childhood has come roaring back to life, but now Catalina is under threat. Not even his lifelong quest for revenge will stop him from keeping her safe, even if every battle could be his last. Because Catalina won't rest until she stops the use of the illicit, power-granting serum that's tearing their world apart.

La comprensión lectora en la enseñanza del español LE/L2: de la teoría a la práctica presents state-of-the-art theory and teaching practices for

integrating reading skills into the teaching of Spanish. The book bridges a conspicuous gap between research supporting reading as a key component of language acquisition and actual practice by discussing how to implement reading successfully in and out of the classroom. Written entirely in Spanish, the book focuses on the needs of Spanish language learners with the goal of motivating students to read in the target language and work with diverse types of texts and genres. Written in a clear and accessible manner, *La comprensión lectora en la enseñanza del español LE/L2: de la teoría a la práctica* is an essential resource for teachers of Spanish at all levels. It is an excellent reference book for language teachers who wish to integrate reading into the teaching of the Spanish language.

In *The Queen V*, the beloved OB-GYN, celebrity doctor, and star of Bravo's *Married to Medicine* reveals the twelve principles behind a happy and healthy vagina...and other lady parts. After twenty years of private obstetrics and gynecological practice, there's nothing Dr. Jackie Walters hasn't seen. And now, in her new book, the widely-adored OB-GYN invites you to put your feet in the stirrups and investigate. Whether she's covering libido, contraceptives, labiaplasty, or fertility, Dr. Jackie educates readers with her characteristic grace and pragmatism. Both funny and informative, she brings you on a quest through the female reproductive system—answering all the burning (and itching, and smelling...) questions you've always been afraid to ask. Dr. Jackie knows that every woman is different, and she's designed a reading experience that's tailor-made for each individual. After taking a fun quiz to uncover your own vaginal personality (V.P.), you'll embark upon an eye-opening journey of self-discovery. Are you a Mary Jane, a Sanctified Snatch, or a Notorious V.A.G.? What's the shape of your vaginal flower—rosebud, tulip, or carnation? Dr. Jackie reveals the answer and doles out advice so personal you'll feel like you're in the office talking to her. For every time you've been draped in a paper gown and too embarrassed to ask that question, Dr. Jackie has you covered. Her book is a woman's guide to self-awareness that will educate, entertain, and empower others to achieve vaginal liberation. It's a must-read for anyone who owns (or loves) a vagina.

A delightful and charming story celebrating Christmas in Lagos, a modern West African city. This picture book explores the sights and sounds of Lagos at Christmas through the eyes and words of a little Nigerian girl writing a Christmas journal. A cold, dry wind blew in from the Sahara desert and into Ranti's room It is ten days to Christmas, and also the last day of school. Ranti, a six year old girl who lives in the West African city of Lagos, Nigeria, sits in class and listens to her classmates describe all the exciting, far-away places they will visit during the Christmas holidays. Many of them will travel abroad for Christmas with their families. Ranti feels left out, and believes that her Christmas will be the most boring Christmas ever because she will be spending it in the city where she lives: Lagos. Because there is no snow in Lagos, she won't go ice skating or build a frosty snowman. However, with the encouragement of her class teacher, Miss Ani, Ranti starts a Christmas journal where she details all the amazing things that take place in the city of Lagos during Christmas. Although there is no snow in Lagos, and no tower to visit, Ranti develops a newfound appreciation for Lagos, and discovers all the exciting reasons that make Christmas in Lagos so special. Children will learn that you don't need to travel to exotic places to enjoy Christmas in your own town, city or village. Children will also learn the value of keeping a daily journal or diary. This picture book is a celebration of all the wonderful things that make Christmas special in Lagos. Readers of all ages will love following Ranti's journey through her Christmas diary, as she takes us through Lagos at Christmastime. It is also a celebration of all the things that make a Nigerian Christmas truly special, including Christmas concerts and Christmas carols in Nigerian languages. Perfect for read-alouds and storytime. Recommended for 4 - 8 year old children, preschoolers, kindergaten kids, toddlers and readers of all ages.

A Hidden Legacy Novel McGraw-Hill Education

From a veteran culture writer and modern movie expert, a celebration and analysis of the movies of 1999—“a terrifically fun snapshot of American film culture on the brink of the Millennium....An absolute must for any movie-lover or pop-culture nut” (Gillian Flynn). In 1999, Hollywood as we know it exploded: *Fight Club*. *The Matrix*. *Office Space*. *Election*. *The Blair Witch Project*. *The Sixth Sense*. *Being John Malkovich*. *Star Wars: The Phantom Menace*. *American Beauty*. *The Virgin Suicides*. *Boys Don't Cry*. *The Best Man*. *Three Kings*. *Magnolia*. Those are just some of the landmark titles released in a dizzying movie year, one in which a group of daring filmmakers and performers pushed cinema to new limits—and took audiences along for the ride. Freed from the restraints of budget, technology, or even taste, they produced a slew of classics that took on every topic imaginable, from sex to violence to the end of the world. The result was a highly unruly, deeply influential set of films that would not only change filmmaking, but also give us our first glimpse of the coming twenty-first century. It was a watershed moment that also produced *The Sopranos*; *Apple's AirPort*; *Wi-Fi*; and Netflix's unlimited DVD rentals. “A spirited celebration of the year's movies” (Kirkus Reviews), *Best. Movie. Year. Ever.* is the story of not just how these movies were made, but how they re-made our own vision of the world. It features more than 130 new and exclusive interviews with such directors and actors as Reese Witherspoon, Edward Norton, Steven Soderbergh, Sofia Coppola, David Fincher, Nia Long, Matthew Broderick, Taye Diggs, M. Night Shyamalan, David O. Russell, James Van Der Beek, Kirsten Dunst, the Blair Witch kids, the Office Space dudes, the guy who played Jar Jar Binks, and dozens more. It's “the complete portrait of what it was like to spend a year inside a movie theater at the best possible moment in time” (Chuck Klosterman).

NATIONAL BESTSELLER • The award-winning author of *We Should All Be Feminists* and *Americanah* gives us this powerful statement about feminism today—written as a letter to a friend. A few years ago, Chimamanda Ngozi Adichie received a letter from a childhood friend, a new mother who wanted to know how to raise her baby girl to be a feminist. Dear Ijeawele is Adichie's letter of response: fifteen invaluable suggestions—direct, wryly funny, and perceptive—for how to empower a daughter to become a strong, independent woman. Filled with compassionate guidance and advice, it gets right to the heart of sexual politics in the twenty-first century, and starts a new and urgently needed conversation about what it really means to be a woman today. Reading Lolita in Tehran Sharon Abimbola Salu

#1 NEW YORK TIMES BESTSELLER • We all have dreams—things we fantasize about doing and generally never get around to. This is the story of Azar Nafisi's dream and of the nightmare that made it come true. For two years before she left Iran in 1997, Nafisi gathered seven young women at her house every Thursday morning to read and discuss forbidden works of Western literature. They were all former students whom she had taught at university. Some came from conservative and religious families, others were progressive and secular; several had spent time in jail. They were shy and uncomfortable at first, unaccustomed to being asked to speak their minds, but soon they began to open up and to speak more freely, not only about the novels they were reading but also about themselves, their dreams and disappointments. Their stories intertwined with those they were reading—*Pride and Prejudice*, *Washington Square*, *Daisy Miller* and *Lolita*—their *Lolita*, as they imagined her in Tehran. Nafisi's account flashes back to the early days of the revolution, when she first started teaching at the University of Tehran amid the swirl of protests and demonstrations. In those frenetic days, the students took control of the university, expelled faculty members and purged the curriculum. When a radical Islamist in Nafisi's class questioned her decision to teach *The Great Gatsby*, which he saw as an immoral work that preached falsehoods of “the Great Satan,” she decided to let him put *Gatsby* on trial and stood as the sole witness for the defense. Azar Nafisi's luminous tale offers a fascinating portrait of the Iran-Iraq war viewed from Tehran and gives us a rare glimpse, from the inside, of women's lives in revolutionary Iran. It is a work of great passion and poetic beauty, written with a startlingly original voice. Praise for *Reading Lolita in Tehran* “Anyone who has ever belonged to a book group must read this book. Azar Nafisi takes us into the vivid lives of eight women who must meet in secret to explore the forbidden fiction of the West. It is at once a celebration of the power of the novel and a cry of outrage at the reality in which these women are trapped. The ayatollahs don't know it, but Nafisi is one of the heroes of the Islamic Republic.”—Geraldine Brooks, author of *Nine Parts of Desire*
