ERICKSON BAKER

Keeper of the Lost Cities; Exile; Everblaze/Includes a Sticker Sheet of Family Crests Simon and Schuster

Lois Lowry once again creates a mysterious but plausible future world. It is a society ruled by savagery and deceit that shuns and discards the weak. Left orphaned and physically flawed, young Kira faces a frightening, uncertain future. Blessed with an almost magical talent that keeps her alive, she struggles with ever broadening responsibilities in her quest for truth, discovering things that will change her life forever. As she did in *THE GIVER*, Lowry challenges readers to imagine what our world could become, how people could evolve, and what could be considered valuable. Every reader will be taken by Kira's plight and will long ponder her haunting world and the hope for the future.

Keeper of the Lost Cities X 3 Box Set Simon and Schuster

From Graham Norton—the BAFTA Award-winning Irish television host and author of the “charming

debut novel” (New York Journal of Books) *Holding*—a masterly and haunting tale of secrets and ill-fated love follows a young woman as she returns to Ireland after her mother's death and unravels the identity of her father. When Elizabeth Keane returns to Ireland after her mother's death, she's focused only on saying goodbye to that dark and dismal part of her life. Her childhood home is packed solid with useless junk, her mother's presence already fading. But within this mess, she discovers a small stash of letters—and ultimately, the truth. Forty years earlier, a young woman stumbles from a remote stone house, the night quiet except for the constant wind that encircles her as she hurries deeper into the darkness away from the cliffs and the sea. She has no sense of where she is going, only that she must keep on. With wistful and evocative prose, *A Keeper* is sure to appeal to “fans of sensitive character studies” (Publishers Weekly) and brilliantly illustrates Graham Norton's clear-eyed understanding of human nature and its darkest flaws.

Making Meaningful and Lasting Connections with Your Kids Simon and Schuster

Connecting deeply with our kids can be difficult in our busy, technology-driven lives. Reading aloud offers us a chance to be fully present with our children. It also increases our kids' academic success, inspires compassion, and fortifies them with the inner strength they need to face life's challenges. As Sarah Mackenzie has found with her own six children, reading aloud long after kids are able to read to themselves can deepen relationships in a powerful way. Founder of the immensely popular *Read-Aloud Revival* podcast, Sarah knows first-hand how reading can change a child's life. In *The Read-Aloud Family*, she offers the inspiration and age-appropriate book lists you need to start a read-aloud movement in your own home. From a toddler's wonder to a teenager's resistance, Sarah details practical strategies to make reading aloud a meaningful family ritual.

Reading aloud not only has the power to change a family—it has the power to change the world.

BESTSELLER "There could only be a few winners, and a lot of losers. And yet we played on, because we had hope that we might be the lucky ones." In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He promises her the world, but when she discovers she is pregnant--and that her lover is married--she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and profoundly moving, *Pachinko* is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters--strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis--survive and thrive against the indifferent arc of history. *Includes

The breathtaking action

and whirlwind adventure

build to a climax in this

thrilling conclusion to the

“remarkably unpredictable” (BCCB) Sky Fall trilogy from the bestselling author of the Keeper of the Lost Cities series. Vane Weston is ready for battle. Against Raiden’s army. Against the slowly corrupting Gale Force. Even against his own peaceful nature as a Westerly. He’ll do whatever it takes, including storming Raiden’s icy fortress with the three people he trusts the least. Anything to bring Audra home safely. But Audra won’t wait for someone to rescue her. She has Gus—the guardian she was captured with. And she has a strange “guide” left behind by the one prisoner who managed to escape Raiden. The wind is also rising to her side, rallying against their common enemy. When the forces align, Audra makes her play—but Raiden is ready. Freedom has never held such an impossible price, and both groups know the sacrifices will be great. But Vane and Audra started this fight together. They’ll end it the same way.
