If your spiritual practice does not teach you how to respond appropriately to the changing circumstances in your life without compromising your spiritual values or losing your inner peace,

what good is it? It is of little or no use. A Course in Miracles (ACIM) should be a practical course that helps you live a happier and self-fulfilled life today. Yet, for most, this remains an unfulfilled promise. Why? Because most people never complete the 365 daily Workbook Lessons associated with the text. The Workbook Lessons are designed to bypass the mind of your ego and open your heart. Yet, most either ignore, struggle or fail to grasp the true meaning of these lessons but you can change that. This book covers the 365 Daily Workbook Lessons. Each lesson is presented in "Dummies" format so that the richness of these lessons will become apparent, understandable and more importantly, practical. "Dummies" format demystifies the original workbook lessons by replacing the pronouns and unclear references with their meanings. This clarifies the purpose or meaning of each lesson. All antecedent references made to ACIM's Workbook Lessons are clearly noted in bold print for easy reference to the original text. Each lesson is then followed by an explanatory note to assist the reader with a deeper understanding of the lesson. The notes are designed to foster discussion and clarity, not to limit ideas and prevent individual interpretation. As such, ACIM Workbook for Dummies can be utilized as either a primary or secondary text for independent or group study. The ACIM for Dummies Series is an excellent reference tool for those who seek a deeper level of understanding of A Course in Miracles' teachings. The ACIM for Dummies series cuts through the mystery of the Course's esoteric text and makes Jesus' message alive and accessible to the ordinary reader. The richness and simplicity of ACIM's message of freedom, joy, forgiveness and unconditional love awaits anyone who is willing to see things differently. You can exchange your fear-based thought system for the peace of God. Happiness is only a choice away and you can make that choice today. This is your time to shine. You no longer have any excuse not to complete these lessons and finish the Course. A special thanks to Jon Mundy who provided the forward for this book.

You may already understand that "A Course in Miracles" is a philosophy of loving forgiveness. However, you may not be ready to read all 1249 pages of the Course or do all 365 daily Workbook lessons. The Two-Month Bridge to "A Course in Miracles" is a condensed edition of the Course that serves as a stepping stone to studying the full version of the Course. This book offers a two-month direct experience of the Course to help you decide if it's the right philosophy for you to believe, to study in more depth, and to apply to your daily life. For the first month, you will read just 308 of the 1249 pages of the Course. Less essential and repetitious parts of the Course have been omitted for greater simplicity so the beginner won't be overwhelmed with too much nonessential information. In order to facilitate learning, sixty questions have been inserted into the text to help you focus on the most important spiritual principles. For the second month, you will have the opportunity to put the spiritual principles you have learned in the first month into practical application by doing 30 of the 365 daily Workbook lessons. The 30 lessons selected for this training period will expose you to a wide variety of spiritual experiences that will help you to identify with your true nature as a spiritual being created by God. Some of these lessons help you to develop your inner attunement, while most of these lessons are designed to promote healthy personal relationships based on loving forgiveness. This two-month training period will help you to evaluate both the challenges and the benefits of incorporating the spiritual principles of the Course into your daily life.

The first book provides students somewhat acquainted with the

teachings of A Course in Miracles with a summary which will help meet their needs for an in-depth presentation of the Course's principles, including a discussion of the practical implications of these principles with regard to religious and spiritual practice, and ethical, moral, and behavioral issues. The purpose of *Few Choose to Listen*, as stated in the Introduction is "to guide students in how to avoid certain potential mistakes or confusions as they read, study, and implement into their daily lives the teachings of A Course in Miracles. Such sidestepping of errors will, it is hoped, be of help in clearing the way for the student to be more accessible to the Holy Spirit's 'particular care and guidance' (M-29.2:6)."

 ACIM, the Fun Version! A real-world rewrite of the lessons of A Course in Miracles by the #1 New York Times best-selling author of E-Squared. A Course in Miracles is profound, deeply moving, and as boring to read as a bookshelf assembly manual. Ask for a show of hands at any self-help gathering, and 95 percent will happily admit to owning the dense blue book that's a famous resource for spiritual transformation. Ask the obvious follow-up, "How many have actually read it?" and all but a smattering of hands go down. It's as if everyone wants the miracles, the forgiveness, and the mind shifts, but they just can't bear its ponderous heaviness. Pam Grout to the rescue! Her new book is for all those still struggling with the Course. Grout offers a modern-day rewrite of the 365-lesson workbook-the text at the heart of the Course. Unlike the original, it's user-friendly, accessible and easy for everyone to understand. In daily lessons with titles like "The Home Depot of Spiritual Practices" and "Transcending the Chatty Asshat in My Head," Grout drills down to the Course's essential message and meaning, grounding it in the context of everyday life in a way that's bound to stick. The lessons here blend eternal truths with pop culture and personal stories that are laugh-out-loud funny and deeply soul-stirring, often at the same time. You won't be tempted to use this Course in Miracles as a doorstop. You'll want to use it, every day, to change your life.

A Course in Miracles is the acclaimed spiritual guide that teaches the way to universal love and peace is by undoing guilt through forgiving others. The "miracles" of the title refers to shifts in perception from fear to love, which fosters the healing and sanctification of relationships. Although expressed in terms of traditional Christianity, this life-changing work constitutes nonsectarian, universal spiritual teachings. The three-part approach begins with an explanation of the course's theory and the development of the experience of forgiveness. The second consists of a workbook, comprising 365 lessons — an exercise for each day of the year — intended to influence students' perceptions. The third section presents a manual for teachers, in which the question-and-answer format provides responses for

likely inquiries as well as definitions for terms used throughout the course. Written by Dr. Helen Schucman, a clinical and research psychologist, and edited by her colleague at Columbia University, Dr. William Thetford, from 1965 to 1970, A Course in Miracles has been translated into more than 20 languages and sold millions of copies around the world.

It represents the oldest available typed copy of the words dictated by a voice to professor, research psychologist and Scribe Helen Schucman, Ph.D. between 1965 and 1978. The voice, claimed Schucman, was Jesus. This edition predates all others currently in print. It is available in two cover styles, one plain burgundy and another with a painting The Resurrection by Pieter Lastman, made available by the Getty Museum in Los Angeles, CA, USA. There is a free companion website with concordances and source material libraries. The Urtext Manuscripts are ideal for students and teachers who wish to deepen their knowledge of A Course in Miracles and its unique approach to life and the teachings of the Bible.
