These people rise up like a lioness; like a majestic lion they stand. --Numbers 23:24 The lioness rises from her slumber, a magnificent image of strength, passion, and beauty. Her mere presence commands the landscape, protects her young, and empowers the lion. In groups, lionesses become a creative and strategic force to be reckoned with, acting as one to change the world around them. You too are a lioness. Women, it's time to... AWAKEN... God did not save you to tame you. AWAKEN... to a life of fierce passion. AWAKEN... To dangerous prayer, stunning power, and teamed purpose. AWAKEN... Your response could very well change your world. Packed with remarkable insights from nature and a rich depth of biblical references to lionesses, Lioness Arising is a call for women to rise up in strength and numbers to change their world. Jesus is, after all, the lion of the Tribe of Judah. And we are his lioness arising.

When was the last time a Christian hurt you? The demonic trio of slander, gossip, and offense has gained huge momentum both in our society and in the church. They ruin marriages, relationships, destroy churches, and discredit those in spiritual leadership. Even worse, instead of fighting them, believers daily aid these spirits. And daily, other believers fall victim. The church's main problem today is a lack of love, forgiveness, and unity. Satan's favorite lie is that spiritual attacks always come from outside—that Christians can't hurt each other. But when Pastor Kynan Bridges rips the mask off of the accuser, the truth is revealed: Satan's spirits of slander, gossip, and offense are determined to tear the kingdom apart, and they use believers to do it—leading to bitterness and spiritual disease. With a careful study of the Word of God, Pastor Kynan shows a way out. In this book, you will learn how to: Recognize the devastation of slander Identify the satanic nature of gossip Avoid the temptation to be hurt and offended Release those who have wounded you Use love and forgiveness as a powerful weapon to walk in victory over the enemy, the accuser of the brethren.

Ten years ago a breakthrough book launched a ministry that has helped more than one million

people overcome this world and win the battle for their hearts and minds. Now Neil Anderson has revised and expanded Victory over the Darkness for a new generation of readers, outlining practical and more productive ways to Christian growth based on Christ's promise, You will know the truth, and the truth will make you free. Victory Over the Darkness emphasizes the importance of believing and internalizing the cardinal truths of Scripture as a base from which to renew the mind and fend off the attempts of Satan to convince us that we are less than Christ empowers us to be.

 God delivered Israel from Egyptian bondage to captivate them for Himself. In the arid wilderness He planned to reveal His nature and ways to them, but they drew back. How different are we today? Many confess the Lordship of Jesus and acknowledge His saving power, yet like Israel, they've drawn back. Rather than pursuing His heart they have cleaved to this world's form of worship—the worship of self. As a result we have changed the image of Jesus to be like us. Fire can

alter these images. The fire we need is found in the Holiness of God. God is calling us to draw nearer still...to tremble on Mt. Zion...transformed to touch others.

A Life of Intimacy with God Multnomah

The Holy Spirit is often portrayed as something "weird." But the Bible makes it clear that the Spirit is not something. He is someone—a Person who has promised to never leave your side. John Bevere invites you into a personal discovery of the most ignored and misunderstood Person in the Church: the Holy Spirit.

YOU CAN START OVER AGAIN Many Christians become so discouraged because of their sins and failures that they give up on ever having fellowship with God again. They also fear that their broken relationships will never heal. For everyone who has wished for a fresh beginning, here is good news. This gentle, affirming book emphasizes how much God wants his wandering children to return to him. Award-winning author and pastor Erwin Lutzer provides solutions to common questions about how to reconnect with God and with those we are estranged from. Thanks to God's grace, it is never too late to do what's right. In this powerful, practical book, bestselling author Erwin Lutzer shows you how to clear your conscience and reestablish broken relationships. Worthy or not, you can know real, lasting peace - and the assurance that God still has a plan for your life. *Story Behind the Book* The idea for this book came to me when speaking at Promise Keepers. There were many men who came to faith in Christ, but then failed in their walk the next week or the next month. So they assumed that this new life was not for them; they thought that God was so angry with their failure, they might just as well live on the fringes of the Christian faith, rather than making it the core of their lives. This is a message of grace, not only in establishing our relationship with God, but in reconciling with those we have wronged, or who have wronged us.

Most of us aren't in danger of ruining our lives. We're in danger of wasting them. Are you unsatisfied with the kind of Christian life you've settled for? If you are tired of cul-de-sac Christianity or self-help pseudo solutions, today is the day God's greater plan for your life begins in full force: Greater than the labels you were given when you were young. Greater than the cynicism that settles in as you get older. Greater than the dreams you've dreamed for yourself. Greater than

even the greatest moment you've had thus far. In *Greater*, Pastor Steven Furtick draws on the biblical story of Elisha to give you the confidence to know that nothing is impossible with God, the clarity to see the next step He's calling you to take, and the courage to do anything He tells you to do.

You Can Destroy What Steals Your Strength Just like Superman, who can leap over any hurdle and defeat every foe, followers of Christ have the supernatural ability to conquer the challenges we face. But the problem for both Superman and us is there's a kryptonite that steals our strength. Of course, both Superman and kryptonite are fictional. But spiritual kryptonite is not. This book offers answers to why so many of us are unable to experience the divine strength that was evident among first-century Christians. In *Killing Kryptonite*, John Bevere reveals what this kryptonite is, why it's compromising our communities, and how to break free from its bondage. Not for the faint of heart, *Killing Kryptonite* is anything but a spiritual sugar high. This is serious truth for any Christ-follower who longs to embrace the challenging but rewarding path of transformation. Includes discussion questions for group study
