ADRIEL MORA

The Bet Simon
and Schuster
Reveals the
real, whole
name of God
and its place
within each of
us • Explains
how none of
the God-
names
commonly

used in the
Bible is God's
real name •
Shows how
the real name
of God unites
all religions
from both
West and East
• Includes
spiritual
techniques,
prayers,
poems, and
meditative
chants to

bring each of
us into deep,
personal,
intimate,
living
relationship
with God Of
the many
names of God
commonly
used in the
Bible and
other sacred
literature,
none is God's
real name.

Every God-name, including YHWH, reflects only one of God's many aspects, such as the loving creator, the militaristic authoritarian, or the all-knowing judge. None embodies the wholeness, the totality, the full Essence of God. Who then are we to speak to when we seek God? If you can't truly know something until you know its name, how can we truly know God? The culmination of

years of translation research and etymological investigation, Rabbi Wayne Dosick's work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God hiding in plain sight in the Bible: Anochi. He shows how this sacred name unites all religions--both of the West and the East. The name Anochi enables us to finally meet the whole, complete, real God--both the grand God of

the vast universe and the God of breath, soul, and heart who dwells within each of us. This in-depth exploration of God's name includes spiritual techniques, poems, guided prayers, and meditative chants to bring each of us into personal, intimate, and purposeful relationship with God. By knowing the real name of God, we can affirm the connection to the Divine at the core of our being. We can

touch the face of God that resides deep within us all.

In God's Name

Thomas Nelson Every Business Is God's Business The notion that labor for profit and worship of God are now, and always have been, worlds apart, is patently false. The Early Church founders were mostly community leaders and highly successful businesspeople. The writing of the Gospels was entrusted

to Luke, a medical doctor; Matthew, a retired tax collector; Mark, the manager of a family trust; and John, a food supplier. Lydia was "a dealer in purple cloth." Dorcas was a clothes designer. In this expanded version of the bestselling *Anointed for Business*, Ed Silvano focuses on the heart of our cities, which is the marketplace. Yet the perceived wall between commercial

pursuit and service to God continues to be a barrier to advancing His kingdom. Silvano shows Christians how to knock down that wall--and participate in an unparalleled marketplace transformation. Only then can we see God's kingdom invade every corner of our world. Readers will appreciate Silvano's passionate call to men and women in the workplace to rise to their God-appointed positions. The

included study guide will enable the reader to put these revolutionary concepts into action.

The World's Banker Penguin Alex Pheby's Mordew launches an astonishingly inventive epic fantasy trilogy. God is dead, his corpse hidden in the catacombs beneath Mordew. In the slums of the sea-battered city, a young boy called Nathan Treeves lives with his parents, eking

out a meagre existence by picking treasures from the Living Mud and the half-formed, short-lived creatures it spawns. Until one day his desperate mother sells him to the mysterious Master of Mordew. The Master derives his magical power from feeding on the corpse of God. But Nathan, despite his fear and lowly station, has his own strength—and it is greater than the Master has ever known.

Great enough to destroy everything the Master has built. If only Nathan can discover how to use it. So it is that the Master begins to scheme against him—and Nathan has to fight his way through the betrayals, secrets, and vendettas of the city where God was murdered, and darkness reigns. Ronald decides to distance the bank leaving Deepak, a senior executive, to fight his own battles. Will Karan, Deepak's one time adversary and now a Journalist, bail him out? Will Savitha, his girlfriend, stand by him? And will his family, the CBI and more importantly the country believe what he says? With the media and CBI in hot pursuit, Ronald can't help but wonder what his fate has in

store for him an intriguing tale of love, politics, unbridled aggression and money laundering, The Incredible Banker is the last in the trilogy of banking chronicles. Sometimes future can only be seen in fiction. The Incredible Banker, a tale of corporate politics, deceit, relationships, frauds and money laundering releases in August 2011 raises some interesting and some

worrying aspects of living life the foreign bank way. A crucial question, to answer which the reader will have to navigate his way through this 300 page blockbuster is what does the embedded red in The Incredible Banker signify? Read the book to unravel the mystery. *Micro-Lending and the Battle Against World Poverty* Hachette Books In one word: egregious. Damn It Feels Good to Be a

Banker is a Wall Street epic, a war cry for the masses of young professionals behind desks at Investment Banks, Hedge Funds, and Private Equity shops around the world. With chapters like "No. We do not have any 'hot stock tips' for you," "Mergers are a girl's best friend," and "Georgetown I wouldn't let my maids' kids go there," the book captures the true essence of being in high finance. DIFGTBAB thematically

walks through Wall Street culture, pointing out its intricacies: the bushleaguene ss of a Men's Warehouse suit or squared-toe shoes, the power of 80s pop, and the importance of Microsoft Excel shortcut keys as related to ever being able to have any significant global impact. The book features various, vivid illustrations of Bankers in their natural state (ballin'), and, in true Book 2.0

fashion, numerous, insightful comments from actual readers of the widely popular website LeveragedSell Out.com. Thorough and well-executed, it's lens into the heart of an often misunderstood, unfairly stereotyped subset of our society. The view-- breathtaking. Reader Responses "After reading this clueless propaganda, I strongly believe that you are a racist, misogynist

jerk. FYI, Size 6 is not fat." -- Banker Chick "Strong to very strong." - -John Carney, Editor-In-Chief, Dealbreaker.com "I used to feel pretty good about making \$200K/year." - -Poor person

A Novel

CreateSpace Anton Pavlovich Chekhov, (29 January 1860 – 15 July 1904) was a Russian physician, dramaturge and author who is considered to be among the greatest writers of

short stories in history. His career as a dramatist produced four classics and his best short stories are held in high esteem by writers and critics. Chekhov practised as a medical doctor throughout most of his literary career: "Medicine is my lawful wife", he once said, "and literature is my mistress." Chekhov renounced the theatre after the disastrous reception of

The Seagull in 1896, but the play was revived to acclaim in 1898 by Constantin Stanislavski's Moscow Art Theatre, which subsequently also produced Chekhov's Uncle Vanya and premiered his last two plays, Three Sisters and The Cherry Orchard. These four works present a challenge to the acting ensemble as well as to audiences, because in place of conventional action Chekhov

offers a "theatre of mood" and a "submerged life in the text." Chekhov had at first written stories only for financial gain, but as his artistic ambition grew, he made formal innovations which have influenced the evolution of the modern short story. His originality consists in an early use of the stream-of-consciousness technique, later adopted by James Joyce and other modernists,

combined with a disavowal of the moral finality of traditional story structure. He made no apologies for the difficulties this posed to readers, insisting that the role of an artist was to ask questions, not to answer them. Always modest, Chekhov could hardly have imagined the extent of his posthumous reputation. The ovations for the play, *The Cherry Orchard*, in the year of his death showed him how high

he had risen in the affection of the Russian public—by then he was second in literary celebrity only to Tolstoy, who outlived him by six years—but after his death, Chekhov's fame soon spread further afield. Constance Garnett's translations won him an English-language readership and the admiration of writers such as James Joyce, Virginia Woolf, and

Katherine Mansfield. The issues surrounding the close similarities between Mansfield's 1910 story "The Child Who Was Tired" and Chekhov's "Sleepy" are summarised in William H. New's Reading Mansfield and Metaphors of Reform The Russian critic D.S. Mirsky, who lived in England, explained Chekhov's popularity in that country by his "unusually complete rejection of

what we may call the heroic values." In Russia itself, Chekhov's drama fell out of fashion after the revolution but was later adapted to the Soviet agenda, with the character Lopakhin, for example, reinvented as a hero of the new order, taking an axe to the cherry orchard. One of the first non-Russians to praise Chekhov's plays was George Bernard Shaw, who subtitled his Heartbreak House "A

Fantasia in the Russian Manner on English Themes" and noted similarities between the predicament of the British landed class and that of their Russian counterparts as depicted by Chekhov: "the same nice people, the same utter futility." The Life and Death of Roberto Calvi Robinson One of the Roman novels from the bestselling historical fiction , Falco series. In the long, hot

Roman Summer of AD74, Marcus Didius Falco, private informer and spare-time poet, gives a reading for his family and friends. Things get out of hand as usual. The event is taken over by Aurelius Chrysippus, a wealthy Greek banker and patron to a group of struggling writers, who offers to publish Falco's work - a golden opportunity that rapidly palls. A visit to the Chrysippusscri	ptorium implicates him in a gruesome literary murder so when Petronius Longus, the over-worked vigiles enquiry chief, commissions him to investigate, Falco is forced to accept. Lindsey Davis' twelfth novel wittily explores Roman publishing and banking, taking us from the jealousies of authorship and the mire of patronage, to the darker financial world, where default can	have fatal consequences ... <i>Religion for Atheists</i> Abrams A strikingly original exploration of what it might mean to be authentically human in the age of artificial intelligence, from the author of the critically-acclaimed Interior States. haunted by questions of faith, and she serves as the best possible guide to navigating the territory we are all entering. *A Novel* If God was a Banker From the incomparable Emmy, Grammy, and Tony Award winner, a powerful and revealing autobiography about race, sexuality, art, and healing It's easy to be yourself when who and what you are is in vogue. But growing up Black and gay in America has

never been easy. Before Billy Porter was slaying red carpets and giving an iconic Emmy-winning performance in the celebrated TV show *Pose*; before he was the groundbreaking Tony and Grammy Award-winning star of Broadway's *Kinky Boots*; and before he was an acclaimed recording artist, actor, playwright, director, and all-around legend, Porter was a young boy in

Pittsburgh who was seen as different, who didn't fit in. At five years old, Porter was sent to therapy to "fix" his effeminacy. He was endlessly bullied at school, sexually abused by his stepfather, and criticized at his church. Porter came of age in a world where simply being himself was a constant struggle. Billy Porter's *Unprotected* is the life story of a singular artist and

survivor in his own words. It is the story of a boy whose talent and courage opened doors for him, but only a crack. It is the story of a teenager discovering himself, learning his voice and his craft amidst deep trauma. And it is the story of a young man whose unbreakable determination led him through countless hard times to where he is now; a proud icon who refuses to back down or

hide. Porter is a multitalented, multifaceted treasure at the top of his game, and *Unprotected* is a resonant, inspirational story of trauma and healing, shot through with his singular voice.

The Fist of God Rupa Publications
Winner of the Pulitzer Prize
“Erudite, entertaining macroeconomic history of the lead-up to the Great Depression as seen through the careers of the West’s principal

bankers . . . Spellbinding, insightful and, perhaps most important, timely.”
—Kirkus Reviews (starred)
“There is terrific prescience to be found in [Lords of Finance’s] portrait of times past . . . [A] writer of great verve and erudition, [Ahamed] easily connects the dots between the economic crises that rocked the world during the years his book covers and the fiscal emergencies

that beset us today." —The New York Times It is commonly believed that the Great Depression that began in 1929 resulted from a confluence of events beyond any one person's or government's control. In fact, as Liaquat Ahamed reveals, it was the decisions made by a small number of central bankers that were the primary cause of that economic meltdown, the effects of

which set the stage for World War II and reverberated for decades. As we continue to grapple with economic turmoil, Lords of Finance is a potent reminder of the enormous impact that the decisions of central bankers can have, their fallibility, and the terrible human consequences that can result when they are wrong. *I Bought the Monk's Ferrari* Penguin UK If God was a BankerRupa

The Real Name of God
 Rupa
 Publications
 A paradigm-shifting blend of science, religion, and philosophy for the agnostic, spiritual-but-not-religious, and scientifically minded reader
 Many people are fed up with the way traditional religion alienates them, perpetuates conflict, vilifies science, and undermines reason. Nancy Abrams—a philosopher of science,

lawyer, and lifelong atheist—is among them, but she has also found freedom in imagining a higher power. In *A God That Could Be Real*, Abrams explores a radically new way of thinking about God. She dismantles several common assumptions about God and shows why an omniscient, omnipotent God that created the universe and plans what happens is incompatible with

science—but that this doesn't preclude a God that can comfort and empower us. Moving away from traditional arguments for God, Abrams finds something worthy of the name "God" in the new science of emergence: just as a complex ant hill emerges from the collective behavior of individually clueless ants, and just as the global economy emerges from the

interactions of billions of individuals' choices, God, she argues, is an "emergent phenomenon" that arises from the staggering complexity of humanity's collective aspirations and is in dialogue with every individual. This God did not create the universe—it created the meaning of the universe. It's not universal—it's planetary. It can't change the world, but it helps us change the world. A God

that could be real, Abrams shows us, is what humanity needs to inspire us to collectively cooperate to protect our warming planet and create a long-term civilization.

The Bankers Who Broke the World

Tor Books
God calls us to the work we are doing. He's interested not only in what we do, but how we do it. Yet, finding purpose at work is one of the greatest challenges of

our world today. Does my work matter to God? Is ambition good? How do I deal with failure? How do I make difficult decisions? Ken Costa shares his practical insights and experience gained from more than forty years working in finance. This timeless message, that there is space for faith at work, will truly inspire you to live each day with purpose.

Inside the Decade that Transformed

Wall Street

Beacon Press
On 8 November, when the clock strikes 12, your money will be no good. Somewhere on the India-Nepal Border, a car full of passengers swerves off a highway and plunges into a valley, its trunk full of cash. In the UK, a Bollywood starlet wins Big Survivor, the most popular reality TV show in the country. In Panama, Central America, a whistle-blower

at a law firm brings down billionaires across the globe. And in India, a new RBI Governor is appointed. Aditya Kesavan is dynamic, charismatic and ambitious. And he's been handed the reins of the RBI on a platter. His only job: to make sure he doesn't rock the boat. But, unknown to him, the wheels have begun to turn, as the country heads towards the biggest financial event in modern

Indian history. And Governor Kesavan is about to carry out the most brazen act of his life - and, perhaps, his most foolish. Will he be able to pull himself out of the mess he has got into or will he have to surrender to the manipulative forces behind the scenes? Running desperately out of time, the Governor must set things right. *Becoming Your Own Banker* Simon and Schuster
Traces the shifting

balance of power among investors, borrowers, and bankers, explaining why such great financial dynasties as the Rothschilds, the Morgans, and the Warburgs have become obsolete in the 1990s. Original. 20,000 first printing. *Devil in Pinstripes* Random House
Devil in Pinstripes takes you behind the scenes through the power-packed aisles of New

York International Bank (NYIB) and the sharpest of its minds. It is the story of Amit, an ambitious MBA who joins NYIB and thereby, the world of high pressure competitive foreign banking and the current crisis that engulfs this sector. As life throws its curves, Amit finds himself stuck between the lives of three others - his wife and later colleague, Chanda; Gowri, a power-hungry

political maestro par excellence and Amit's arch rival; and above all, his mentor Aditya, who plays devious power games with almost everyone in his quest for success and fame. Redeeming Love Penguin Expecting a large bonus that will expand his already lucrative lifestyle, jaded London investment banker Dave Hart employs morally ambiguous strategies and charm to

increase his status in a world where he is valued less than he believes he should be. In the Name of God Harper Collins Personal success stories of a banker. The Race to Decode the Rosetta Stone W. W. Norton & Company NAMED A BEST BOOK OF 2018 BY NPR AND THE NEW YORK TIMES A PBS NEWSHOUR-NEW YORK TIMES BOOK CLUB PICK "Somehow Casey Gerald has pulled off

the most urgently political, most deeply personal, and most engagingly spiritual statement of our time by just looking outside his window and inside himself. Extraordinary. " —Marlon James "Staccato prose and peripatetic storytelling combine the cadences of the Bible with an urgency reminiscent of James Baldwin in this powerfully emotional memoir." —BookPage

The testament of a boy and a generation who came of age as the world came apart—a generation searching for a new way to live. Casey Gerald comes to our fractured times as a uniquely visionary witness whose life has spanned seemingly unbridgeable divides. His story begins at the end of the world: Dallas, New Year's Eve 1999, when he gathers with the congregation

of his grandfather's black evangelical church to see which of them will be carried off. His beautiful, fragile mother disappears frequently and mysteriously; for a brief idyll, he and his sister live like Boxcar Children on her disability checks. When Casey-- following in the footsteps of his father, a gridiron legend who literally broke his back for the team--is recruited to play football at Yale, he

enters a world
 he's never
 dreamed of,
 the anteroom
 to secret
 societies and
 success on
 Wall Street, in
 Washington,
 and beyond.
 But even as
 he attains the
 inner
 sanctums of
 power, Casey
 sees how the
 world crushes
 those who live
 at its margins.
 He sees how
 the elite

perpetuate
 the salvation
 stories that
 keep others
 from rising.
 And he sees,
 most painfully,
 how his own
 ascension is
 part of the
 scheme. There
 Will Be No
 Miracles Here
 has the arc of
 a classic rags-
 to-riches tale,
 but it stands
 the American
 Dream
 narrative on

its head. If to
 live as we are
 is destroying
 us, it asks,
 what would it
 mean to truly
 live? Intense,
 incantatory,
 shot through
 with sly humor
 and quiet fury,
 There Will Be
 No Miracles
 Hereinspires
 us to
 question--
 even shatter--
 and reimagine
 our most
 cherished
 myths.
