The Spanish Verb Workbook is a study aid for those teaching themselves Spanish or for those taking Spanish classes. The workbook contains over 2,000 Spanish translation sentences to help advanced beginners and intermediate Spanish learners become familiar with Spanish verb

tenses. The workbook is divided into eight chapters. Each chapter covers one verb tense. The learner has to translate English sentences into Spanish. The vocabulary and answer key can be found in the back of the workbook. This workbook has more Spanish translation sentences than any other book on the market and was written by someone that taught himself

Spanish and a native Spanish speaker from Guatemala. All of the sentences were proofread by a native Spanish speaker from Argentina that taught high school and middle school Spanish in the United States for fifteen years.
