OBRIEN SHILOH

100 Words Every High School Graduate Should Know HarperCollins

A beloved classic that captures the powerful bond between man and man's best friend. Billy has long dreamt of owning not one, but two, dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It doesn't matter that times are tough; together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past.  A Bigger Vocabulary = A Brighter Future Words. They're the foundation of nearly everything of value in our world. They have the power to create and the power to destroy. The power to inspire and to terrify. The power to enlighten and also to obscure. And, more specifically for you, they have the power to attract wealth and success and guarantee your brighter future. This is not hyperbole - it is based on rock-solid research. Studies show that those people with large vocabularies are smarter, wealthier, and happier than the average person - and substantially so. And here's the best news of all: a large vocabulary is not tied to your social status, your genes, or even your education level. It is a skill that can be learned - and it takes only 30 days. In this cutting-edge program, 30 Days to a More Powerful Vocabulary, personal development expert and English enthusiast Dan Strutzel will instruct, enlighten, and inspire you with a concentrated 30-day program that will teach you over 500 words. But, more than teaching you these words, the uniquely designed program will ensure that these words become a habit-knit part of your life - and with minimal effort on your part. Best of all, research shows that learning new words has an exponential effect on the size of your vocabulary - since learning one word naturally produces an association between two to three more words. In short, after reading and applying the system in this 30-day program, you will not only have a bigger vocabulary - you will have a brighter future! Here's just a sampling of what you'll learn: The 10 myths about building a dynamic vocabulary The secret behind the exponential effect of vocabulary
