Amalia deals with loss while learning about love and her cultural heritage in this tender tale from acclaimed authors Alma Flor Ada and Gabriel M. Zubizarreta. Amalia's best friend Martha is moving away, and Amalia is feeling sad and angry. And yet, even when life seems unfair, the loving, wise words of Amalia's abuelita have a way of making everything a little bit brighter. Amalia finds great comfort in times shared with her grandmother: cooking, listening to stories and music, learning, and looking through her treasured box of family cards. But when another loss racks Amalia's life, nothing makes sense anymore. In her sorrow, will Amalia realize just how special she is, even when the ones she loves are no longer near? From leading voices in Hispanic literature, this thoughtful and touching depiction of one girl's transition through loss and love is available in both English and Spanish.

### And the Tyranny of Progressivism Center Street

From #1 New York Times bestselling author and radio host Mark R. Levin comes a searing plea for a return to America's most sacred values. In *Rediscovering Americanism*, Mark R. Levin revisits the founders' warnings about the perils of overreach by the federal government and concludes that the men who created our country would be outraged and disappointed to see where we've ended up. Levin returns to the impassioned question he's explored in each of his bestselling books: How do we save our exceptional country? Because our values are in such a precarious state, he argues that a restoration to the essential truths on which our country was founded has never been more urgent. Understanding these principles, in Levin's words, can "serve as the antidote to tyrannical regimes and governments." *Rediscovering Americanism* is not an exercise in nostalgia, but an appeal to his fellow citizens to reverse course. This essential book brings Levin's celebrated, sophisticated analysis to the troubling question of America's future, and reminds us what we must restore for the sake of our children and our children's children.

### Life in the Sane Lane Hal Leonard Corporation

"You have a beautiful skin," kata seorang wanita Amerika di sebuah kelas zumba. "Thank you!" jawabku terkejut senang. "Kok bisa kamu punya warna kulit tan gitu? Gimana caranya?" "Oh, this is my natural skin color." "Really? How lucky!" Benarkah aku beruntung? Sementara di Indonesia, aku terbiasa dengan komentar yang hampir sama, "Iteaman ya?", tapi bedanya itu bukan pujian. Dulu, aku berusaha agar kulitku tidak semakin hitam. Aku menghindari sinar matahari langsung dengan rajin pakai jaket atau payung dan pakai sunblock. Namun, sejak pindah ke Amerika, aku yang nggak tumbuh dengan pujian dan pernah berjuang mengalahkan insecurity yang akut karena merasa nggak cantik, sering mendapatkan pujian-pujian

The presidency of Donald Trump marks a profound change in the trajectory of American government, politics, and culture. Like his administration, the movement that put him in office represents a phenomenon that is worth studying. Donald Trump is unlike any president we've ever had. He is the only person ever elected to be commander in chief who has not first held public office or served as a general in the military. His principles grow out of five decades of business and celebrity success-not politics-so he behaves differently than do traditional politicians. In *UNDERSTANDING TRUMP*, Newt Gingrich shares what he learned from more than two years helping Trump and his team throughout the campaign, the election, and during the first months of the presidency. Mr. Gingrich provides unique insight into how the new president's past experiences have shaped his life and style of governing. This book also includes Mr. Gingrich's thorough analysis of how President Trump thinks and makes decisions, as well as the president's philosophy, doctrine, and political agenda going forward. Further, these pages hold a detailed discussion of Trump-style solutions for national security, education, health care, economic growth, government reform, and other important topics. Mr. Gingrich also identifies the forces in the Washington establishment, media, and bureaucracy that will oppose the president at every turn. Finally, *UNDERSTANDING TRUMP* explains the president's actions so far and lays out a vision for what Americans can do to help make President Trump's agenda a success. The president owes his position to the people who believed in him as a candidate, not to the elites in government and media who have expressed contempt for him since he began his campaign to become president. The very essence of Trump's mission is a willingness to enact policies and set goals that send our country in a bold new direction - one that may be "unreasonable" to Washington but is sensible to millions of Americans outside the Beltway. Only with the country's help will President Trump be able to overcome the entrenched interests in Washington and fulfill his promise to make America great again for all Americans.

### One Perfect Lie Hal Leonard Corporation

25th Anniversary Edition "A magnificent treasure for all cultures and all time." --St. Petersburg Times It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas--the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. Julia Alvarez's new novel, *Afterlife*, is available now.
